Within Lutheran Schools we place an emphasis on the Lifelong Qualities for Learners, these qualities identify that we live in community that is always seeking to grow and develop. These qualities place an emphasis on ten core values that reflect some characteristics of God. The ten values are:

**Love, Hope, Humility, Justice, Courage, Compassion, Forgiveness, Quality, Service and Appreciation.**

As you take a look at these values, I wonder if any jump out at you, do any of these values seem more important than the others or if you had to pick one characteristic for your own children, which would it be. I have asked a number of people this question and no one has ever had the same answer as me, I choose Hope.

My true desire for all of our students is that they leave the college with hope for their future, that they look forward with expectation and confidence, sure in the knowledge that God has a plan for them. With this desire and optimism, I hope that their light burns bright and that they may go out into their community and be a light for others.

*Matthew 5:15-17* states that “Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”

Approaching the end of Term 3, we have one eye on the future as we plan for 2016. Subject selection evenings have taken place on Senior Campus, timetables are being produced and discussions have started about what will be our strategic goals for 2016. This is always an exciting time of year as we plan with hope and anticipation for what the future will bring, what our students will achieve and trust in the fact that we are part of a bigger picture.

I look forward to hearing which core value you choose.

In service

*Mr Philip Hulland* Head of College
Book Week Parade!

What an amazing week we had last week. With heaps of celebrating reading, activities and events, that resulted in a fabulous time, with a super crescendo in the book week parade! Special thanks to Mrs Meulen and Miss Burke for all of their efforts in making last week happen. A massive thanks also to all students, parents and staff for all their work in costumes to make last Thursday a day of great colour and 'literary' excitement! Here are some great shots of the parade,

Forgiveness

When we pause to contemplate the love of our Heavenly Father and the price He paid for the forgiveness of our wrong-doings, it draws to mind the areas where we may need to show the same grace, mercy and forgiveness to others. Our Values focus at the moment is on Forgiveness and students are encouraged to think about this concept and some are being recognised for their humility and strength in being someone that is quick to forgive. As the picture above states, forgiveness is releasing people from the debt they owe and thus resulting in the freedom for healing in both parties. Forgiveness is not cheap, it comes at a great cost and no one should belittle the effects that the harm has caused, but it is in the act and choice of forgiveness that positive futures are built. To watch our students do this daily in their innocence and without hesitation is both confronting and inspiring. I am forever grateful for the way God has shown me the same grace and love.

Chris Mills Head of Pastoral Care and Well Being
So Do Kids Still Learn Their Times Tables?
With calculators on hand and with mobile phones often in our back pocket, is it still important to know times tables?

Those of us who have known these by memory since our childhood would agree that there are definitely advantages knowing your times tables. The Australian Curriculum advocates for a proficiency called 'fluency' which is an overlearning/automaticity of mathematical concepts. I’ve been working with some students lately faced with an array (7 rows and 5 columns) of dots on the page. Some children chose to count each dot one by one; others who had this automaticity counted the rows and then the columns and called out ‘5 times 7 is 35’. I know in my house the ‘Sunday night chocolate’ (it’s a family ritual) draws on multiplication understanding as we engage in the delightful task of sharing out the chocolate pieces!

Despite the accessibility of a calculator of some form, mathematics often can't wait for the formal process of pulling out the phone and opening up an app. We also know that being ‘freed up’ with this knowledge means that solution finding is easier for our young mathematicians. Being freed up to notice a multistep or the complexity of a problem is a sure advantage.

The task of putting patterns to memory also helps expand the capability of the brain to study, process and store information. This process is itself lays good foundations for learning and storing a range of other valuable information. We see this early when children first learn the letters of their name. The process of seeing many letters, knowing how they are formed and then sequencing them together correctly to spell their name, is an amazing milestone many of us remember of our own children.

So what are 3 great tips for your child to remember their times tables?
http://theconversation.com/heres-how-to-get-kids-to-remember-times-tables-40471

1. Know why it’s important. The Sunday night chocolate helps in my family but there are many applications in your home and out in the world that you can point out to your child. Buying enough pizzas, cutting enough orange segments for sport; the list is endless.

2. Know each table individually not as a song lyric. Tables to music are fun and help the practise stage of remembering these, however, the study of a single table on a flashcard eg 6x7=42, helps retain that individual table as a small piece for easy retrieval. You see this with the alphabet too where often the whole song is sung to find the order s,t,u,v. (I saw this recently at an election where the officer sang each time he looked up a surname in the register; OK the first time, wearing by the end of the day!)

