Term Two has started with a flurry of activity. It is quite hard to believe what our community has packed into Week 1.

**Agile Digital Strategy**

They came with excited faces, energy beyond compare and devices of all shapes and sizes. The students of 3G, 5S, 6R and Year 10 have welcomed and embraced the launch of the Prince of Peace Agile Digital Learning Strategy. Last week saw a very successful implementation of our first wave of BYOD devices at Prince of Peace. The devices are already being used to collaborate, create and communicate. Staff participating in the trial have reported a higher level of student engagement, more efficient use of time and a flexibility of learning which allows students to bridge gaps and learn more seamlessly. In the words of one of our Year 3 students when asked how the first day of term was, the resounding reply was “best day ever!” A special thanks to the teachers, IT department, students and parents for making this such a positive and successful start.

**Year 6 Canberra Trip**

Our Year 6 students and staff have returned safely from an exciting and somewhat exhausting week in our nation’s capital. The weather was chilly and the days were long but our student’s spirits were high as they worked their way through a wide assortment of activities including the AIS (Australian Institute of Sport), Questacon, Parliament House and the Australian War Memorial where the students were treated to a special visit from Mr Russell’s nephew who is currently serving in the armed forces.

We must thank the staff and parents who attended this camp for their dedication and efforts throughout the week and their families for allowing them to have this time away with our students. Special mention must go to Mrs Wiseman, who accepted my phone call late on Sunday afternoon to fly out the next morning to Canberra in Mr Mills place. We look forward to hearing more of the Year 6 stories as the weeks unfold ahead of us. ([LINK](#)) to photos

**Year 11 Leadership Camp**

The Year 11 students left early on Tuesday morning to head to Emu Gully at Helidon. Emu Gully provides a valuable opportunity for students to challenge themselves both physically and emotionally, and work together to achieve. A range of activities provided opportunities for personal insight and growth. Many students overcame personal challenges whether it was the confined spaces of the Tunnel Rats of Vietnam, or the challenge of the Bridge over River Kwai, the enormity of Night Walk or the mud and toughness of the Kokoda Track. Congratulations to each of the students who was prepared to grow through challenge.

Year 10 Camp Gallipoli
The Brisbane Show grounds hosted an overnight camp to participate in the ANZAC centenary commemoration. RSL ANZAC Flame Ceremony commemorated the 11,400 souls that were lost at Gallipoli. Dignitary interviews, short history videos and musical acts added to the atmosphere. A sleep out under the stars was an attempt to mirror the Gallipoli experience. Students were woken at dawn by a bugler followed by Dawn Service.

Remembering the ANZAC’s
Last week our students and staff discussed, considered and remembered the brave men and women who have served our country courageously through war times. We remember their service to our nation, many of whom did not return. We consider the returned servicemen and women who continue to protect our great country and their families for the sacrifices they also make.

Last Friday, Mr Norm Russell and some students from the Senior Campus led moving services on both campuses. They reminded us of the incredible sacrifices these men and women have made and of some of the stories their legacy has left behind. Central to our service this year was the Poppy, its significance and how it is being used around our nation to continue hold proud our heritage and armed forces who protect all that we have.

On Saturday, over one hundred students from Prep to Year 12 gathered at Gaythorne RSL to commemorate ANZAC Day. The students and families joined the march, before participating in the service that followed, a moving ceremony that highlighted the ANZAC Spirit. Prince of Peace Junior Campus was represented in the combined schools choir who led the singing of the massive crowd who were gathered together. Thank you to all the students who celebrated the service and sacrifice of our past and current service people. We thank God for these brave men and women, their families and those who daily support them.

Year 6 Canberra 2015 a Success

Was it the combination of delightful children, supportive parent helpers, beautiful location, funny bus drivers or the amazing educational package that gave us a great trip? The photos show happy children having the time of their life creating some precious lifelong memories. (LINK to photos)

Despite the downfalls in NSW the weather was kind, although lip balm was out and about on those windy days. The Year 6 Educational program at Prince of Peace provided students with a thorough understanding of parliament; campaigning, an election process as well as the more intricate details of passing bills through the House of Representatives and the Senate. It was clear throughout question times with the guides that our students involvement in POP Parliament provided them with insights that a typical school group don’t normally bring.

