I would just like to start with an extreme thank you to all the people who were involved in the Winter Fete, that being students, parents, teachers and supporters of our college. It was a wonderful event and is a real credit to the strong community spirit that is alive and well at POP. It was a great celebration to see our students being given the opportunity to showcase their skills on the stage, starting with the Junior Choir and working our way up through the school to finish with the closing act of the staff.

I just want to extend a huge thank you to Cath Watson and her team for all that they did to make the event such a great success. I congratulate our students who served on the stalls with such distinction and I hope you all had a wonderful time. If your family is anything like mine they are already looking forward to the next one.

God's blessings to all of our families.

Mr Philip Hulland Head of College

The Grand Unveiling!

It is with much delight that I report that the Year 4 and German classrooms are almost completed ready for reopening! During the next few days the final touches will be completed, including cleaning, furniture reinstallation and early next week, the ICT fit out. We are truly excited about what changes we have been able to make during this renovation and are grateful for the flexibility of both Advanced Building and Lend Lease with whom we have been working. Of greatest significance has been the installation of new wall coverings which adds both colour and impact while serving the practical purpose of sound proofing and providing floor to ceiling display space. Keep your eye out in future editions for photos of the final fit out. Sincere thanks must go to the Year 4 students and parents who have supported us through this extended journey. It is with gratitude that I also thank our classroom teachers, Mrs Kass Sweetman, Mrs Diana Clapham, Mrs Melita Haines, Mr Michael Watt, Mrs Elise Gibson and Ms Verda McMahon for their flexibility and patience.

PoP welcomes Literacy Professor and Students from Concordia University, Chicago

Yesterday the Junior Campus was delighted to host Dara Soljaga, Ph.D., Associate Professor and Director of the Centre for Literacy at the College of Graduate and Innovative Programs, Concordia University, Chicago. Associate Professor Soljaga has visited Australia for the past 4 years with students completing their Masters studies in Literacy. During these visits Professor Soljaga has cultivated a partnership with Lutheran Education Queensland and its schools. During 2012 and 2013 I was honoured to partner with Professor Soljaga and was delighted to be able to host her and her study group here at Prince of Peace in 2015.

During their visit at PoP the students were keenly interested in the Literacy practices of our College from Kindergarten to Year 12. They spent significant time visiting our classrooms and were quite simply amazed by what they saw. Professor Soljaga reflected "I just can't wait to get back to those Year 1 rooms, I have goosebumps just thinking about the reading I heard. That is the quality we would expect to see in our Grade 3 classes." It is often when we invite and welcome people from other places, or step outside our own backyard that we realise how truly blessed we are with our staff, programs and students. Congratulation's PoP for shining so brightly!

Katrina Valencia Head of Campus P-6

A Point of Distinction

New South Wales University's ICAS tests (International Competitions and Assessments for Schools) released their *Science and Digital Technology* results. We were thrilled to see a large number of students who regularly enjoy academic success stand alongside other students who were new to these awards. 12 Distinctions and 17 Credits were awarded to Prince of Peace Junior Campus students; in just these 2 areas. Well done to each of these students and to those who participated or won merit awards.

Vicki Wiseman Leader of Pedagogy and Innovation

Pastoral Care

Sioban Laffey has been formally introduced in previous newsletters, yet I wanted to make specific mention for our Junior Campus families. Sioban has recently joined our Pastoral Care team and is available to be seen here on campus. She comes with a wealth of experience and genuine enthusiasm in wanting to help others.

Sioban can **help you with...**

Providing support for the whole family.

Supporting children and teens through struggles such as:

- Anxiety
- Depression
- Stress
- Separation/Divorce
- Life transitions

Sioban can also support parents and adults through all of the above issues.

How do you book a session and what does it cost? Sessions can be conducted onsite at Prince of Peace during school hours or in her private practice in Redcliffe.

Sioban has generously reduced her normal fee from \$185/hour to \$150/hour for Prince of Peace families. Medicare rebates are available - \$106.55 for sessions onsite at Prince of Peace, and \$84.80 for sessions in her practice at Redcliffe. Thus, your out of pocket expense will be either \$43.45 or \$65.20 depending on the location of session. Private health fund rebates may also be available instead of Medicare rebates.

If you feel this is an avenue you would like to pursue for your child onsite, please contact Chris Mills on ph 3872 5705 or email cmills@princeofpeace.qld.edu.au to discuss how together we can support you and your family. Or if you would like to contact Sioban directly her number is 0415 257 155.