3. Be able to apply the multiplication knowledge. Children who know 4 8s are 32 for example with a family block of chocolate and can simply rotate the rectangle to notice that 8 4s are also 32. Unfortunately turning it gives us no more to share but thankfully no less! Also students who know that they have 32 pieces of pizza to share with 8 friends also know that they can use multiplication knowledge to help them with division; 32/8 will provide 4 pieces each (that’s enough for most growing children).

Below is the sequence we use at Prince of Peace as we rollout multiplication from the conceptual understandings in Year 2 up to the complex work in Year 6. Students in Prep and Year 1 are establishing firm foundations in basic facts as they explore links between addition and subtraction.

I want to encourage your child to develop their fluency in their times tables as a way of improving the process of remembering, gaining confidence in maths and to free them up to attend to more complex challenges throughout their mathematics learning.

Vicki Wiseman Leader of Pedagogy and Innovation
**QCS**

Today will see the Year 12s complete the Queensland Core Skills Test. In preparation, the Gr 12s have completed three practice QCS tests to ensure that they are test ready. We are fortunate to have the skills of Mrs Elizabeth Saunders and Mr Paul Gough (who are involved with the formal QCAA marking operation) to provide top level, personalised support and feedback to our students. They have been very impressed with the high level of skills which our students have demonstrated in the practice tests. Thanks also to our Mathematics Department especially Mrs Patricia Corbin and Mr Jonathan Klupp who have supported the numeracy needs during the preparation. Thanks to Mrs Rhonda McKenzie who has spear headed the preparations. We have been pleased with how the students have approached the papers.

The Year 11 students demonstrated their support by providing fruit and affirmations prior to the test. Mr Hulland and Pastor David shared a devotion with them and some final words of encouragement. The Year 7 students provided a guard of honour for the Year 12s as they walked to the examinations. Lunch on Tuesday was prepared by the Prince of Peace Church community. We thank everyone for their support of their students at this very important juncture. Next week will see the Year 12s complete important assessment prior to Verification. We wish our students all the best for their preparation and exams.

**Thanks**

Thanks to our students and parents for their assistance with the subject selection process. I need to model lines for 2016, so your promptness with returning these forms is greatly appreciated.

Thanks to all the students and staff who contributed to ‘POP in’ last week. It was our pleasure to welcome members of our community to the Senior Campus.

**Family Groups**

A new initiative to further build connections was the launch of family groups. In houses, students have been placed in small groups to facilitate the development of positive relationships across year levels. Last week in their family groups, students had to complete the marshmallow challenge. There were lots of team work and problem solving skills on display.

**Science Week**

Science week was celebrated at Senior Campus last week. The theme for National Science Week 2015 is Making waves – the science of light, based on the International Year of Light. Our staff led by Senior Curriculum Leader, Mrs Patricia Corbin put together a series of events to mark the occasion. Students had the opportunity to look for sunspots, make Kaleidoscopes, make dry ice cream and Jelly Optics. If you attended POP in, you would have seen a sample of what was on offer. In addition, on Friday, all the students who had received a Very High Achievement in Semester 1 received an invitation to morning tea. This was a wonderful opportunity for like minded people to enjoy fellowship. Thanks to Mrs Corbin for her passion and encouragement for our students.

Michelle Nisbet Head of Campus 7-12
Are you on the move?

As Prince of Peace is a K-12 school, enrolment at Prince of Peace from one year level to next happens automatically until your child graduates from Year 12. To assist us with our planning, and ensure you are not charged for Term 1, 2016 school fees, please let us know if your child is leaving the College at the end of the year by Tuesday 6th October 2015.

You can notify the College by sending a letter or email to:

- Head of College, Phil Hulland via principal@princeofpeace.qld.edu.au
- Senior Campus – Michelle Nisbet via mchurchill@princeofpeace.qld.edu.au
- Junior Campus – Katrina Valencia via jmolkentin@princeofpeace.qld.edu.au
- Enrolments – Donna Cook via dcook@princeofpeace.qld.edu.au

For enquiries, please contact Donna Cook on 3872 5710.

Is your brother or sister coming to POP next year?

Under our Sibling Policy, siblings of all current students are automatically accepted into the College. However, they do still need to be enrolled. If you haven’t enrolled your younger children for entry in 2016 or beyond, please contact Donna Cook, Marketing and Enrolments Manager, on 3872 5710 or via email on dcook@princeofpeace.qld.edu.au for an Application Form. You can also print it off from our website and send to Reception with your application fee of $110 for one child or $175 for two more.