The itinerary was a combination of educational venues - learning about the History and Citizenship of Australia as well as squeezing in entertaining venues such as Questacon and the Australian Institute of Sport. (Don’t tell them that these were actually educational as well!)

The accommodation was a beautiful scenic drive through the country around Canberra with mobs of kangaroos and sunsets reminding us each afternoon how great God is. We had a quiet space this year to gather together and bond before and after meals sharing stories, playing games and discussing the significance of the birth and growth of our nation. The last night was an entertaining night of ‘awards’ which really gave us the opportunity to review the week and laugh at the funny things that had happened.

A big thank you to our volunteers, Donna Allen, Jo Willmott and Andrew Vitale who made the trip a smooth running operation in support of our teachers.

Andrew Russell together with Ben Swift, Tahlie Wise and Tanya McMinn also did an amazing job meeting the needs of students and encouraging us all to honour each of our relationships as we grew with one another.

For those Year 5 children: I’d like to let you know that you are in for the time of your life next year and for the Year 6 students who went: I want to thank you for making the trip what it was this year; memories of one another I hope won’t fade for many years to come, (oh and it was educational too!)

Years 2,3 and 4: Start your engines, because you're about to be 'Booked 4 Life'

Next week marks the launch of our Booked 4 Life program. We have heard our students preferences for the hottest books, found some surprises and even classics that parents will enjoy too. Now the final covering of these texts is almost finished we are ready to begin. This program wouldn’t have been possible without the contribution from our Auxiliary for quality literature to excite our children. There are 110 different titles in the collection and over 800 books in total. The collection is deliberately housed in the library to help students make the transition from home readers; based in the classroom, to making selections for home reading in the library. The collection sits under the tree in our library and your children will learn that they have exclusive access in the school to 10 titles for the whole term.

A thank you also needs to be said for Melanie Burke, our library technician who has tirelessly worked to process these books before, during and throughout our holiday, as well as Janette Meulen our librarian for her volunteer days processing as well.

The program is based on research that identifies key factors that promote the love of lifelong reading. Choices in quality texts, modelling of reading by teachers and peers, a student voice around their love of reading all contribute to a mindset about books.

The program offers more than just a resource of great texts. Children will be involved in sharing ‘book tastings’ with their peers and reading parts they enjoyed to one another.

We want all children in Years 2,3 and 4 to be a part of this reading culture. A leaflet will be going home soon where teachers have suggested the program status for your child. The 4 levels could mean a parent reads the book to their child to listen to so they can contribute in classroom discussions with their friends or it could mean that a child reads their book independently for home reading. All students therefore will be able to enjoy these books no matter the current level of their proficiency in reading.

We are currently surveying children’s perception of themselves as readers and hope that by the end of the year our data shows us that there is a marked difference as a result of this focus. My wish for your child is that they are empowered and inspired as a reader and pass this on to other children, here in our community at Prince of Peace.

Vicki Wiseman Leader of Pedagogy and Innovation
Quotes from Y11 students Camp at Emu Gulley

“As the camp progressed I was much more willing to do things for others and more confident to put myself out there”

“We realised the importance of trust, respect and mateships and how mindset/attitude effected performance and perspective of the whole group”. 

“I developed both inner and outer strength, leadership, courage, bravery and a “not giving up” attitude.”

“just knowing I had good people around me gave me confidence to give things a try”

“when we were doing the night hike it was amazing to have so much help from others to go up and down the hills. There was always an outstretched hand and you knew you could lean on each other for support.”

“I learnt I can trust myself because I am more capable than I think”

“The best part of the camp was how we supported each other and grew as a cohort more and more through each task”

“My experience at Camp Gallipoli

On Friday 24 May, 60 eager and excited year 10 students travelled to the RNA Showgrounds to pay tribute to all those men who paid the ultimate sacrifice 100 years ago on the beaches of Gallipoli. The RNA Showgrounds was where the first ANZAC’S camped before they were sent overseas. I was unsure how my experience would be at Camp Gallipoli but I was looking forward to it. At night time there was live entertainment and we watched the movie The Water Diviner. In the morning we were woken up by the rouse at 4:30 and had the dawn service at 5:15. It was very touching to see that many people there to pay tribute to our soldiers. In total over 11 000 people attended the event. It was an amazing experience and one I won’t forget.

