Growth through Challenge

Grandparent’s Day
2015 has presented some challenges to the Prince of Peace community, which has resulted in the College community having to stretch and grow. We thank you for your patience as we have dealt with the aftermath of the flooding. We appreciate your understanding as we made alternative arrangements due to the Prep car park closure. (The carpark is now open) The insurance assessor’s have made the judgements, and we just wait for the completed scope of works to allow repairs to proceed.

Due to the fact that three classes are currently in temporary environments, we have made the decision to postpone Grandparent’s Day until Friday 18 September. We apologise that this may potentially cause inconvenience, but have deemed that it is not in the best interests of our community to go ahead with the original date (19 June). Any families, who have booked flights in order to attend Grandparents Day, please let the Acting Heads of College know and we will make special arrangements to accommodate their visit.

Website
As you may remember from our Easter holiday letter, we were hoping for an early Term 2 launch of the website, but unfortunately due to some issues with our web developer we have been unable to meet that deadline. A change in web developer has enabled the College to move the project forward, and we hope to be in a position to launch in the coming weeks.

Outdoor Education
Our first group of Year 9 students will head off to Mt Binga next Monday. This is an opportunity for these students to embrace growth through challenge, and to learn the meaning of living in community. We wish them God’s richest blessings.

Powerful Partnerships

P & F Survey
We would like to thank all the parents who completed the P&F survey last week. We were very pleased with the number of responses (over 150). The survey results will be used to shape future decision making. The Parents and Friends Association plays a vital role in our community, and we are grateful for all their efforts.

Education Sunday
This Sunday at 9.00am at Prince of Peace Church, the College community will join together with the church community to celebrate our partnership. All families are invited to join the service.

Michelle Nisbet and Katrina Valencia Co-Acting Heads of College
Reporting Semester 1

Moving on from the Early Engagement Summary in March, the Semester 1 report should be arriving home during the first week of the coming holidays. The report aims to identify how your child is travelling against the Australian Achievement Standard at this point in the year, as well as their work habits and pastoral care elements. We hope to communicate their growth over the semester as well as share aspects we plan to nurture over Semester 2.

The rating scale has changed dramatically since we were at school. Please remember that ‘C’ identifies that your child is travelling well in terms of meeting the Year Level requirements. Ratings of B and A indicate they are working above and well above year level expectations. If your child receives a ‘D’ which may seem very low, please be reassured that it means that this area needs particular focus in the upcoming semester and that there is still plenty of time to reach the Achievement Standard for their year level by the end of the year.

If you are interested in talking with your teacher I want to extend a welcome invitation to contact your teacher at any point over the semester to clarify how they are doing or discuss our plans for their support.

National Sorry Day

Students, staff and parents attended the National Sorry Day dawn ceremony at Teralba Park yesterday. This special occasion was in conjunction with the Teralba Park Stolen Generation Support Group. For all involved this was a powerful and moving time of recognising the events of the past, paying respects and uniting in a focus of healing and strength for the future.

State of Origin – Free Dress Day for Nepal

The atmosphere is ‘a buzz’, with supporting colours and anticipation of the outcome of the game to a genuine want to aid the efforts of the earthquake affect communities in Nepal. We thank you so much for your support of this need and the efforts you have all gone to in making this a fun day for everyone as well.

Things I enjoyed on Camp
I really enjoyed the Flying Fox at camp because I have a big fear of flying foxes and when I went on it, it was so much fun! I also enjoyed Mini Raft Making. You got to build a mini raft, put Lego Duplo blocks on them and test the rafts on the water without the blocks falling off. The most fun part about that was testing them on the water! You would also be surprised, the food was really good! I can’t wait for my next school camp!

National Simultaneous Storytime – 27 May

Our Kindy, Prep, Year 1, Year 2 and Year 3 students will be participating in the National Simultaneous Storytime (during their library sessions this week). Aaron Blabey’s “The Brothers Quibble” has been chosen as this year’s NSS book. For more information and for activities relating to the book for your child to enjoy, visit the website: https://www.alia.org.au/nss

Happy Reading!!
Lachlan McLean, Year 12 student was one of 70 Premier’s Anzac Prize 2015 winners who attended the Anzac Day centenary event in Gallipoli and toured the Western Front. As Lachlan shared his experience with the community last week, it was evident that he had an experience of a lifetime.

He shared that the memorials visited, painted a picture, as did the stories of the battle, and the stories of individual soldiers of the brutality of war. He gained a perspective of the ‘Great War’, which demonstrated the enormity of the events 100 years ago.

