Congratulations to Year 12

As the year comes to an end we farewell another cohort of Year 12 students and wish them all the best as they venture out into the next chapter of their lives. As a year level they have made a lasting impression on the college for all of the right reasons and I would just like to congratulate them for their outstanding academic achievement as their time at the college closes.

We are very proud of all of our graduates but there are some outstanding achievements that I would like to highlight:

- Darcie Speare received a VHA10 for Legal Studies.
- Sophie Priebbenow received three VHA9's for English, Geography, and Modern History.
- Kyle Fraser received The Australian Institute of Physics Excellence Award for being in the top 1% of students in the state for Physics.

Some of the achievements they received as a cohort are:

- 70% of the students achieved either an A or B grade in their QCS test.
- 19% of the students received an A grade in their QCS test and 51% achieved a B grade.

At Prince of Peace we celebrate the achievements of all of our graduates and their unique personal ability. It is important to recognise that academic achievement only completes part of the puzzle. It is my hope that our graduates leave Prince of Peace with the confidence and hope to serve their community with the unique talents that I know they all have.

The Valedictory service was a wonderful occasion and when watching our graduating class, I felt sure they all have the skills and qualities needed to succeed in all of the things that they set out to achieve and I encourage them all to have the courage to believe in themselves. Winston Churchill once said “Success consists of going from failure to failure without loss of enthusiasm”.

It is with mixed emotions that we say good bye to the Year 12 cohort, you will be missed by the Prince of Peace community but we wish you all the very best and remember “God did not give you a spirit that makes you afraid but a spirit of power and love and self-control”. (2 Timothy 1:7).

Mr Philip Hulland Head of College
Just over 5 years ago I left teaching a Year 4 classroom to come to a school I knew little about and into a role I knew even less about. Today as I write this farewell, I say goodbye to a College which is very dear to my heart and a role that has shaped me, challenged me and cemented my passion for God and doing my best to seek Him in all I do.

My time here at PoP has been filled with, laughter, tears, joy and growth. I have made great friends in both the staff and parent community. I have loved watching the students learn and grow in their academia and in their relational endeavours. My greatest memories will be of seeing students create stronger and healthier connections with those around them and see this drive their learning.

POP has been on a powerful journey and it is destined for amazing things. I know this because the teachers at this College are a fabulous team who long to see PoP thrive quickly and to surpass anyone’s current ideas of its potential. PoP has students who love their school and their teachers and take pride in calling PoP their own. The leadership at PoP have God at the centre of their thinking and the students in the middle of everything they do. Add all of this with you the incredibly rich tapestry of parents and carers and you unavoidably, get success.

It is here that I try my hardest to aptly put into words which I know won’t come close to cutting it, but here goes, thank you. My heart is full of deep and humble thanks for everyone’s support of me, your friendships and your willingness to let me be a part of this great family. I thank the College leadership team and wish them all the very best, they are all close to my heart. To Katrina Valencia, thank you for showing great leadership, for role modelling ‘how to lead well’ and for your friendship. If you ever get the opportunity to see Jenell Molkentin in your travels, be sure to say thanks to her. For I am eternally thankful to God for Jenell and her steadfast friendship over the years and her ability to ‘keep the ship moving in full steam’ no matter how stormy or calm the seas. You are a treasure Mrs Molkentin!

One of the biggest things I have learnt about God is that He loves His kids so unconditionally and pursues us with relentless and respectful vigour. In return, He only asks that we love him back and to go and seek to treat others the same way. It is in this that, (which I have taken on board) all direction in life is to be viewed through. God wants us to do this, no matter where we are and He will always provide for us, when we venture out to do these things. So whether here at PoP, in your family, in your class, among your friends, in your job or in any of your pursuits, love Him first and then others (just as passionately) and you can’t fail.

POP I love you and will miss you! May God continue to be your peace and joy as you journey together.

Cultural Honours Awards    Sporting Achievement Awards
Thank You Mr Mills! We will Miss You!!