HR Water Retention Basin

As part of their study of sustaining biodiversity and to start this term, members of the Senior Geography class volunteered to plant out the new water retention basin on Day 1 at the Senior Campus to create a new habitat. With the help of Mr Grieger who purchased over a thousand plants and came up with the plan, the students got to work to plant out the basin assisted by some of the groundsmen. A special mention should go to Lachlan McLean who came in during the last Friday of the Easter break to assist with the groundwork for the main effort on Monday. The basin is designed to help filter the storm water that comes from the oval and the overflow from the water tanks before it finds its way into the Cabbage Tree Creek catchment. Mr Low’s Year 10 class also helped out during last period to finish off the job started by the Senior Geography students. A good and productive day! Pictured below are part of the digging and planting teams hard at work as well as Laura and Tegan who were one of the planting teams.

Year 10 Career Development

During Week 1, Year 10 students had the first of many visits by various tertiary institutions and other training organisations that will be coming along to talk to them about opportunities whether they are planning on going to uni, or TAFE or Traineeships and Apprenticeships. On Wednesday, student ambassadors Bianca (a 3rd year Law/Journalism student) and Jacob (a 3rd year Business/Animation student) came to share their experiences of studying at QUT. Bianca outlined much of what QUT has to offer and how uni is different to school. Jacob focused more on uni life and what is important to consider when choosing what to study and why he decided to go to QUT.

Footloose Cast Profile

On 7, 8 and 9 May, Prince of Peace Lutheran College is performing Footloose. The show involves cast from Years 7-12 and will be performed in the Mitchelton State High School auditorium. Tickets are on sale now at: http://www.trybooking.com/Booking/BookingEventSummary.aspx?eid=122379

Staff and students have been busy preparing scenes, songs and dances and each week we will introduce more of our cast.

This week we feature Ruby Wright (Rusty), Tabitha Gulley (Urleen) and Grace Dallow (Wendy Jo), who play Ariel’s three closest friends.

Ruby and Tabitha are in year 12 and were in the College’s 2013 production of Disney’s High School Musical on Stage, Grace is in year 10.

Ruby says, “I like to sing and act as I get to be these amazing characters and do these amazing things without the restrictions of being myself”. Her goal is to perform on Broadway...or at least be an amateur musical performer. She says of Footloose, “With all the hard work we are putting into it, the result will be amazing!”

Tabitha also wants to continue to perform in later life and says she loves musicals because, “They’re fun! I get to be someone else and experience things differently...and I also get to sing in public without weird looks!” Tabitha’s advice on watching the performance is, “Brace yourselves; you’re about to cut Footloose!”

Grace also loves to sing and act because it allows her to express herself in different ways. Her goal is to pursue a career in singing, such as a singing teacher or performer. About the musical she says, “This production allows people from different classes, grades and friendship groups to socialise and showcase their talents. It is great for improving confidence and expanding your friendships.”
Thank you for the early start at the Anzac Day Ceremony. What a moving and humbling experience. We have received many favourable comments from both within the school community and those in the crowd. Well done!

Other choir events this term include:
Saturday 9 May - Albany Creek Uniting Church Fete - 1:45pm to 2:30pm.
Thursday 4 June – Ensemble Evening. Chapel. 6:30pm

**Instrumental**

The first Music Room Concert will be held on Monday 18 May starting at 6:00pm. Any students learning an instrument or voice are invited to attend this concert. This is an opportunity for students to show what they have learnt so far this year. Permission slips will be sent home later this week / next week.

**Recorder Band, Percussion & String Ensembles**

End of Semester Ensembles concert on Thursday 14 June. In the Chapel starting at 6:30pm. More information to come.

**Classroom Music**

Year 3 Music Theme this term is “Animal Magic”. Students will listen to and analyse pieces from “Carnival of the Animals” and various other animal themed songs.

Year 5 Students video assignment is due this week.