Lachlan researched the stories of service people from Gallipoli and the Western Front to broaden his understanding of the Anzac tradition. He also took a small stone from the worship walk to place on a grave in Gallipoli.

On his return, Lachlan had the additional honour of responding to the Premier’s address on behalf of the group of students. We congratulate Lachlan on this great honour, and thank him for providing his fellow students with some insight into his experience.

**Semester Exams**

The End of semester assessment schedule for Year 11 and 12 students runs from the 12 June to the 18 June. Year 11 and 12 students are to be on Campus for their exams/assessments/workshops. At other times students are expected to be at home studying or preparing. If students wish to stay on campus, supervision is provided in the library.

Students who are staying at school are not permitted to go off campus and return to campus. If students are not going directly home after an exam, they need to change out of their College uniform before leaving Campus. Students must not congregate within the local community during school hours and should only be seen travelling to and from school during these times.

Students are not to leave campus in other students’ vehicles, as this is in breach of the College Driving Policy. If arrangements are made between parents for transport to be provided by a fellow student then a note needs to be provided to student reception by the parent of the driver and parent of the passenger giving permission for this to occur. The note needs to clearly detail the exact date on which this arrangement is in place.

Any outstanding assessment will result in students forfeiting this privilege and they will be expected to attend school for the duration of the exam block.

Students are required to sign in and out at front reception each day to ensure that we can meet our statutory requirements to account for student movements.

Students must arrive punctually for each exam session, they need to be in the exam room for the whole session of the exam and follow instructions during the exam. The exams are scheduled to finish at the end of the session.

Students on campus for any reason during the exam block must be in full school uniform.

Examinations are conducted under strictly enforced guidelines.

1. Speaking or communication of any kind with another student is strictly forbidden during an examination. Silence must be maintained immediately upon entering an examination room and until students have left the room at the conclusion of the session.
   - students studying in an examination room must observe this rule.
   - to communicate with the supervisor, a student should raise his/her hand and wait for the supervisor.

2. Mobile phones must not be brought to an examination.

3. Ensure that you comply with any directions given by all supervisors.

4. Students must not have unauthorised written, printed or electronic material with them in the examination room. No pupil may have information relating to exam content on themselves, or equipment. Books, study notes must be left at the front of the room before commencing the exam.

5. Students are to come prepared for the exam with all the required materials in a CLEAR container. No borrowing of equipment will be allowed.
Medical certification will be required for any student who is unable to sit their scheduled examinations.

Students with VET Traineeships or Study are required to give priority to any scheduled Block Exams. Students are requested to contact the TAFE or workplace directly to advise of any school-based exams.

Sustaining Rainforests
Senior Geography students have just been up to Mary Cairncross Rainforest at Maleny to investigate the most biologically diverse land ecosystem or biome – the rainforest. The students were given a tour of the rainforest by one of the reserve volunteers who took the time to explain the characteristics of the rainforest, identify species, highlight various adaptations, as well as discuss the natural and human impacts on the environment. What was most surprising this year was to see that most of the leaf litter normally found on the forest floor had been washed away by the recent Friday storm that dropped over 200 mm in a couple of hours of intense rain. Some students were surprised by how cool it was under the canopy and could hardly wait to get back out into the sunshine again!

Performance Congratulations

Congratulations to the instrumental and vocal students who performed at the first Music Room Concert for the year last Monday night. 26 students, some performing in public for the first time, shared their love of music making with a packed music room full of proud parents, grandparents and siblings.

Senior Concert Band
Thank you to the Concert Band from the Senior Campus who came to assembly last week and shared their musical talents. We appreciate taking the time from your busy schedules to inspire the Junior Campus musicians. Thank you to Mr Thompson, Ms Croucher & Ms Harvey for making this happen.

Choir, Recorder, Percussion, Band & String Ensembles
End of Semester Ensembles concert on Thursday 4 June. In the Chapel starting at 6:30pm. A note should have been received by email regarding this performance. Please send the permission slip back to Mrs Cudney as soon as possible.

Black Belt in Recorder Karate
Congratulations to Jaydon Krieger and Olivia Cantarella who have become the first students to achieve “Black Belt” in Recorder Karate.

Instrumental lessons
Please encourage your child to remember equipment such as books, instrument and / or drumsticks each week for lessons. It is unfair to the tutors to provide a lesson without the correct equipment. It is also important that tuition fees are paid in a timely manner. For most tutors, this is their primary income and I personally feel it’s inappropriate to expect lessons to continue if fees are not paid on time.

**Basketball**

Another great gala day at basketball. Both the boys and girls teams won all their games. Elkira S nailed her free throws and supported all other players fantastically. The girls only had 1 sub so played well with very little rest.