FETE 2015

I will like to acknowledge and thank all the Senior Campus students, staff and parents who contributed to the successful Winter Fete. The day was glorious in every way. Its success was only possible by the generosity of the members of our community in terms of time, expertise, and talent. What a delight to see the talent of our senior students showcased on the stage and in the photo competition. Thanks to all those who contributed.

Academic Awards

We would like to acknowledge the following students who were omitted from the Academic Awards list for Semester 1 2015.

Year 10 Academic Honours

William Ebbott

Samuel King

Rachel Nibbs

Year 12 Academic Excellence

Susanna McClintock

Voices from Afar

Is a new exhibition at the State Library which shares the experience of this year's recipients of the Premier's Anzac Prize. Our own Lachlan McLean was one of twelve students chosen to document his experience retracing the steps of our diggers in April.

This exhibition is part of Distant Lines: Queensland voices of the First World War, exploring the unique Queensland experience of the war — before, during, and after. The exhibition is open now, from 10am – 5pm daily at SLQ Gallery, Level 2, State Library. The exhibition is free, and no bookings are required.

Subject Selection Date Claimers

During Term 3, students and parents will start to engage in the subject selection process. Important dates to pop in diaries include:

19 August – Year 9 into 10 2016 Subject Selection

25 August – Year 10 into 11 2016 Subject Selection

Michelle Nisbet Head of Campus 7-12

Year 10 ALWS

On Wednesday 22 July an ALWS representative came to talk to Year 10 about Asylum Seekers and Refugees, and the hardships they go through to get to a safe camp. A simulation activity of camp registration, and a morning tea of porridge and lunch of rice helped us empathise with the refugees. We heard real stories about real refugees and why they left their country, and the horrific circumstances they faced. We were taught that when refugees get to a refugee camp, it could have taken months for them to reach it, and even when they get to the camp, not everything is good and they still face harsh conditions. For the refugees to seek peace and leave everything behind is so sad. The day was very educational and heartbreaking.

SENIOR CAMPUS CONTINUED

100+ High Tea.

On Tuesday the 28th July, I had the privilege of joining the Brisbane 100 plus club for high tea in the city. This event, which has been going now for 22 years, occurs once a year and is when the Lord Mayor invites all the people from Brisbane who are more than 100 years old for morning tea. There were seven 100 year olds at the high tea and I was privileged enough to be one of the six Lord Mayor Youth Council representatives who was asked to attend the event.

I felt truly honored. I was fortunate enough to sit at a table with Dorothea who was 103 years old. It was so fascinating to be able to hear her stories... stories of where she grew up, of her recollection of living through and in the aftermath of two world wars, of technological changes unimaginable, of friends she shared her life with and friends she lost. It made me so ever so grateful for all that I have now, and the lifestyle we have today.

Being a Lord Mayor Youth Council representative for Prince of Peace has afforded me many privileges and unique experiences, but of all the things I have been part of through this experience this year, my morning tea with Dorothea was truly the most touching. I am not sure if I want to live to 103 years old, but if I did, I could only hope to be half as content with my life as she was.

Each year one Year 10, student is selected, by application to represent Prince of Peace at the Lord Mayor's Youth Advisory Council. Kirralee Fisher is the representative for 2015 and Laura Wilton for 2014. Both students have served with various organisations, gained a new awareness of issues faced by local government as they support our young people.

UNIFORM SHOP

Reminder: Junior Track Pants can be worn any day but they must be worn with full sport uniform – they are not to be worn with the formal uniform.

Junior: Pullovers Size 8 and 10 – Now due early October. Size 10 Pullovers are available on the blog in the meanwhile. Sorry for the inconvenience.

Senior: Now Available – Pullovers Size 12, 24 and 26. Navy Tights – Mids, Talls and Large.

Senior Formal Wear: Parents are most welcome to advertise second hand Formal Wear (male and female) on the POP blog: popbuy.blogspot.com.au

Second Hand: We appreciate the families who have contributed second hand uniforms in the past fortnight – customers please come in and check our stock on the back wall of the shop. All items are 1/3 new price. Blog sellers please advise of your sales so that you do not receive unnecessary interruptions and buyers have the most up to date listing. Thank you.