---

**Grandparent’s Day 2015**

**Dear Grandparents (and Special Friends),**

You are invited to join us for Grandparent’s Day 2015 on Friday 18 September.

Come and experience the joy of schooling with your grandchild or special friend. Join a classroom activity, listen to our choir perform and explore our campus.

Please RSVP by Monday 7 September via the link on the front page of our website at www.princeofpeace.qld.edu.au.

JUNIOR CAMPUS

Junior Choir
The Junior Choir are looking forward to performing at Genesis Christian College tomorrow evening. The “Sing 4 Joy” concert is an evening of enjoying choral music in a non-competitive environment. Our choir will be joined by the lower primary choirs from Genesis & Northside Christian Colleges. Concert starts at 5:30pm in the Main Auditorium.

Congratulations
Well done to the many students who entered the Enoggera Eisteddfod recently. Notably the Swift family should be very proud of their achievements. First time attendees Mikayla Swift received Highly Commended in both the 9 years Piano solo and the Under 10 years Duet section with Grace Martin. Big sister Josie also received Highly Commended in the 10 years Piano solo and 1st Place in the under 10 years Duet Section and was invited to perform at the Prize Winner’ Concert in September. They both received Honours for their piano exams earlier this year. Congratulations to ALL students who perform in eisteddfods and concerts throughout the year.

Instrumental lessons
There are a small number of vacancies on all instruments. There are also a number of school instruments available for hire at very reduced rates. Please email me to obtain details.

Please remember it is a courtesy to contact your child’s tutor if your child is away from school for any reason.

Sherree Cudney  Junior Campus Music  scudney@princeofpeace.qld.edu.au

Hair spray
Lucinda Peterson 7.1 has been successful in obtaining a part in the ensemble of Hairspray. The musical will be the largest production of Hairspray ever staged in the world. It will be held at the Brisbane Convention & Exhibition Centre, April 2016. It stars Rob Mills, Christine Anu & Simon Burke. Congratulations Lucinda!

UNIFORM SHOP

Senior: Out of Stock- Small and Medium Track Pants – please contact me if you require these sizes.

Second Hand: Thank you very much to the families who have donated uniforms in the past week. Customers please come in and check our range of Junior and Senior Second Hand uniforms at 1/3 new price. Thanks also to our blog sellers for advising me of their sales and helping me to keep it up-to-date.

Wendy McMahon  Uniform Shop Convenor

Woolworths Earn and Learn
The Woolworths Earn & Learn program will help our college earn valuable learning resources. The promotion concludes on Tuesday 8 September 2015

When anyone from our college community - staff, parents, friends shop at Woolworths, they can collect stickers to place on sticker sheets they have been provided. Once completed, sticker sheets can then be placed in a collection box at either campus reception.

Through Woolworths partnership with Modern Teaching Aides, the college will have the opportunity to receive resources at the conclusion of this promotion.
**JUNIOR CAMPUS**

**Inter Lutheran Athletics**
A fantastic day of competition and fun was had by our students at the University of the Sunshine Coast Athletic Park last Friday. So many highlights in what is one of the best days on the calendar. Personal bests, podium places, new records and wonderful efforts were the norm for our team. There were a huge number of first timers, all with an amazing story to tell of their day and a number of ‘old hands’ who added another chapter to their wonderful book of experiences.

Special congratulations must go to Tyla Proctor and Daniel Jackson-Hope who were adjudged our school’s outstanding athletes and also special thanks to Mrs Proctor and Miss Gibb, as well as to all the fantastically supportive parents for their efforts coordinating and marshalling our children through a very long day.

**Inter House Netball**
Fraser have shown they are the house to beat in the inaugural netball competition. Laver, Jackson and Bradman (in that order) will have their work cut out to claim the trophy as we head into the final round of games before the finals next week. House captains have once again been superb selecting and coordinating their teams. Good luck to all teams for this last chance to impress.

**Running Club on the Junior Campus**
Please note that as of this week, Week 8, Running Club on the Junior Campus will cease for 2015. It has been a wonderful experience for many, as we have seen almost 60 different faces through the last 2 and a half terms. Huge thanks to Mrs Schmidt and Mrs Noon for making themselves available to support. Look out for the 2016 version as we look to further develop the program.

**Interschool Sport**
After a few delays and false starts, Interschool Sport training begins on Friday this week for Years 4-6. We have entered teams in touch football, futsal, beach volleyball and cricket - with competition proper beginning in Week 1 of 4th Term.

Training for cricket will take place on the Senior Campus oval while training for the other sports will take place at the Junior Campus between 1.30pm and 2.45pm. Any parents or friends of the school are welcome to join us as assistants or spectators, please contact Mr Wooding at bwooding@princeofpeace.qld.edu.au for more details.

