As Term 3 comes to a close, I reflect upon what has been an incredibly busy term. The Senior Secondary students have been busy with their exams as they start to think about life after school. As part of the QCS testing period, the Year 12 students met at our outside chapel space and prepared for the 2 days of testing. Understandably during this stressful time our students experienced nerves and worry about their future, being nervous is understandable but worry is the real enemy. I find worry to be a very unhelpful emotion, it can often be like a rocking chair as it is always in motion but you are never getting anywhere. In Luke 12:25, Jesus said “Who of you by worrying can add a single hour to his life”.

As our students enter into Term 4, there will be many academic challenges and that is inevitably going to cause our students to worry. But during these times I ask students to have the courage to trust in themselves, trust in your preparation and your own God-given abilities. As we journey through life there are things that do not go the way we would like or even expect, but we must have the courage to continue on and as Aristotle said “You will never do anything in this world without courage”.

We are all part of something bigger and we must have faith in the fact that God has a plan for us all that is filled with optimism and joy. Jeremiah 29:11 states “For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.”

I wish you all a safe, restful school holiday period and I look forward to seeing you next term, refreshed and ready for the new challenges the term will bring. I leave you with one of my favourite quotes from Winston Churchill

“Success is not final, failure is not fatal: it is the courage to continue that counts”.

Mr Philip Hulland Head of College
Grandparents Day - 2015
This Friday the staff and students of Prince of Peace Lutheran College welcome their Grandparents to our Junior and Senior Campuses. We look forward to treating our Grandparents to a wonderful Musical Concert in the Chapel followed by some opportunities to visit the students, their grandchildren in the classrooms. The Concert will begin at 8:40am and will feature the Junior and Senior Choirs, Recorder Ensemble, Honours Choir and our Prep students. Morning Tea will be available from 10:15am both in the Year ½ Undercover Area and in the Prep Area.

As this is a very special day on our school calendar we ask that all students wear their formal school uniform on this day in recognition of the special visitors we will be welcoming. There will be no Interschool Sport Practice this Friday afternoon due to Grandparents Day and Closing Chapel.

Closing Chapel
All parents and carers are invited to join us as we finish Term 3 with Closing Worship. Chapel will begin at 2:00pm.

Swimming – Term 4
All students from Years 1-6 will be participating in block swimming lessons starting in Week 2, Term 4. Please refer to the email sent on behalf of the College this morning.

Year 3 Camp
Last Thursday and Friday saw our first overnight and off-campus Year 3 camp, and what a great success it was! We all ventured off to the YMCA Camp North Pine, located within the historical village of Old Petrie Town on the North Pine River. Our students tried their hands at new and exciting activities like, damper-making in the traditional bake-house, initiative team-building games and exploring schooling and life in the early last century of Australia. We were very proud of the resilience and willingness of our young students as they spent the night away from home with their peers. Much a gleeful giggle could be heard as the lights went out!

Enormous thanks must go to the following groups of people: our Year 3 teachers and support staff for all of their work in planning this adventure and their love of our students; also the amazing parents that came and worked tirelessly and with great enthusiasm to ensure we all had a great couple of days and the staff of YMCA Camp North Pine. Special thanks must go to Mrs Jenell Molkentin who quietly works behind the scenes of all of our camps to ensure our students have a wonderful time.

Allergy Awareness
Within our community, there is an increasing trend for children to have severe and often life threatening reactions, otherwise known as anaphylaxis or anaphylactic shock, to a number of allergens. The most common of these tend to involve foods containing peanuts, nuts, eggs, dairy products or seafood. However, whilst these reactions have often resulted from ingestion of the food, there are more children now who can be affected by touching something that has had traces of the allergen left on it, or even simply by the smell of the food. This trend is also being witnessed at Prince of Peace where we currently have a number of students throughout the school requiring an Epi-pen, a supply of epinephrine (adrenaline), to be kept close at hand at all times in case an anaphylactic reaction occurs. Unfortunately, it is never known when an anaphylactic reaction will result. The same circumstances may create a mild reaction one day, but anaphylactic shock the next.