SPORTS SCORE

Yr 4-6 District Athletics

An amazing couple of days brought a host of brilliant performances from our athletes. District champions, podium places, top 10's and personal bests became the regular results as our students ran, threw and jumped their way into the record books.

As a team, POP won the C division aggregate trophy for the second year running; finished 2nd in the Overall Percentage Competition and had the 3rd most individuals make the North District team with 11 representatives.

Mattias Forbes-Schutz (800m), Yubo Hahn (800m), Daniel Jackson-Hope (High Jump) and Tyla Proctor (100m, 200m, Long Jump, High Jump, Shot and the Multi Event) were all crowned district champions in their respective events. In addition, Sophie Allen (100m), Charli Burke (Shot), Mitchell Gardiner (Discus), Reilly Kenyon (High Jump), Jaydon Krieger (Shot), Jakob Quarrell (100m), Tyla Proctor (800m) and Lara Wadham (Discus) all finished in the top 4 of their events and were selected to participate at the Regional Athletics Championships, to be held at UQ on the 25th and the 26th of August.

Congratulations and good luck to all of our wonderful representatives.

Inter House Soccer

After 2 complete rounds, Jackson and Bradman lead the way in the Inter-house soccer competition, closely followed by Fraser and Laver. However, Jackson and Bradman square off on Tuesday this week (Laver and Fraser on Thursday) meaning any of the four houses can still make the Grand Final positions.

Due to the holiday and pupil free day next week, the Plate Final (3rd v 4th) will be played this week, on Friday while the Grand Final (1st v 2nd) will be held on Tuesday next week.

House captains and vice captains are to be congratulated for their wonderful efforts in both rounding up and coordinating their teams so well. Good luck to all.

Regional Soccer

Our Met North Representative, Trent Millard faced 4 long but brilliant days at the State Soccer Championships. Met North finished 4th out of 12 teams with the coach saying the boys were an absolute credit to themselves and showed great sportsmanship.

Although Trent didn't make the final 14 in the Qld team, he has been invited to continue training with a development squad in preparation for a further selection trial to be held in September. He is very excited about this prospect and we wish him great success.

Brad Wooding Junior Campus HPE Teacher

Congratulations

Lucinda Peterson (Year 7) competed in the Australasian Dance Association awards on the Gold Coast at the end of July and won 2nd place in Bronze tap and 2nd place in Bronze jazz. Well done Lucinda!

SPORTS SCORE CONTINUED

Congratulations to our POP boys basketball squad who have competed this season in the Junior Boys Division of the Brisbane Outer Schools Basketball League at Boondall Sporting Complex. The team finished just outside of the Top 4 in 5th place out of 10 teams which is a fantastic effort for their first season in this competition. The team consisted of the following players:

Aayush Singh, Alex Roe, Connor Speare, Cooper Bailey, Harrison Jones, Jake Strachan, Joel Reader, Ryan Corbin, Tyler Bailey, William Rattray

During the course of the season, the boys enjoyed victories against Northside Christian College, The Lakes College, Grace Lutheran, Northpine CC and North Lakes State College. They were very capably coached by Ms Janet Shepherd and are already looking forward to future opportunities this year and in the years to come. Thanks also to Game Clothing who provided the boys' brand new uniforms.

The new season of District interschool sport has begun for all students in Year 7/8/9 every Wednesday and Thursday afternoon between 1:30pm and 2:30pm. Year 7 & Year 8 teams include boys soccer & sevens rugby, with girls teams consisting of girls touch football and netball. Last week our soccer teams played against Kelvin Grove State College at Mitchelton Soccer Grounds with our Year 7 teams narrowly losing 1-2 and the Year 8 team enjoying a 2-1 victory. Year 9 students are involved in girls netball & volleyball, with boys playing basketball and soccer. Matches continue for all Year 7/8 teams on August 19th and Year 9 on the 20th August. Best of luck to all POP teams!

Following on from the success of Netball on gala days, Prince of Peace Junior Campus would like to enter a team or two into the Queensland Catholic Netball Association's Junior Competition.

The season runs for 10 weeks with no games during the holidays. The season commences on Tuesday 1st September and runs to mid-November. Game times will be 5.30, 6.30 or 7.30 depending on the nominations.

Costs are approx. \$100 if already registered with Netball Qld (ie played winter comp) or \$175.00 if not registered. There will also be an expectation that the girls are available for a weekly training session.

