

PRINCE OF PEACE OUTSIDE SCHOOL HOURS CARE

The Prince of Peace Outside School Hours Care (OSHC) program incorporates before and after school care, pupil-free days (curriculum days) and vacation care programs. It is open to all school aged children on a full time, part time or casual basis.

Prince of Peace OSHC's program provides your child with a safe, secure and supportive learning environment. Our program stimulates young minds to think independently and promote their own learning. It fosters creativity, challenges thought processes, and supports co-operative learning. We address the needs, interests and abilities of the children and recognise they are all unique individuals.

At OSHC we provide opportunities for your child to develop his or her motor, cognitive, social and emotional skills in a relaxed, safe and friendly environment. We are guided by the National Quality Framework to ensure your child is given the opportunities to engage in leisure and play-based experiences that are responsive to his or her needs and interests, and contribute to their ongoing development. Our educators encourage all children to try new experiences and participate in activities.