Continued over....
As a school community, we are concerned about the wellbeing and safety of all of our students, so we are bringing this to your attention and request that careful consideration be given to the food you might pack each day for morning tea and lunch.

What we ask is that all parents please have a conversation with their child about the following items:

- Not sharing their food with their friends at school
- How to carefully dispose of rubbish
- Hygiene matters – such as washing our hands carefully after eating
- Good behaviours when eating such as not throwing or flicking our foods around, or leaving them on the ground

We thank you for your support and understanding of this decision as we seek to make Prince of Peace a safe place for all.

Prep-Year Two Athletics Carnival
Last Friday saw our annual Prep-Year 2 Athletics Carnival. Organised and hosted by Mr Brad Wooding, our students participated in a wonderful day of friendly competition, including high jump, throwing activities and of course our pinnacle event the sprints. We would like to extend a very warm thank you to Mr Wooding for his organisation and efforts and to our Year 6 students and their teachers who assisted with the running of the day.

Important Information Relating to Class Placements for 2016
Most families across the school are aware of the cautious stance taken when inviting class placement requests from families. I have children of my own and understand how lovely it is for them to be placed with their —nearest and dearest friends, or a preferred teacher that their sibling may have had. I also realise how important it is for them to grow as individuals and not be reliant on others for their academic and social successes. I encourage all families, as we close the 2015 school year, to allow their children to grow spiritually, emotionally, academically, and socially as they transition to their new class. I strongly encourage parents to have faith in the judgments and insights that our staff have into individual students and their school persona. I have the highest regard for the insights that our teachers offer into the placement of students into the appropriate class for the following year. I also have the highest regard for the quality and competency of each of our teaching staff in their professional capacity as educators, and as such do not accept requests for individual teachers. As you can appreciate, staff movement is also inevitable, and therefore often such requests become redundant or once aligned with other parent requests, can cancel each other out.

All students have unique gifts and needs. There are a few instances where-by the College will seek input from particular families to ensure the most beneficial class placement for individual students. This will be occurring in the coming 3-4 weeks. If you believe there is an important consideration (that sits outside of friendship requests and teacher requests) that needs to be taken into account when placing your child for 2016, please submit this request in writing to the attention of Mrs Katrina Valencia. Such requests will be considered, however, understandably, no guarantees can be assured. Please ensure that these requests are submitted by Friday 16th October, 2015. Thank you for your assistance in ensuring the complex process of class placements for the 2016 school year is attended to in a most equitable, professional and integral manner.

Katrina Valencia Head of Campus P-6
Guiding Principles
As we approach the end of Term 3, we have much for which we can be grateful. There have been many examples of our guiding principles:

- Excellence through honour – the way our Year 12 students approached the QCS test and their final pieces of assessment, our students who have trialled at the Regional and District Athletics, our first Prince of Peace Senior Campus debating team, our students who have presented worship, our students who have demonstrated strength of character with their behaviour, attitude and effort.

- Learning with Purpose – our Year 9 Enterprise Education class who had a small business at Pop In, our Year 9 Ubuntu class who are learning to work as a team as they develop their drumming skills, our Year 7 students who have built gliders, our 11 students as they approached service learning.

- Growth through challenge – all our students who have made progress this term, our Year 8 students who are developing their circus skills in readiness for the Musical, our Year 10 students as they have grown as they have engaged with One Note or as they have considered their future subject choices, and our students who participated in 40hr Famine and raised $3000.

Home Economics
Over the holidays, our Home Economics facility will be started. The bulk of the work will be completed during the break. We are very excited about the commencement of this project, and look forward to checking out the progress in Term 4.

Australian Lutheran World Service Tour
Six Year 11 students (Hannah Yarnold, Laura Wilton, Jasmine McLeod, Jak Spiers, Nicholas Telfer and Jonathan Southward) and one staff member, Mr John Low head off to Cambodia as part of a Australian Lutheran World Service, Service Learning Tour. The Prince of Peace group will join together with students from other Lutheran Schools to work with communities in Kampong Chhnang and Aoral. This is the first time that Prince of Peace students have engaged in an international service project. The students have spent the last couple of months preparing for their visit. We wish them God’s richest blessings and safe travels.