Wendy McMahon  Uniform Shop Convenor

During Week 1 of Term 2, our Year 6 students were given the opportunity to visit our national capital and participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $60 per student under the Parliament and Civics Education Rebate program towards these costs. The rebate is paid directly to the school upon completion of the excursion has been taken into account when calculating the camp charge to families.

Return to index
Monday 27 May saw 32 of our fittest and finest braving the wilds of Pine Rivers Park at Strathpine in the District Cross Country Championship. All participants ran wonderfully well, giving no less than their very best efforts as they scooted around the 2 and 3km courses.

The fantastic efforts of our team resulted in a series of unprecedented results. In the four team categories contested, POP finished first in the Boys Percentage category, third in the girls, second in the overall percentage category, and equal third in the overall aggregate category.

Immense congratulations go to all runners, but particularly to our district champion Mattias Forbes-Schutz (1st place 2004 born boys), Heidi Noon (2nd place 2005 born girls), Tyla Proctor (3rd place 2003 born girls), Riley Peterson (4th place 2005 born boys), Jonas Forbes Schutz (8th place 2005 born boys) and Sam Peterson (10th place 2005 born boys).

In addition, our full team consisted of:
Jett Cargill, Finlay Tkaczyk, Callum Finney, Maya Pingel, Ella Bunn, Charlotte Roche, Lara Wadham, Holly Dixon, Jack Christmas, Joel Lynch, Blaize Steele, Gabe Kassiou, Ethan Hicks, Madeline Finney, Charlie Howard van Beek, Ellie Hastings, Ella Torrens, Claudia Tully, Josie Swift, Kobie Hocking, Daniel Jackson-Hope, Oscar Bojcic, Trent Millard, Reilly Kenyon, Jakob Quarrell, Tyla Proctor, Elkira Steele, Kate Parry and Anya Wadham.

I have final places and times for top 10 finishers if any of those are required by family or friends.

**Junior Cross Country**
The Prep, Year 1 and Year 2 cross country carnival will be held on Friday 15 May (Week 4) on the school oval. All parents and friends are most welcome to come along to support and cheer along our youngest athletes in what is the highlight of the year for many. Year 2 start the day from 8.55 - 9.35 and then Year 1 (9.25 - 10.05) and Prep’s follow from 9.55 till 10.30.

**Gala Days**
Friday sees the first Gala day for Years 4-6. Our fantastic students will be applying themselves to kicking, throwing, passing, running, defending, attacking, dodging and dunking their way around many of the surrounding sporting fields. Please feel free to come along to support and encourage our children – details of times and venues available from bwooding@princeofpeace.qld.edu.au.

Also please note the Wet weather contingency number – 0427118205, should Friday bring inclement weather. The message will be updated shortly after 7.30am should you be in any doubt about the day and will also be made on our Facebook page.

**Auskick Lunchtime Visit**
On Tuesday 5 May the NAB AFL Auskick team will be coming to school to showcase their program. All children from Year 1 to 4 are welcome to participate in the games and activities which will be on the oval at lunchtime. I also understand there will be a special guest visitor offering ‘high paws’ and some give-aways.

**Prep Blue’s Reflections on POP’s Anzac Day Ceremony**
**Question:** How did you feel during the ANZAC Ceremony?

**Answers:**

**Proud**
- They (the soldiers) were saving us
- Because I got to sing the National Anthem
- Because the Army people won something important
- The soldier was standing very still and he didn’t move or talk
- I saw the big cross and it means that he (Jesus) died on a cross and the soldiers died for us.
- Because they were doing very well and they didn’t have anything to eat

**Sad**
- Because so many people in the Army died
- Because the soldier was praying for the dying people
- Because the soldiers didn’t come back to their Mummy’s

**Happy**
- Because of the cross up the back. Jesus died for us too
- Because the big girls were singing
- Because the poppies were so pretty
- The singing made me happy
- When we sang the National Anthem
- Because the soldiers did very well
The Winter Fete is fast approaching, with only 94 days until the big day. Term 2 is very busy for the fete. What you can expect this term includes:

- **Competitions** – Colouring In, Book marks, Photo competitions will all be starting over the next few weeks;
- **Rosters** – Once stalls are finalised, we’ll begin trialling our new online scheduling tool to fill class stall rosters;
- **Donations** – Second hand clothes children’s and adults; toys, books and other stuff (not electrical items) will be called in June;

Sponsors and donations - Calls for sponsorships, donations and support of all kinds.