It is with much sadness that I write this farewell to Mr Chris Mills on behalf of the staff, students and families of Prince of Peace. Chris started at Prince of Peace Lutheran College on the 1st January 2011 as Deputy Head of Campus, Head of Pastoral Care and Well-Being. He has consistently developed and nurtured a culture of honouring relationships with the staff, students and parents of this community. Chris has walked alongside many families over his time at PoP as they move through many and varied different experiences and has always brought a calm and positive manner to the table. I will personally miss Chris very much!

We know that our loss is another’s gain. Mr Mills, thank you! Thank you for who you are, and what you have done for PoP. We pray God’s richest blessings on you as you embark on this exciting new journey. May your new school know and appreciate the calm and wisdom you will also bring to their campus.

Student reports and Class lists
Student reports, including the 2016 Class lists will be sent home in the mail late in the week after students finish. We encourage you to take some time to sit with your children and celebrate their success and achievements, and reflect on areas to develop as they move forward into 2016.

Book Packs
We are very sorry for the delay in parents receiving their book pack orders for 2016. We are awaiting the final copies to be sent through from the company to send to our parent body. We will endeavour to send these to all families as a matter of urgency once they arrive.

Staff Leaving
At this time of the year I would like to acknowledge those staff who have served in many varied capacities in our College throughout the year, and who will be moving onto new challenges in 2016. I wish to thank them for their dedication to upholding our College in their words and actions.

Excellence of Effort Awards
Year 12s Farewelled
The final week for the Class of 2015 was a truly memorable, a fitting exit program. Monday saw Year 12 deliver worship reflecting on “Piece by Peace”. A highlight was the morning tea hosted by Mr Hulland for the ten students, who have been at Prince of Peace from Prep to Year 12.

The dancing lesson on Monday, was to ensure that students were ready to share a special moment with their parent on Thursday night.

Tuesday was dress up day, with the students dressing up according to their initials. Some creative interpretations!

In addition over the week, the Police visited, past students shared some wisdom, they shared some time with their buddies, hosted morning tea for the staff, played the staff in bench ball and they received some final advice about life post school.

Thursday night, the graduates and their parents along with staff attended the Valedictory/Graduation Ceremony. Students, Staff and Parents shared memories. Mr Grant Brecknell reminisced about his 25 year association with the College as a parent and acknowledged the consistency of their experience and how they had not been disappointed with their leap of faith. Mrs McKenzie used play doh for a metaphor for how your life can be shaped and moulded, reminding the graduates of the enormous power they have to not be defined by circumstances or limited by what others project, but instead to remember that they are worthy of dignity and respect and loved by God.

We congratulate the following students who received awards on the night:

**ADF Longtan Leadership Award** – Destiny Marshall

**Servant Heart Medallion** – Lachlan McLean

**Spirit of Prince of Peace** – Georgia Hodges

**Cultural Excellence** – Madeline McGregor, Oscar Schmidt

**Lighthouse Awards** – Jessica Barratt, Kyle Fraser, Madeline McGregor, Lachlan McLean, Susanna McClintock

**Academic Honours** – Chloe Bolton, Ben Fisher, Darcie Speare, Alexandra Wilkinson

**College Dux** – Kyle Fraser

Tissues were required for the Farewell service, which was encouraging, moving and inspiring.

Our job, is to share our students’ learning journey, and send them off to navigate the next challenge. It is my hope and prayer that the Class of 2015, will embrace growth through challenge and continue to be lifelong learners who pursue personal excellence. God Bless for the next chapter.
Thanksgiving Celebration
At Assembly today, students received a range of awards. Tomorrow night at the Thanksgiving Celebration, Servant Heart Medallions will be awarded to a student in each grade who is deemed to the top Servant Heart Award winner. In addition Leadership Awards, The Sportsperson of the Year and the Cultural Ambassador will be presented.

The Thanksgiving Celebration is a wonderful opportunity to celebrate as a College community, and to reflect on the year past. We look forward to welcoming you to C3 Church 1910 Gympie Rd, Bridgeman Downs QLD 4035 (Adjacent to Bunnings Carseldine).