*Brad Wooding* Junior Campus HPE Teacher
**SENIOR CAMPUS**

**Regional Championships**
Congratulations to Senior Campus students Sam Luff (3rd place 12yrs boys shot put, 1st place 12yrs boys discus), Stephanie Bleckwehl (1st place 14yrs girls 400m, 3rd place 14yrs girls 800m) and Cooper Schmidt (3rd place 14yrs boys 100m hurdles, 1st place 14yrs boys triple jump) on successfully qualifying for the Metropolitan North Track & Field team which was selected at the conclusion of the Regional Championships held last week at the University of Queensland Sports Centre. Sam, Stephanie and Cooper will now be focussing their training towards competing at the Queensland Schools Track & Field Championships to be held in Townsville (10yrs – 12yrs) and the Queensland Sports and Athletic Centre at Nathan (13yrs – 19yrs) in October. Well done also to the following Senior Campus students who also represented the college and the North West District during the Regional Championships: Jo McNish, Cooper Rollinson, Isaac Cooper, Riley Stent, Luke Hutchings, Leilani Hall, Cade Whigham.

**POP Soccer**
Last week saw both boys & girls U15 and Open POP soccer teams compete at the Brisbane Christian Schools Championships held at Rochedale (girls) & Park Ridge (boys). The U15 girls team was led admirably by Macey Williams and featured some great performances by Rachel Nibbs, Stephanie Bleckwehl and Chelsey Van De Leur. The Open girls team performed above expectations and featured great leadership from Jade Mitra as well as strong contributions from Hannah Yarnold, Shae Radel and Jasmine Burrows. Although both teams went without a win, the Open girls played a thrilling draw in their final match against Citipointe College after a close loss in their initial encounter with Brisbane Christian College. The U15 boys team led by our QLD schools rep Riley Stent and featuring a great overall team performance enjoyed 2 wins against Westside Christian College and Citipointe College as well as some close losses in their other matches while the Open boys team improved in every match they played. Well done to all of our POP soccer representatives.

Grant Carlson 7-12 Sport Coordinator

**BOOK CLUB IS BACK FOR TERM 3!**

*Easy Online Ordering! Order deadline is Thursday 03 September.*

- Make sure you select your child’s correct class
- Please do not return any forms to school
- Spare catalogues available from Reception & Library

Every order earns **FREE books & resources** for our school & kindy.

For more information please contact Book Club coordinator, Carla Griffin.  
Phone 0438 669 957 • Email carla@phasetheelectrical.com.au

---

**Junior Campus Auxiliary News**

Get ready for Christmas early this year and avoid the last minute rush! Toy catalogues (from Parent Direct, Chalk & Educational Experience) have gone home with Kindy to Year 3’s last week. Spares will be available at Junior Campus Reception. Online ordering is available or alternatively use the order forms provided (in centre of catalogue) which are due back to reception by Wednesday 16th September. Orders can be collected from school towards the end of Term 4. All orders will be discreetly packaged to prevent sneaky looks from curious children.

Email Peta McIver – [neale_peta@bigpond.com](mailto:neale_peta@bigpond.com) for further information.

Cakes, slices & cookies will be available for purchase at next week’s Prep – Year 2 Athletics Carnival (Friday 16 September), all baked by the PoP Auxiliary and their supporters. Gluten free options and cool drinks shall be available too. Come and see us for some yummy treats, on the oval right next to The Rich Pour coffee van.

---

**Shop til you drop!**

Get your tickets for the first ever POP fundraising shopping bus tour in the glorious streets of Brisbane! A Luxury Coach will take you on a fully escorted day of shopping with a professional tour guide at warehouse prices. You will have a great day out saving as much as 70% off retail prices, while the school gets a commission on sales.

**Ticket sales close - Friday 4th September.** For more information contact tour organiser Judy Gardner [judeandcam@hotmail.com](mailto:judeandcam@hotmail.com) or 0431 856 702.

---

**Operation Christmas Child**

This year, Prince of Peace Lutheran College will again be supporting Samaritans Purse and their Operation Christmas Child appeal. It is hoped that 370,000 shoeboxes will be donated and then delivered to 9 countries this year. For many of these recipients, it will be the first gift that they have ever received! Click on the link to find out the specifics of what’s involved in packing a shoebox, and then maybe have a family chat and decide whether you’d like to be involved in this brilliant activity. Completed shoeboxes will be delivered to Samaritans Purse in October, so there is plenty of time to get involved. If you have any questions or suggestions, please email Vickie Stead at [vstead@princeofpeace.qld.edu.au](mailto:vstead@princeofpeace.qld.edu.au) Thank you for being part of this powerful partnership!

