Footloose Congratulations to the cast and crew of Footloose. All of the students, parents, staff, church members and friends who attended where amazed at the talent on show. The musical talent of each of the performers - from the leads to the chorus line, was first rate. Each of the students took their role and made it their own. The production was seamless that had you laughing, clapping along or crying. Thank you to everyone who supported the production. It was truly a community effort with staff, parents, and past students contributing to the show. Special thanks to Mr Zac Von Hoff, Miss Cassandra Croucher and Mrs Elizabeth Edwards for facilitating this opportunity.

QLD Surf & Rescue Last Thursday morning the Junior Campus had a very special visit from the Queensland Surf Lifesaving and Rescue Helicopter. The Helicopter and Crew were cheered on by some very excited Prep-Year 6 students (and teachers) and made a very accurate and safe landing on the Helipad. The crew and I were very impressed with our student’s questions which included the obligatory shark questions along with an enquiry about the revolutions per minute of the rotor blades (from a Year 3 female student!) This was a wonderful opportunity for our students to learn and be reminded of some very important sun smart and water smart safety points, as well as an opportunity to thank the Surf Life Savers for all they do in and around our beaches. Special thanks must also go to Mrs Takken who spent a great deal of time arranging this visit.

Happy Mother’s Day We would like to send a special mother’s day message to all the mothers and grandmothers of our community. We hope that you were all spoiled on Sunday and feel appreciated for all your efforts. Special thanks must go to Jo Willmott and her team of helpers for organising and running an outstanding Mother’s Day stall on the Junior and Senior Campus. I know there were some very excited mum’s on Sunday morning as they unwrapped their presents. Thank you!!

NAPLAN continues We are proud of the way our students have approached their NAPLAN assessments this week. Only one day to go! We want to thank our teachers for their dedication to the role and send special thanks to all of the student’s previous teachers for their efforts. Education is a lifelong endeavour!

Education Sunday Please join with the College community as we celebrate Education Sunday at Prince of Peace Church on 31 May at the 9am service. This is a wonderful opportunity for our College and Church communities to worship together.

Michelle Nisbet and Katrina Valencia Co-Acting Heads of College
Junior Campus Classroom and Parking Update

I would like to start by thanking all staff, students and families for their support during the past week and a bit as we have worked our way through several important meetings. During the past week we have met with civil engineers, water planners, insurers, assessors and estimators. At this stage we are waiting on some final plug testing to occur on the Prep car park to assess the depth of the issue under the surface and to gauge if, and when, we can reopen the car park in the interim while we await further details on a more substantial solution. We will need to continue with the hard court ring road and drop and go zone for the immediate future.

We are waiting for the final insurance assessment on the Year 4 classrooms as well. This will give us a clearer picture on the scope of cleaning and work to be carried out. I do suspect that the need to keep our Year 4 classes out of these rooms will continue for a longer period. I am currently looking into other temporary options for our Year 4/5 multi-age class so if possible they do not have to continue to smell the delicious staff lunches upon their return from play time. I will keep you all posted as the time moves forward and details become clearer.

Katrina Valencia  Head of Campus P-6

ALWS Nepal Fundraising events

With the recent tragic earthquakes in Nepal ALWS (Australian Lutheran World Services) are fundraising to support the communities and efforts to help over there. We would love to support this in the following two ways:

1. **Sausage Sizzle Tuesday**  19 May – Senior Campus students will be coming over to provide a sausage sizzle for lunch for Junior Campus students. Students who would like to support this and purchase a sausage in bread are to bring $2 to the 1-2 Undercroft at lunch break.

2. **State of Origin Team Colours Day**  Wednesday 27 May – This is an opportunity to bring a gold coin donation and to show your support to a team of your choice by wearing either predominantly blue or maroon.