Christmas Blessings
A number of staff will leave us at the end of 2015 and we thank them for all they have contributed to the Prince of Peace community. We give thanks for the blessings of Mr Heath Stewart, Mr David Robinson, Mr Ian Morgan, Mrs Jodie Gulley.

We wish them God’s richest blessings on the next chapters of their lives.

As the Year 10 and 11 students finish this Friday, and Years 7, 8, 9, on Friday 4 December. We wish all members of our community the opportunity for renewal, relaxation and safe travels.

As we celebrate the Christmas season we are reminded of Isaiah 9:6

For to us a child is born,
to us a son is given,
And he will be called
Wonderful Counselor, Mighty God,
Everlasting Father, Prince of Peace.

May you have the gift of faith, the blessing of hope and the peace of His love at Christmas and always.

Congratulations Jasmine

Year 11 student, Jasmine Burrows, achieved one of her personal goals recently when she played the lead role in Brisbane Academy of Dance’s 2015 end of year Recital ‘The adventures of Snugglepot and Cuddlepie’ which was held at the Judith Wright Centre of Contemporary Arts. Having been a student at the dance school for the past 13 years she was honoured to have been offered the lead role. Jasmine and her family would like to say a special thank you to nine of her Year 11 school friends who took time out from their study schedules to come along and support her at the evening performance. Lucy Peterson (Year 7) and Mrs Jodi Gulley’s youngest daughter, also students at Brisbane Academy of Dance, performed in this production as well.

As a member of her dance school’s senior performance team, some performance highlights this year have been dancing at the Brisbane French Festival, the Bonjour French Festival, Gold Coast and the Brisbane Arts Festival. They are ending their performance year dancing at the C3 Christmas Carols on the weekend of 18th & 19th December.

A further dance achievement for Jasmine this year was receiving ‘Honours with Distinction’ (the highest mark attainable) in her final student Jazz and Tap exams that were held in August.

3-6 interschool Sport
As we head towards our final week of sport, big thank you must go to all the students for their fantastic conduct and willingness to have a go. Our staff members have been brilliant as well, supporting, encouraging, coaching, nursing, time keeping, directing, scoring, marshalling, soothing and attending. Also a huge thank you to all our wonderful parents who have supported the children and our program so well.

A reminder for all children to please return their sports shirt to Mr Wooding, either on Friday after sport or on Monday first thing.

Volleyball: We have five teams entered this term, with two teams consisting of Year 4 and 5 being exposed to Newcombe Ball, and the other three teams consisting of Year 5 and 6 playing beach volleyball. The children are experiencing rebound beach volleyball. The courts are cool and undercover, with soft, silky, cool sand under the toes, all within the confines of nets and the ball ‘rebounding’. Captains have been introduced to the teams this term, to facilitate leadership, and to encourage clear communication and teamwork during their games. Stand out captaincy or most improved for Week 7 were Christelle Robson, Charlotte Roche, Heidi Noon, Connor Wiseman and Ba Blu Htoo.

Year 6 Girls Touch: Words cannot express how proud I was of the Year 6 girls touch teams last week. Not only did they play their own games, carefully sharing the time on and off the pitch in the heat, they also helped out the Year 5 teams when they were short, playing extra matches and encouraging the younger students. Words of encouragement were the motivating force on this hot day and the girls quickly learned to praise any efforts. Our game play has improved over the weeks, but unfortunately no wins this week. We were so thankful for the angel in disguise – Mr Richards who brought a shelter and crate of ice for the girls to enjoy. Thank you, thank you, thank you! Year 3-6 Swimming Carnival
By now all families should have received information regarding next Tuesdays swimming carnival to be held at Albany Creek Leisure Centre, 8.20 till 2.30. Children can pick and choose their races (50m or 25m), use the water slide and participate in a range of 'wet games', so we encourage everyone to attend, participate and support their house. For those strong and regular swimmers (attend club events and/or do regular training), we will also hold time trials with the view to selection in the relevant district events for the 200m IM as well as the various 100m events. Please inform Mr Wooding if your child/ren intend/s to participate in these time trials.

To this end, we require a number of parents and/or friends of the school to act as timekeepers or officials. If you might be willing to help out, please contact Mr Wooding on bwooding@princeofpeace.qld.edu.au.