Well done Riley
We wish Riley Stent all the best as he travels to Japan to represent Queensland as member of 15years Football team. This is a wonderful opportunity for Riley to demonstrate excellence through honour and growth through challenge.

Holiday Break
Thank you to our dedicated staff, for all their efforts this term. We wish them a well-deserved break. We affirm our students for the way they have approached the challenges of Term 3. You make us so proud. Thank you also to all our parents for their continued support. We look forward to Term 4 and all the opportunities for continued growth and development.

Michelle Nisbet Head of Campus 7-12
Dear Lord, Watch over our College community during the holiday break. Keep them safe in your watchful gaze. May the holidays be a time for relaxation and recharging. Bless our school community as we celebrate our holidays. We make this prayer through Jesus our guardian. Amen.

Ubuntu
As part of the Year 9 Ubuntu course the classes have an opportunity to visit local Aged Care Facilities. 9.1 visited Bellevue Care Centre and 9.2 visited Burnie Brae Respite Centre. The visits have given the students a chance to chat to the residents about their teenage years and get an idea of a lifestyle from the past which has aided them with their Lifestyle assignment. It also has given us an opportunity to play some games with them. The residents and students have really enjoyed playing games such as Uno, Jenga, Connect Four, Master Mind, Snakes and Ladders and Dominoes. On our next visit we plan to entertain the residents with some musical numbers.

Norman Russell Year 9 Coordinator

Senior Worship Band leads Junior Campus Chapel
Last Friday, some of the students from Years 7 -12 were able to help lead Worship at the Junior campus. The Senior Worship Band and a group of dancers introduced us to the new ‘Prince of Peace’ song. Later, the Chapel was filled with love as the Junior Campus students enjoyed keeping balloons afloat throughout the song, ‘Testify to Love.’

Spring High Tea / Cricket
What a lovely way to finish a busy week – a game of cricket and a sausage sizzle or at a High Tea with punch, an awesome variety of cakes and treats and fantastic coffee or a combination of both. This is what our some of our College families from Years 5 – 12 enjoyed last Friday afternoon on the Senior Campus. It was terrific to be able to take some time out of our busy lives and spend quality time together – even if some of the kids chose to spend it with each other!

Have a happy and safe break – see you in Term 4.

Libby Farmer Head of Pastoral Care and Welfare (7-12)
JUNIOR CAMPUS

Junior Choir
Congratulations to the Junior Choir who performed so beautifully at “Sing 4 Joy” recently at Genesis Christian College.

Grandparents Day
The Choirs and Recorder ensemble will be presenting items at the beginning of Grandparents Day this Friday.

Instrumental lessons
There are a small number of vacancies on all instruments, especially piano. There are also a number of school instruments available for hire at very reduced rates. Please email me to obtain details. Please remember it is a courtesy to contact your child’s tutor if your child is away from school for any reason.

Sherree Cudney  Junior Campus Music  scudney@princeofpeace.qld.edu.au

New addition to the music department
The Junior Campus music department recently welcomed a new arrival in the shape of a beautiful, full-sized cello.

Josh McGill from 5F and his mother Jo approached Mrs Cudney after a choir event to ask if the music department would be interested in acquiring a cello. Josh’s mother Jo confirmed that the family wanted to donate the cello to Prince of Peace.

“Mum plays a lot of musical instruments, but she hasn’t had time to play the cello lately. She decided she would give it to the school so it would be played and maybe someone new would get the chance to give the cello a try,” said Josh.

Junior Campus Music Teacher Mrs Sherree Cudney said “This is an exciting addition for us, and one that opens up many possibilities about what we can do in the music department in the future.”

“On behalf of the music department and the Junior School, we would like to say a very big thank you to the McGill family,” said Mrs Cudney.

SENIOR CAMPUS

TERM 4 LESSONS AND ENSEMBLES  commence back Week 1 Term 4. Please check your emails over the school holidays for a timetable from your child’s tutor. If you are unsure of your lesson time for Week 1, please contact me ccroucher@princeofpeace.qld.edu.au.