**National Sorry Day Ceremony** – Tuesday 26 May 7.00am Teralba Park

Please know you are more than welcome to attend this ceremony. It lasts for about an hour and consists of several elements, including an Acknowledgement of Country, prayer, reading of the plaque wording and of the words of the Apology to the Stolen Generations spoken by the former Prime Minister Kevin Rudd; music played by Indigenous musicians, a choral contribution, personal stories of members of the Stolen Generations, the laying of flowers at the plaque site, and a closing song. A free sausage sizzle in the park follows the ceremony.

**Netball Skills Training** – Beginning Wednesday 20 May (Week 5)

To coincide with Gala Day, Susan Hird will be running netball skills training at lunchtime on Wednesdays. The sessions will include basic ball handling, defence & attacking skills, shooting & game strategies. At this stage it is open to Year 4,5 & 6. Even if you aren't playing netball for Gala Day you can still attend. Sessions will start Wednesday 20 May (Week 5). Please come to the hard court straight after the eating bell. If you aren't in sports uniform on Wednesdays, please bring sandals to change into. If you need any further info, contact Susan at shird@princeofpeace.qld.edu.au

**Year 6 HPE Opportunity – Game On**

GAME ON is Australian Rugby Union’s new national schools program that aligns with national school curriculum. GAME ON promotes fair play, diversity, inclusivity and a healthy lifestyle.

GAME ON is the introduction to the skills required to play traditional formats of rugby, or to VIVA 7s, which is the new community based, modified, non-tackling version of the Olympic sport, Rugby Sevens.

Year 6 students will be taking part in a one lesson a week for 5 weeks to undergo this program. It will be an excellent avenue for development and healthy activity. Year 6 students will be required to wear their sports uniforms for these days. These lessons begin next Thursday (Week 5). For more information please contact Chris Mills cmills@princeofpeace.qld.edu.au. We thank the ARU and Rookies to Reds for providing this exciting opportunity for our students.

Chris Mills  Head of Pastoral Care and Well Being

**DATE CLAIMER: Wednesday 20 May** - STAR Reading Program Information afternoon 1.30 or 7pm in the Resource Centre

**Prep-Y2 Cross Country Friday 15 May** — A Coffee Van will be on site and the Auxiliary will be running a morning tea stall for parent spectators.
Last week, we saw the culmination of growth and commitment of the 48 cast and crew of Footloose. To the students who have toiled long and hard in preparing for the production, we thank you for your generosity of spirit and commitment.

Putting together a musical provides the opportunity for collective growth as the team toil towards a common goal and experience a sense of genuine camaraderie. So many students shone and embraced their characters and made them their own.

We offer our particular thanks to the leadership of Mr Zac Von Hoff, Ms Cassandra Croucher and Mrs Elizabeth Edwards. It is a huge commitment, and we thank you for your investment in our students and the College. Thank you to the parents and staff who have supported this project. Thank you to the Music Supporters Group. Thank You! Thank you to our past students who worked back stage.

Thanks to all the members of our community who came along to support the students. It was a delight to see the cast of High School Musical who have graduated come along to support their peers.

As a community we are blessed by talented students and staff. Anyone who was at Footloose over the weekend can testify the range of talent. students and staff involved. We are so proud.

QCS Community Representatives
To maintain the accountability, security and proper conduct of the 2015 QCS Test, the Queensland Curriculum and Assessment Authority (QCAA) invites applications from community members for the positions of chief community representative and community representative.

This year the test will be held on Tuesday 1 September and Wednesday 2 September. Applications close on Friday 22 May 2015. If you are interested in applying please contact Melissa Churchill for an application form.

Managing Your Child’s Online Behaviour
Many of the behaviours and issues we experience online, are no different to those we experience in the ‘real’ world. It is important that we are clear with our online expectation, as we are with any behaviour. One way to ensure that behaviour online matches family values is by creating a family internet safety contract. An example of a family internet safety contract can be found at the following link: http://thinkuknow.org.au/site/sites/thinkuknow.org.au.site/files/family_internet_safety_contract.pdf

Social networking describes a variety of services like Facebook, YouTube, Instagram, Moshi Monsters, Snapchat, Minecraft and many others. All of these services enable direct interaction between individuals. Users can post information about themselves, display photos, tell people what they’ve been up to, chat and play games.