The boys continued to excel and by the last game were moving the ball so expertly that even the not so experienced team members were getting opportunities to carry and shoot, Special mention to Fletcher D who sank his first bucket in the big time and celebrated fittingly.

There were no organised refs so Cooper B, Harry J and Daniel J-H all participated as refs and did so well that the organiser has invited them to continue to blow the whistle at the next gala day as well.

**Mixed Hockey**

Another great day of playing and sportsmanship from the POP hockey stars. It was so pleasing to see the improvement in our passing and tackling skills. The senior team scored their first goals and had a win this week and both junior teams scored goals through some sensational teamwork. The following players showed determination, defence, improvement and encouragement of others and need to be commended for their play: Alexander S, Alex B, Molly, Jodie, Neave, Declen, Harrison V and Patrick.

**Mixed Volleyball**

Our second Gala day commenced with great prospects, however we were introduced to an interesting challenge.....wind! Our three teams were hugely adaptive along with great enthusiasm and wonderful team spirit. In the Seniors, Trinity Leach (aka Ducky) demonstrated great leadership and encouragement, along with Laura (aka Potato) and Olivia (aka Bikky) being the most consistent servers. However, it was Jack Christmas (aka Capsicum) was the overall best player from the Seniors with his great digging including diving for the ball, loud calling, enthusiasm and shining of team spirit displayed throughout the day.

The Juniors skills are definitely improving and the wind was fabulous in asking them to 'step up' to the challenge. Both teams endeavored in winning points from their serves, and were supported with speed and agility from Sam Petersen and great digging from Zak Holz. The stand outs from the day from the Juniors were Tayla Red-Bell and Heidi Noon for their efforts in trying their very best and offering so much enthusiasm.

**Mixed AFL**

Last Friday the Prince of Peace AFL team continued in their courageous pursuit for victory and were able to pull off 2 convincing wins and 1 loss against some strong competition. It was encouraging to see the older, more experienced players take on leadership roles during the matches by rearranging player positions and leading by example with their skills. Special mention goes to David Willmott and Isaac Kyle-Little. Well done to all players for going in hard at the ball and for their good sportsmanship throughout each match. Let’s keep it up as we work towards our third Gala Day.

**Senior Girls Soccer**

With chilling winds, lots of energy and great big smiles the girls had a wonderful gala day. The teamwork displayed was what stood out and helped them achieve three wins out of three games. Tries were scored by Tyla, Olivia, Claudia and Ella L. Keep up the good work, keep encouraging each other and above all have fun.

**Senior Boys Soccer**

A mixed bag of performances from the Year 5 and 6 boys teams, resulting in 3 wins and 3 losses for the day. Some terrific performances in every outing with crisp passing interchanges, astute link up play, great tracking and hassling and excellent defensive support play meant we were a match for any opposition. However as the quality and organisation of the opposition increased, small lapses, tiredness and some misfortune gave openings that they were good enough to capitalise upon. At the end of the day, our 'B' team remained undefeated (5 wins from 5 games), while the 'A' team sit on 2 wins and 3 losses from their 5 games.

Ethan C and Gerald F were tireless at both ends of the field, Daniel H and Eric R both poised and creative with the ball, Harrison M and Jackson T staunch and reliable in defense, Matthew B and Jackson F supportive and lively going forward, while at the very back Keiron M and Oscar B were outstanding as they threw themselves around to defended our goals with their hands, feet, arms, heads and bodies.

The Junior Soccer team (right) also had some great games.
Lunchtime Fitness Challenge

Our Term 2 Inter-house Fitness Challenge is under-way with Bradman winning the first event, the Super Sized Cone Relay. Laver came in 2nd, Jackson 3rd and Fraser 4th. This week, we turn to Push Ups with 3 variations on the theme to be held Tuesday, Wednesday and Thursday lunchtimes. Any and everyone (including staff and parents) can turn up on Tuesday and Wednesday lunchtime to add to your houses’ score; Thursday will be by special invitation from house captains.

Qualifying for Athletics Events

As advised in a letter home, qualification for selected athletics events has begun this week. Long jump is our first focus with a number of students already assured of their place in the ribbon final with an 'A' qualification jump. The Ribbon Final field of (maximum) 12 will be made up of the 'A' qualifiers with the balance coming from the 'B' and 'C' qualifiers who are ranked in order until all places are filled. The remaining jumpers go on to contest the Point Final where they have the opportunity to earn house points in the hope of inspiring their team to victory.