TERM 4 CONCERT CALENDAR  is listed below. Please have these important dates in your diary and advise as soon as possible of any complications. ccroucher@princeofpeace.qld.edu.au

**JUNIOR CAMPUS**

**Interhouse Netball**
Laver are our inaugural netball champions as they stormed to victory in the grand final last week. A gallant Fraser outfit just couldn’t get the goals they needed to claim the crown. Bradman finished in third place after a very even tussle with Jackson in the plate final play off.

Overall, Fraser have a 2 point lead in the standings (15pts) over Laver (13). Jackson hold 3rd place presently (12pts) with Bradman a single point further back (11). With the final two events to be held in Term 4 (Enduro Chess and Handball), any house can still take the grand prize.

**P-2 Athletics Carnival**
Our youngest athletes took to the oval on Friday and covered themselves in glory. As they putted, sprinted, tugged and jumped their way around the oval they not only acquired a healthy glow and heavy legs, but stickers and/or ribbons as reward for the wonderful efforts they put in.

A huge thank you goes to all the parents who supported us so willingly, to the teachers and aides who marshalled their troops so well and to the fantastic Year 6 helpers who gave of their time to support, encourage and coordinate activities.

Well done and thank you to all.

**Interschool Sport**
Interschool sport begins the first Friday of next term with our cricket, touch, futsal, volleyball and gymnastics teams heading to various points to compete against other school teams from our district. Most teams will wear a specific school sports shirt which will be distributed in time for the first game.

All support and/or assistance most welcome, please contact Mr Wooding at bwooding@princeofpeace.qld.edu.au for more details.

**Junior Campus Netball**
The ‘PopStars’ began their competitive netball journey recently. They are competing in the Queensland Catholic Netball Association’s Junior competition playing at Downey Park. The students representing the college are: Anya, Madisyn, Lara R, Lara W, Charlotte, Tatjana, Jasmine, Elsie and Jodie. The first match was a tough one but they still had lots of fun. Thanks to our cheer squad led by Emma, Lincoln & Mitchyl.

**SENIOR CAMPUS**

**Senior PoP Netball team**
The Pop10 netball team comprising of Geremy, Riley, Olivia, Caitlin, Alexandra, Hannah, Eve, Hayley and Jessica are playing in the Queensland Catholic Netball Competition at Downey Park on Wednesday nights.

**Brad Wooding** Junior Campus HPE Teacher
**Hockey Award**

Congratulations to Taylen Houslip on receiving the Junior Boys President’s Trophy Award at the Kedron Wavell Services Hockey Club. Taylen has shown his support for the club on numerous occasions throughout the year including; assisting with coaching at the Hook in2 Hockey program; helping out the U7s Team with umpiring and coaching; and helping out at the Bunnings BBQ. Taylen has continued to show his enthusiasm and love of the sport throughout 2015 being a vital member of his team and has spent the year listening and improving his game. He also represented Brisbane this year at the State Championships. Taylen is seen as an important member of the Kedron Wavel Services Hocky Club and his enthusiasm and commitment should be celebrated.

**Grant Carlson** 7-12 Sport Coordinator

---

**Operation Christmas Child**

This year, Prince of Peace Lutheran College will again be supporting Samaritans Purse and their Operation Christmas Child appeal. It is hoped that 370,000 shoeboxes will be donated and then delivered to 9 countries this year. For many of these recipients, it will be the first gift that they have ever received! Click on the link to find out the specifics of what’s involved in packing a shoebox, and then maybe have a family chat and decide whether you’d like to be involved in this brilliant activity. Completed shoeboxes will be delivered to Samaritans Purse in October, so there is plenty of time to get involved. If you have any questions or suggestions, please email Vickie Stead at vstead@princeofpeace.qld.edu.au Thank you for being part of this powerful partnership!

---

**Woolworths Earn and Learn**

The Woolworths Earn & Learn program has now concluded. We ask that any remaining stickers you may have be taken to either campus reception. We will be collecting until the end of this week.