Ways to Manage your Child’s Social Networking:
• Stay involved in your child’s use of new technology.
• Set up your own account and learn about privacy settings so you can understand how you can best protect your child.
• Check the age restrictions for the social networking service or game.
• Advise children to set their accounts to private so that only people they want to see it can view their information.
• Encourage children to think before they put anything online.
• Information posted online can be difficult or impossible to remove.
• An inappropriate image posted today can have a long term impact on their digital reputation.
• Discuss with your child what material they can and can’t share
• Have a designated day of the week where you agree that you will check their browser history and check their online activity

Office 365
All students have access to Office 365 account using their student email account. The benefit of Office 365 is the potential for collaboration among students and teachers. Office 365 includes outlook, Word, Excel, Powerpoint, One Note and other social media features.

We have observed a high level of engagement, as student create content and enjoy a collaborative learning environment. Office 365 provides the opportunity for seamless learning as students can access their content anywhere and anytime.
Performance Congratulations

Congratulations to the choirs and recorder ensemble for their performance at the Albany Creek Uniting Church Fete last Saturday. You presented a lovely program and I received many favourable comments from the audience and organisers.

Instrumental

The first Music Room Concert will be held next Monday **18 May** starting at 6:00pm. Any students learning an instrument or voice are invited to attend this concert. This is an opportunity for students to show what they have learnt so far this year. Permission slips have been emailed or sent home. If your child would like to perform, please email Mrs Cudney.

Choir, Recorder, Percussion, Band & String Ensembles

End of Semester Ensembles concert on Thursday **4 June**. In the Chapel starting at 6:30pm. A note should have been received by email regarding this performance. Please send the permission slip back to Mrs Cudney as soon as possible.

Sherree Cudney  Junior Campus Music

Cassandra Croucher  Senior Campus Music

**Senior Campus Open Morning**

Please join us for one of our Open Mornings, participate in a student-led tour and meet our:

- Head of Campus - Ms Michelle Nisbet,
- Deputy Head of Campus – Mrs Libby Farmer,
- Teachers, and
- Students.

**When:** Wednesday 27 May 8:30am – 10:30am

**Venue:** Senior Campus, 25 Henderson Road, Everton Hills. Please come in to Reception.

**RSVP:** Please register by contacting: Donna Cook, Marketing and Enrolments Officer

Email: dcook@princeofpeace.qld.edu.au  Online: www.princeofpeace.qld.edu.au

Phone: (07) 3872 5710  Places are limited.

**UNIFORM SHOP**

The **Uniform Shop** is open Tuesdays and Thursdays 8.00am – 10.00am, 2.00pm to 4.00pm, and Wednesdays 8.00am – 1.00am.

Large Sizing: If your child needs large sizing please contact me. I will be placing our back to school order by the end of this month (May) so please confirm your requirements to ensure we have sufficient stock for 2016.

Junior: **Now available** – All winter stock: Track Jackets, Pants, Pullovers, Girls tights – all sizes.

Senior: **Now available** – All winter stock: Track Jackets, Pants, Pullovers, Senior Blazers - all sizes. **Out of Stock** - Sport Shorts Size XL delayed – I will confirm when they arrive. White ankle socks Size 8-11 and Pullovers Size 24 and 26 due end May.

Second Hand: Thanks to the generous families who have donated uniforms for sale in the shop. Customers please come in to see what have available on our back wall – all second hand stock at 1/3 new price. Thanks also to those who have advised me of their Blog sales so I can keep this site up to date for customers.

Wendy McMahon  Uniform Shop Convenor

Junior Rep Sport

Inter School Sport

Gala day sport kicked off last week with an amazing array of opportunities for our Year 4-6’s. Huge thanks goes out to all the staff, parents and children who not only made the day possible, but also such a success.