Brad Wooding Junior Campus HPE Teacher

CONGRATULATIONS: Ethan Chilton (6W) and Trent Millard (6R) competed as part of the U11/12 North District soccer team last Tuesday and Wednesday at Pine Hills. Their team won four out of four matches, scoring a combined 13 goals and only conceding two. Their team were declared District Champions and then Trent went on to be selected to play in the Met North Regional soccer team to compete in the Regional’s on July 25. Ethan will get his shot at the team next year when he’s U12. Good luck to Trent and the team.

Prep - Year 12 Skate Night.
Saturday 13 June  4:30pm to 6:30pm.

Cost is $10 entry (non-skating parents free) and $5 skate hire.
There will be a DJ, music, disco lights, games and prizes.
The Snack Bar will be open.

WEEKLY DEVOTION

Through the eyes of a child

No child understands the logic of going to bed while there’s energy left in the body! I remember when our daughter, Andrea, was just five. We finally got her to bed. I went in to give her a final kiss, when she lifted her eyelids and said, “I can’t wait until I wake up!” Oh for the attitude of a five-year-old!

Is it any wonder Jesus said we must have the heart of a child before we can enter the kingdom of heaven? He said, “Believe me, unless you change your whole outlook and become like little children you will never enter the kingdom of heaven (Matthew 18:3).” In other words, quit looking at life like an adult. See it through the eyes of a child.

“I can’t wait to wake up,” are the words of a child’s faith. Andrea could say them because she plays hard, laughs much, and leaves the worries to her father. Let’s do the same.

Welcome aboard all our new fete team members. We’re very close now to having all roles filled. Still looking for an Auction Co-ordinator and our core team is full. We are also looking for additional helpers for all the stalls. I am also seeking someone who is able to do some minor things at the Junior Campus to assist with the planning for the fete.

We’ll be holding the next Fete meeting Sunday 31 May, 1pm - 3pm in the Chapel foyer. If you would like to come along to provide suggestions and ideas, or put your hand up to help any of our amazing stall convenors, we’d love to see you.

Competitions - competition season is about to start. Here is what’s happening when:

- **Colouring competition** - Open to Kindy - Y3. Will be run over Weeks 9 & 10 with entries closing last day of term Friday 26 June. $1 entry.
- **Bookmark competition** - Open to Year 4-6. Will be run over Weeks 7 & 8 (forms home this week) with entries closing Friday 12 June. $1 entry.
- **Photo competition** - Open to Year 7-12. Will be run over Weeks 10 to Term 3 Week 1 with entries closing Friday 10 July. $1 entry.

Other Term 2 events:

- **Donation Challenge** - This is a collection of items that will be used to cook all the goodies for sale in the cakes and sweets stall. This will be run Week 9 with information for all classes sent out prior.
- **2nd Hand Items donations** - Will start taking donations from next week. All donations to be left in the garage of the manse (the house at the front of the school) or reception at the Senior Campus. Donations will be accepted through to the end of Term 2. Donations of clean, unbroken toys, books, clothes and trash’n’treasure items will be accepted. NO ELECTRICAL items please. Please be aware that the Manse is currently being used as a Y4 classroom, so you can not use the parking area in front and children may be moving around the area. Small bags of items may be left at reception.

Sponsorship and Donations

Do you own a business that is interested in sponsoring a stall, the stage or fireworks on the big day? Or perhaps able to provide a donation item or service for the auction?

If are interested in sponsorship details or would like to make a donation, please contact Cath popfete@hotmail.com for more information.
LLL Banking

Interest will be added to all LLL savings accounts on 31 May. Please send passbooks in to the school office so that they can be forwarded to LLL in Adelaide for updating. Interest will be able to be viewed via LLL@Home after this date. Any queries please see Jane Carroll or Bronwyn Jacobs in the Business Office.

Casual Bus Driver Required

Expressions of interest are invited for the role of casual bus driver. This may involve driving before and after school runs as well as occasional driving throughout the day for excursions, camps etc. Heavy vehicle or commercial driving experience preferred. Please contact Tim Grandy, Business Manager tgrandy@princeofpeace.qld.edu.au if you are interested in this role.

**Opportunity for Students to Experience Another Culture, Make New Friends and Improve Their Language Studies at Home**

In late June - early July we will be receiving exchange students from South America, Europe, Japan, and the USA. Our new arrivals will live with a host family and attend a local school for 3, 5 or 10 months. As we plan for their arrival, we are keen to hear from suitable families who might be interested to host a student.

Our international exchange students from France, Germany, Italy, Spain, Switzerland, Sweden, Norway, Denmark, and Finland will live as a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange.

Visit us at www.scce.com.au, email scceaustralis@scce.com.au or call us toll free on 1800 560 501. Request our international student profiles, and capture the spirit of family and friendship!