---

**UNIFORM SHOP**

**Size 8-11 Socks**: for weekend wear - discontinued Size 8-11 Royal Blue stripe school socks are selling at $2/pair.

**Fridge-to-Go lunch bags**: Keep your child’s lunches cool for 8 hours! The Lunch Bags include a full size chiller panel, come in 2 sizes, and 5 different colours. These lunch bags are great quality and last on average 3 to 4 years. Spare chiller panels are also available for convenience, so you can always have a cold one on hand.

**POP Umbrellas**: Golf size umbrellas, handy to keep in the car for rainy days, are available for $25.

**Second Hand Blog**: It is free to advertise your school items, dance and formal wear, sport and instrumental items on our blog www.popbuy.blogspot.com.au – link is on the Uniform page of the College website. Reminder to sellers to please advise me if your items have sold to avoid unnecessary interruptions to you, and inconvenience to buyers.

Wendy McMahon  Uniform Shop Convenor
Are you on the move?

As Prince of Peace is a K-12 school, enrolment at Prince of Peace from one year level to next happens automatically until your child graduates from Year 12. To assist us with our planning, and ensure you are not charged for Term 1, 2016 school fees, please let us know if your child is leaving the College at the end of the year by Tuesday 6th October 2015.

You can notify the College by sending a letter or email to:

Head of College, Phil Hulland via principal@princeofpeace.qld.edu.au
Senior Campus – Michelle Nisbet via mchurchill@princeofpeace.qld.edu.au
Junior Campus – Katrina Valencia via jmolkentin@princeofpeace.qld.edu.au
Enrolments – Donna Cook via dcook@princeofpeace.qld.edu.au

For enquiries, please contact Donna Cook on 3872 5710.

Is your brother or sister coming to POP next year?

Under our Sibling Policy, siblings of all current students are automatically accepted into the College. However, they do still need to be enrolled. If you haven’t enrolled your younger children for entry in 2016 or beyond, please contact Donna Cook, Marketing and Enrolments Manager, on 3872 5710 or via email on dcook@princeofpeace.qld.edu.au for an Application Form. You can also print it off from our website and send to Reception with your application fee of $110 for one child or $175 for two more.
"Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength...‘Love your neighbour as yourself.’ There is no commandment greater than these."

Mark 12:28-31

The news has been swamped with sobering images of desperate and destroyed human lives these past weeks. On the world stage we sit back and watch as millions of forcibly displaced people take extreme measures and even risk their lives in the hope of a safe and secure future. Closer to home the spotlight has been on the spate of lives lost and destroyed by acts of violence.

While the easy response is to sit back and watch the political game play out, perhaps call this leader or that a fool, or commend those who agree with our idea of how best to manage these situations, the inescapable fact of Christian living is that we have been called to a love in action. In a society where we often don’t even know the names of our closest physical neighbours, our mindset seems to be to retreat to the safety of our own homes and let someone else deal with it. And yet, with the increase in domestic violence and fractured families, it seems that for some of us of our homes are not that safe haven either.

What does love in action look like for you? Can you make a difference in your home today, in your community today, in the world today through what you choose to say and do? My prayer for today is that God’s people everywhere will be consumed by an awareness of God’s love and faithfulness to them and that this love may consequently spill over into action so that Christians everywhere will be known as those who use their lives to make a difference.

Margaret Muller Chaplain

THOUGHT OF THE WEEK

“When nobody around you seems to measure up, it’s time to change your yard stick.”

(Bill Lemley)

WORSHIP THIS SUNDAY 20 September

9am
Message: The Parables of Jesus “Seedy” (Matthew 13:1-32)

6pm Remix

CHURCH NOTICES:

**Are you a parent of a child with type 1 diabetes?**

Every day thousands of Australian children suffer the effects of type 1 diabetes, and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P - Positive Parenting Program, offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P free of charge as part of a University of Queensland research project. Contact Dr Amy Mitchell on (07) 3346 1202 or email diabetes.healthyliving@uq.edu.au or visit [https://exp.psy.uq.edu.au/t1diabetes](https://exp.psy.uq.edu.au/t1diabetes) for more information.