**Basketball**  Both our girls and boys teams had a wonderful first outing with outstanding team play resulting in 5 wins from 6 games. The boys performed amazingly with two comprehensive victories while the girls showed great composure and poise in recording 3 wins from 4 games. All players performed very well, however special mention goes to Phoebe T, Charli B and Elkira S for the girls and to Kobie H, Harrison J and Cooper B for the boys. Daniel JH was an especially great support to the coaches and both girls and boys teams throughout the day.

**Senior Boys Soccer**  A fantastic opening day saw our senior boys sweep all before them - four games, four emphatic wins and a level of teamwork and cooperation that was inspiring. Combined, our two teams scored 24 goals and conceded just 7. Amongst the dozens of fine displays of attacking soccer, Ethan Chilton scored one of the goals of the year taking possession of the ball on the half way line, before dribbling past 6 or 7 defenders and finally planting the ball in the back of the net. Sasha Mee, Eren Kocer and Trent Millard also chipped in with great combinations going forward and multiple goals. At the other end of the field our defenders worked tirelessly to deny the opposition scoring opportunities with Jonte Leonard, Mattias Forbes-Schutz, Austin Haines and our goal keepers Jordan Edwards, Kieron Mueller and Reilly Kenyon outstanding.

**Junior AFL**  The POP Junior AFL team got off to an awesome season opening Gala Day. As the Tigers Fan Club would say, "We ate em alive!" A great effort was given by all players and it was encouraging to see the older, more experienced players show their leadership skills, demonstrating devastating skills and helping to keep the team structured through each game. Well done boys and girls on a fantastic effort.

**Senior Girls Soccer**  The first gala day for the Year 6 girls started strong with 2 straight up wins to nil. The girls all played well as a team and were passing the ball, calling to each other and providing positive feedback consistently. Of special note was the 3 minute mark goal by Kaitlin Vidler in our 2nd game, and 4 goals by Ella Lane in the same game. Our defenders and goal keepers need particular mention as with their strong defence throughout our competitors didn’t get many chances at scoring. It was also great to see the girls supporting the Year 4/5 girls during their breaks.

**Hockey**  It was beautiful day for hockey on Friday. The Hockey Development team officers skillfully lead the students through hockey skills and drills during the morning session in the lead up to some games in the afternoon. POP students lead with sportsmanship and determination to do well. The Senior team fought hard and showed improved skills despite two loses. POP White and POP Blue tackled well and by the end of the afternoon showed some strong passing when moving the ball. Congratulations to Ethan, Blaize, Joshua, Jesse, Nait, Patrick, Molly, and Eleanor or some amazing plays.

**Volleyball**  This year Prince of Peace had three mixed volleyball teams that competed in our first gala day on the grounds of Eatons Hill State School. There were nineteen children from Years 4, 5 & 6 that played a total of fifteen games, and were exceptional by winning twelve of them! Their supportive team spirit throughout the day was matched with their serving, digging, blocking & even diving skills. The standout players for their skills and leadership were Trinity, Jack, Sam and most improved was Oscar. We look forward to the next round of gala days, as this will reinforce the basic skills learnt and open opportunities for more advanced moves such as overarm serving & spiking.

**Netball**  What a great day for playing netball! The sun was shining & so were the girls. The Junior B team had never played in a netball competition before yet displayed some really promising skills. The Senior B team had a couple of wins & started to gel as a team by the end of the day. All the girls showed great sportsmanship. They did themselves & our school proud. Thank you ladies. Bring on next Gala Day!
Senior Rep Sport

Congratulations to Ethan Hicks, Blaize Steele, Oliver King who along with some of their Everton Park Rooster Rugby Union team mates have been invited to participate in a skills training session with the St George Qld Reds players.

Cross Country Mattias and Jonas Forbes Schutz represented Prince of Peace in the QA All Schools Cross Country Championships at Kedron High School on Saturday. It was a huge, daunting event and the boys were very anxious. Jonas ran the 2km course and came 19th out of 77 boys in the race. Mattias ran the 3km course and came 10th out of the 81 boys who ran.