SENIOR CAMPUS

Congratulations to Stephanie Bleckwehl (Year 9) who has been selected as a member of the Queensland Heat Athletics Team to compete in the U16 Girls 400m and Relay team at the 2015 Australian All-Schools Championships to be held in Melbourne on the 4 – 6 December.

Stephanie’s selection comes as a result of her performances at the QLD State Secondary Schools Championships which were held at the end of October at the State Athletics Centre. Also competing at those Championships were Sam Luff (Year 7) and Cooper Schmidt (Year 8). Sam was recovering from illness unfortunately but is looking to bounce back better than ever in future competitions, whilst Cooper recorded personal bests in his hurdles and triple jump events.

These results and achievements are a credit to our athletes and their dedication and commitment to furthering themselves and maintaining their high expectations as much as possible in their chosen sport. All the very best of luck to Stephanie for her trip to Melbourne from the entire Prince of Peace Lutheran College community.

Finally, thank you to all within the wider college community who have contributed towards the assistance and support of our senior campus students within all sporting endeavours this year. Without this assistance our students would simply not be able to enjoy the broad range of sporting experiences that they have pursued during 2015. On behalf of myself, the POP Senior Campus Sport and HPE Department very much look forward to building on these experiences even further next year and beyond and wish everyone a blessed holiday and New Year!

IMPORTANT DATES FOR 2016:

Senior PoP Netball
On Wednesday night the Senior POP Netball team was successful in winning their second game at Downey Park. All the girls played tremendously well resulting in a final score of 29-17. Special mentions to Emily Hird and Darcie Speare for their combined shooting efforts. Looking forward to seeing our progression as a team throughout the rest of the season. Well done girls!!

**POP 10 Netball**
This season POP 10 netball team has improved enormously thanks to Rosemarie Klingberg. From the first game to the last game we have bonded as a team, made new friends and improved as netballers individually and as a team. Even though we didn’t win many games we all enjoyed the season. The movements down the court and the centre passes worked well with the thanks to Ally, Riley, Olivia, Eve and Hayley. We were also able to rely on, Jo, Geremy, Eve and Caitlin as shooters knowing they had the ability to score us points. Also Olivia, Jess, Caitlin and Hannah worked extremely well stopping the opposition scoring and helping the ball to get back to our attacking end. Also thank-you to Ella for being at training even though she wasn’t able to make the game. Big thanks to Miss McIver for organising, coaching Wednesday nights and being there early Monday morning. Thank-you Rosemarie Klingberg for giving up your time to coach us and huge thanks to all the parents for supporting the team and for driving us to and from netball training at a painful 7:00am Monday morning and games on Wednesday night. It was heaps of fun playing with all the girls and hopefully can do it again next year.

The Gift
As we get closer to the end of the year, it is hard not to feel exhausted. Teachers writing reports. Students feeling the endless pressure of exams and final assignments. Parents frenetically trying to buy presents for their family so that the Christmas period might be somewhat peaceful.

Have you ever wondered what it must have been like that first Christmas?

An angel unexpectedly appears to Mary, saying that she was going to have a child.

Mary trying to explain her impending pregnancy to her parents, to Joseph, and to her social community.

The Roman emperor Augustus conceitedly demanding people return to their home towns for a census count.

And to all of this, Mary simply says, “May it be to me as you have said” (Luke 1:38).

That’s trust. That’s inner confidence. That’s an attitude of resilience and determination. That response reflects the inner peace that Mary had, “May it be to me as you have said.”

Jesus was born some 2000 years ago. He was born in a fractured world, filled with brokenness, political unrest and refugees. In some respects, the world into which Jesus was born was not so dissimilar to the world in which we live. But the birth of Jesus was also a birth to remind us that God has not deserted us… that God himself has come to us, indeed, is with us. Immanuel, God with us... the Prince of Peace.

May you experience the impactful power of the true gift of Christmas, this year – Jesus. May his spirit lift your spirit, so that you can encounter the Prince of Peace.

Have a blessed Christmas and New Year.

Pastor David