The Senior Campus is also submitting teams for the Wednesday night comp. Our plan for netball at POP is that girls will have the opportunity to develop their skills on the Junior campus, then when they move to the Senior Campus they are ready to compete at inter school level or even aspire to be selected to be a part of our Development Team.

Please contact Susan Hird at shird@princeofpeace.qld.edu.au if your child is interested in playing. Nominations are required by Friday 7th August. Payment will be required to finalise nomination.

Grant Carlson 7-12 Sport Coordinator

WINTER FETE 1 AUGUST

Wow, what a day Saturday was!!!!

The weather was magnificent, the school looked fantastic, the entertainment was spectacular and everyone seemed to have a great day.

A huge thank you to everyone who had any part in making the day great.

Special thanks do have to go to:

All of the stall convenors – your hard work and love for the school were all clear and on display. You really did make the day

- Tim Grieger and his band of merry men – each and every member of this “behind the scenes” team went above and beyond and made the job of creating our fete so much easier
- Carleen, Belinda, Jenell and Nicole – we supported, lifted and pushed each other to get to the goal. You ladies rock
- The admin and finance teams – you managed to keep things rolling along when I couldn’t physically get in to the school, I thank you so much for everything you’ve done
- my loving family – who tolerated my craziness to create a fete our school can be proud of

Last but not least a massive thank you to everyone who came and supported the day. On behalf of the P and F, we thank you for supporting the fete, our major fundraiser for the year.

Photo competition winners:

First – Connor Speare, Jeremy Paterson, Jeremy Caitens

Highly Commended:

1. Connor Speare; 2. Caitlyn Austin; 3. Jeremy Paterson

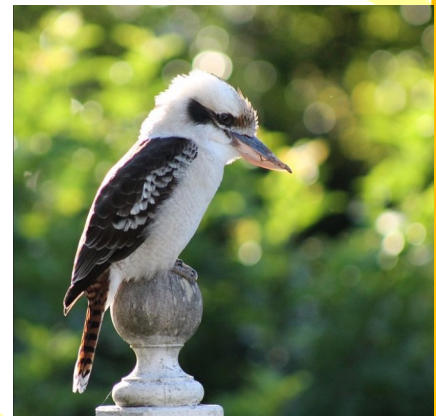

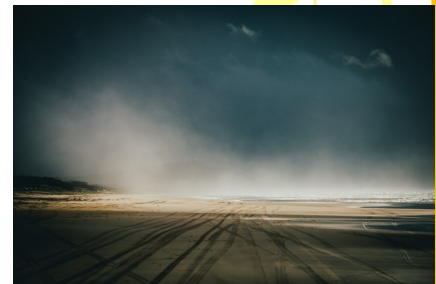

People’s choice award

Connor Speare

Encouragement Award:

Toby Bunt

DEVOTION

Technology for dinner!

Do you ever feel as though mealtimes are no longer about food and family, but are about something else? Recently, someone shared with me the following Youtube link... titled Dolmio Pepper Hacker. Click on the link to watch it <https://youtu.be/HUgv5MDF0cQ>. Published by Dolmio Australia, the write up reads "Technology has hijacked family dinnertime. So to help bring families together for dinner, Dolmio created the Pepper Hacker. It cracks pepper, shuts down TVs, wipes out WiFi and disables mobile devices. Watch our experiment reclaim family dinnertime."

To be honest, I want one. I like what the Pepper Hacker created. But to be really honest... I want to deal with everyone else's devices, but not my own.

Funny, isn't it! We can see a problem. Even identify a solution. But, often, as a parent, we don't necessarily want our children to do what we do... just do what we say!

The fact is... children learn from what they observe. They notice how we talk about others. They notice our behaviour as we drive the car; what symbol or comment we make when someone steals our carpark. They notice how we show love to our partner. And they notice how we express our faith, and how we talk about others in the faith... and throughout it all, our children are making choices that will affect their future.

In the ancient text, the wise man writes... "Start children off on the way they should go, and even when they are old they will not turn from it." Proverbs 22:6, NLT.

Modelling others is important! Mostly, it is how we learn.

That's why the apostle Paul encouraged the followers of Jesus to imitate Christ... it is how we outwardly live the gospel, that matters. It makes you think.

Pastor David Schmidt

CHURCH NEWS

THOUGHT OF THE WEEK

"When we let God's grace permeate our lives to the extent that it shapes who we are, whose we are, and how we relate to those around us, grace itself becomes the rock that positively shapes all of our relationships."