Tennis Ethan Takac, has been selected to represent Brisbane North District at the Metropolitan North Regional Tennis Trials on Tuesday 10 June. Congratulations Ethan!

Brad Wooding Junior Campus HPE Teacher

On Monday 4 May, a team of 60 POP Senior Campus students across Years 7-12, travelled to Teralba Park to represent the college at the North West District Secondary Schools Cross Country Championships.

Congratulations to Stephanie Bleckwehl who claimed the 14 years girls age champion medal with victory in her event against the very best cross country runners from all schools within the North West District. This makes it two consecutive victories for Stephanie at this event.

Well done also to Emily Pingel, Darina Bishop & Morgan Gaffney who were both awarded Top 3 placings. All POP runners competed with great enthusiasm and established high expectations for themselves prior to their event, and followed through accordingly. Congratulations!

Inter-school sport is at the business end of the season for all students in Year 7-9 on the Senior Campus, with conference and district finals occurring this week and next. Currently, POP teams in Touch Football, Basketball, Netball & Volleyball are competing in the Southern Conference against other schools within the North West District with the aim of gaining the highest possible placing at the conclusion of their regular season rounds. All teams are then ranked and drawn to play other schools within the district who are currently competing in the Northern Conference. Conference finals matches are then played to see which team is crowned North West District Champions. Well done to Year 8 Girls Volleyball, Year 9 Girls Volleyball & Year 9 Boys Basketball who have all placed in the Top 2 teams of their conference. We look forward to seeing all teams in action in the coming days and wish all players the very best of luck.

Congratulations to Year 10 student Riley Stent on gaining selection in the Metropolitan North 15yrs boys football (soccer) team. Whilst competing for the North West District team at the Regional Championships, Riley was selected as the goalkeeper for the team who will compete in the State Championships at Tivoli Sporting Complex in July. Well done Riley and also to POP Senior Campus staff member Mr Grant Nibbs for coaching the district team.

Well done to the POP Senior Campus Junior Boys Basketball team that made their debut on Monday in the Brisbane Outer Schools Basketball League. The team enjoyed a comprehensive victory against Northside Christian College 46-24 at South Pine Sporting Complex. The boys are now already looking ahead to their Round 2 match next Monday against Southern Cross Christian College.

Remember, the Running Club is still on every Tuesday morning on the Junior Campus and every Wednesday afternoon at the Senior Campus. With Cross Country season coming to an end, the focus will switch to track & field events with an eye on our inter-house and district carnivals coming up late this term and early next term. Please contact student reception for more info if required.

UPCOMING DISTRICT SPORT TRIALS

- Monday 11 May: 12yrs & under boys touch football
- Thursday 7 May: 15yrs & under boys basketball
- Monday 18 May: 12 & 19yrs boys/girls Golf
- Wednesday 20 May: 18yrs boys baseball

Grant Carlson 7-12 Sport Coordinator
WINTER FETE 1 AUGUST

Welcome to the Fete Team - Amanda Hall, Melissa Sutton, Lydia Thiesfield, Paula Redford-Bell, Kate Robson, Mary-Ann Litchfield, Anita Webster.

And of course welcome back to our amazing remaining team from last year: Nicole Lange, Sue Noon, Jenell Molkentin, Crystal Brindley, Alison Everitt, Jacqui Greaves, Margy Jackson, Debbie Gibbings, Belinda Chilton, Carleen Hoar and Scott Hall.

These amazing people have put themselves forward to help with creating an amazing fete for everyone this year - so a huge thank you.

Even with this amazing team, I’m still looking for additional helpers: Convenors for the Sweet Stall and Silent Auction Helpers for the Food Court, Sweet Stall, Cake Stall, Plants - generally anywhere.

I’m also looking for someone who can help me with doing stuff on the Junior Campus eg. Photo-copying, picking up donations, sorting donations and other fun things.

Do you have a green thumb?? Our plant stall relies on the support from the Prince of Peace community and is calling for anyone interested in potting up plants for sale on the day. We have pots and potting mix available. If you can help, let me know and we’ll have everything ready for you.

