UBUNTU

Dear Year 9 Parents / Carers

Year 9 students will undertake the Ubuntu Journey this year, a rite of passage at Prince of Peace Lutheran College.

On Tuesday evening, the 2nd February, the Year 9 Ubuntu Calling Ceremony will be held at the school. The event will commence at 7:00pm where students, staff and families can celebrate the official beginning of the Ubuntu journey for the Year 9 students and will last around an hour.

During the Calling Ceremony students will commit to the journey, staff will promise to listen to and encourage students as they take up the challenges before them and parents will acknowledge the role they play in supporting their children and the teachers as they guide them through the year.

The students will receive a formal blessing as they begin the Ubuntu year. Students need to wear formal school uniform (Boys - no ties) for this special event.

This evening is an important part of the Ubuntu program and we encourage all students and parents to attend.

We look forward to celebrating the commencement of this program with you.

We also take this opportunity to inform you that sports uniforms during the first term will be worn on Mondays and Thursdays only.

Cathy Walsh and Norman Russell
(Ubuntu Teachers)

Michelle Nisbet
Head of Campus 7 - 12