But before any of that can really get into full swing, we need to finalise our fete team. For the fete to be a success, we rely on the help and support of our community to co-ordinate and organise the stalls for the fete. This year, we are fortunate to have some amazing people already on the team, but we are still looking for people to organise and support some of our more popular stalls for this year.

To ensure we have the best chance for all stalls to succeed, I need to finalise our stalls list by the end of **Week 3, Friday 8 May**. I am currently looking for organisers, whether an individual or a team, to manage the following areas:

- **Auctions**
- **Trash n Treasure**
- **Site Co-Ordination** (Someone to assist myself with managing the setup/packup of the grounds)
- **Fete Co-ordinator support** (someone who can be available to do the tasks at the school eg. photocopying, equipment from storeroom etc)

In addition to these areas, I’m looking for people to assist with the **food court, cakes, sweets and plants**. Our amazing convenors would like a couple of people to assist so the work can be shared.

Like all great events, they only come together due to the work of many people, our school fete is the same. We are currently running very short on hands to deliver what has always been a highlight of the school year. This event is our major fundraiser for the year with money going to improving the facilities for our kids eg. new lockers, the covered walkway between the Prep buildings, the Redcat sound support system being used throughout the school. These things are as a result of the fundraising from the fete.

If you are a green thumb, our Plant Stall is now calling for donation requests. Pots and potting mix are available to those wanting to help. Please let me know if you are interested and I will arrange for pots and mix to be available for collection.

Please consider providing a helping hand, or putting together a team to run a stall. It would be terrible if some of our popular stalls can’t run this year.

Please contact Cath at [popfete@hotmail.com](mailto:popfete@hotmail.com) if you can help in any way.

Cath Watson  Fete Coordinator

**Mother’s Day Stall 2015**

This year the Prince of Peace Auxiliary’s Mother’s Day Stall will be held:

- Prep – Year 6 Junior Campus on Wednesday 6 May
- Lunchtime only Thursday 7 May for those who were absent 6 May
- Senior Campus Friday 8 May.

There will be a broad range of gifts for students to choose from ranging in price from $2.00 to $10.00, with most being approx. $6.00-$7.00.

If you have any questions regarding the stall, or are available to help serve our junior customers for an hour or two, please do not hesitate to contact the Gift Stall Coordinator Jo on ph: 0409 751450.
Every day is Remembrance Day for Christians

John 15:13 'Greater love has no one than this, than he lays down his life for his friends'

Throughout the world this weekend, Australians and New Zealanders stopped to remember the military men and women who fought, and especially those who sacrificed their lives, for our countries in war. With the 100th Anniversary of the battle of Gallipoli this year, the numbers who turned out to mark this occasion were greater than ever and the extra special events, media focus and extended television programming have captured our attention for longer than just ANZAC Day. But even so, for most of us, remembering these sacrifices is a once or twice a year event at best. For others whose lives have been more personally affected, who have fought themselves or who have lost loved ones, the remembering happens 365 days of the year.

Less than a month ago, on Good Friday, shops and businesses were closed to commemorate another great sacrifice of just one man, Jesus of Nazareth. People throughout the world stopped to not only remember the death and suffering of Jesus, but shortly thereafter, his triumph over death. For those of us who have accepted Jesus as our saviour, we are aware that his death and resurrection have personally affected us, not only in this life but for all eternity, and the remembering of this cannot be contained to one day or one weekend of the year.

Lest I forget Gethsemane,
Lest I forget Thine agony;
Lest I forget Thy love for me,
Lead me to Calvary.

Margaret Muller Chaplain

**Are you a parent of a child with type 1 diabetes?**
Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study. Contact Amy Mitchell on (07) 3346 1202 or email diabetes.healthyliving@uq.edu.au, or visit https://exp.psy.uq.edu.au/t1diabetes for more information.