Crafters - Get your crafting fingers ready as our craft stall is always on the look out for donations to sell on the day. If you want to add to the amazing craft stall, let me know what you’re creating and how many, and we can arrange collection and storage ready for the big day.

Competitions - Competitions will be starting over the next couple of weeks. Prep - Year 3 will have a Colouring Competition and Years 4 - 6 will have a Bookmark Competition. Senior Campus Photo Comp will start in the last weeks of term 2 and carry over into first week Term 3.

Thanks to everyone for your support and contact me at popfete@hotmail.com if you can assist in any way.

Cath Watson Fete Coordinator

Butterfly or Chameleon?

Last week, students considered the butterfly as the inspirational object. What is special about butterflies?

A chameleon changes its colour to blend in. A caterpillar struggles with and wrestles to break out of the Chrysalis. A chameleon seems cute. A butterfly experiences a total transformation; progressing from a leaf eating bug to a beautiful butterfly that can fly!

Do you try to blend in? Or do you desire to fly?

For me, I would rather fly than blend in. To blend in is about being like everyone else; having no personality, not being unique. To fly is about being all that I can be and escaping the constraints of being stuck on a bush or tree.

God designed us to fly – and fly free!

But how do we do that?

Romans 12 puts it simply...

Don’t copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God’s will for you, which is good and pleasing and perfect. Romans 12:2 (NLT)

In other words, we begin to be who it is that we were born to be. A caterpillar was not born to remain a caterpillar. It is born to fly.

Of course a caterpillar only becomes a butterfly if it is prepared to wrestle with the cocoon that it is in, and breaks free to fly.

Pastor David Schmidt

The 2014/15 Prince of Peace BUSINESS DIRECTORY can now be accessed ON-LINE via our College Website in a new full colour format with direct links to websites and emails. We have not printed any copies this year so please note its location under the ‘Our Community’ tab.

Please support businesses that support our College.

POSITION VACANT

Casual Bus Driver Required

Expressions of interest are invited for the role of casual bus driver. This may involve driving before and after school runs as well as occasional driving throughout the day for excursions, camps etc. Heavy vehicle or commercial driving experience preferred. Please contact Tim Grandy, Business Manager tgrandy@princeofpeace.qld.edu.au if you are interested in this role.

CHURCH NEWS

THOUGHT OF THE WEEK

“The trouble with being in the rat race is that even if you win, you are still a rat.” (Lily Tomlin)

WORSHIP THIS SUNDAY 17 MAY

9am and 6pm Remix

Message: “Deepening your relationships...” #2 ...by removing your masks

CHURCH NOTICES:

• Christian Life Week: 29 June-3 July. Book into Coolum Sunrise Lodge - See Pastor David for a discount code.

• 139 CLUB Current needs are baked beans, long life milk and cream, jam, vegemite, relish, sugar, flour both plain and SR . See link for a volunteer position for a Care-taker. This position attracts accommodation, utilities and a meal from the kitchen each day, http://volunteer.com.au/Opportunity/Details/63313

**Unused Mobile Phones**
The Year 10 Science classes are moving into their next unit which looks at the recyclable content of a mobile phone. As part of the engage phase of the unit we run dissections of mobile phones.

If you have any phones that you no longer have a use for we would love to have them. After they have been dissected we recycle the remains using the Planet Ark association.

Could you please leave any donations at either Reception. Thank you.

KIDS LOVE DRAMA - PARENTS LOVE THE RESULTS!
Our unique drama system develops confidence and communication skills in children and teenagers.
Dynamic and structured, our programme covers speech, movement, creative drama and language development with all students participating in an end-of-year production.
Our acclaimed drama programme is implemented by dynamic teachers who work enthusiastically to bring out the very best in your child.

Affordable Fees! No Hidden Costs!
Lower Primary (5–8), Upper Primary (9–12) and Youth Theatre (12–18).
Helen O’Grady Drama Academy
Principal Margaret Treuel B.A., Dip. Ed.