How you get there.
Last week, I was fortunate to attend a National Conference on Contemporary Spirituality. One of the keynote speakers, David Tacey, spoke about the spirituality of Michael Leunig. He quoted the Leunig cartoon/poem, “How to Get There”

Go to the end of the path until you get to the gate.
Go through the gate and head straight out towards the horizon.
Keep going towards the horizon.
Sit down and have a rest every now and again,
But keep on going, just keep on with it.
Keep on going as far as you can.
That’s how you get there.

I wonder where our Year 12’s see themselves at the moment?
QCS this week.
Exams next week.
Some might imagine that they can’t see past the weeds on the path.
We can talk with them about ‘the end being in sight’, but is that necessarily true? Year 12 is not the end of our learning experience. It is simply one more step along the journey. Maybe, it takes us to the gate, as a whole new world might await, but at Prince of Peace we talk about nurturing a person’s potential so that they become life-long learners. This is about preparing for all of life; body, mind, spirit and soul.

There is a beautiful passage of scripture, from Jeremiah 29:11.
"For I know the plans I have for you," says the Lord. "They are plans for good and not for disaster, to give you a future and a hope. (NLT)

That is a promise of hope. God’s heart is for our whole being, for good, not disaster, to have a future and a hope. May that hope drive us forward as we lay claim to whatever the future holds.

Pastor David Schmidt

THOUGHT OF THE WEEK
“There is no growth without change, no change without fear, and no loss without pain.”
(Rick Warren)

WORSHIP THIS SUNDAY 6 September
9am
6pm Remix

CHURCH NOTICES:
Next Prayer Gathering: Wed 2 September 7pm in the church. All welcome.

Date Claimer
POP Fundraising Concert featuring ZAMAR & Friends
Sunday 11 Oct 2pm in the church with a range of popular and classical music. Ticket Price includes afternoon tea: Adults $25, families with school age children $60.
**POPup night + market**

Would you like to have a market stall at this year’s POPup night + market?

Date: Friday, 6 November from 6pm

Venue: Student Forecourt, Senior Campus

Please contact Lynne.Edgerton@optusnet.com.au for further information.

Extra Curricular Activities

Term 3 Week 8

If you are looking for a week of great activities, friendly people and a beautiful setting amongst the rolling hills of Maleny this this may be the camp for you! We will be scavenger hunting, playing games indoors and outside, having a day out to the beach and Top Shots fun park at Maroochydore, playing spotlight, eating marshmallows around the campfire, crafting, hiking and so much more! Each day we will spend time learning more about God. We will be staying on a working Macadamia Nut farm, sleeping in bunk beds in the refurbished farm sheds. Great food and friendly and caring leaders are always a feature of H2H! If you would like to join us register now - numbers are limited and we often fill quickly. Click here for more information.

After School Program
If you want your son or daughter to make great friends and learn valuable skills for life, Youth Excel's small group programs are for you. These ALL NEW after school programs are designed to help young people explore their dreams, goals, innate personality profile, love language and relationship style as well as cook some great food. Click here for more information.

North and South Brisbane September/October 2015 School Holiday Cartooning Program. Click here for more information.

Families in Brisbane North can now sign up the free healthy lifestyle program called PEACH™ - Parenting, Eating and Activity for Child Health. Registrations are open for a new group to commence in term 4, 2015. If you would like more information about the PEACH™ program please contact 1800 263 519 or visit www.peachqld.com.au

Sept 20: MOUNTAIN BIKE NAV CHALLENGE
Cross country riding in a forest, with a map, searching for targets. Take on your mates, your family or yourself! 3 hour race to test you to the max. Solo or in a team. Or 90 min recreation course for beginners, not so fit or the family ride. 8:30 - 12:30 pm. Beerburrum State Forest. Prices range from $25-$50 www.sunshineorienteers.com.au/events Phone Neil 0491-161678

Pine Hills Hockey Club
Boys Indoor Hockey Teams 2015/16 Season
PLAYER REGISTRATION NOW OPEN!

- Open to boys aged 10 to 16 in 2015
- A great way to try hockey over summer – new players welcome!
- Season runs from October 2015 to February 2016
- All games played on Sundays at Kedron SHS sports hall

To register a player and for more information about indoor hockey, visit www.pinehillshockey.org.au or email boys@pinehillshockey.org.au
