Responding to Reports of Harm

Information relating to physical or sexual abuse is handled under obligations to report set out later in this policy.

bullying and/or anti-harassment policy, and external support agencies depending on who is alleged to have caused the harm and where it is alleged to have occurred.

The incident reporting template (Appendix 1) should be completed and forwarded to the relevant staff member best placed to deal with such reports. If in doubt, the appropriate person to receive the report is the school’s Principal. In instances where the Principal is the person alleged to have caused the harm, the report should be forwarded to a member of the school’s governing body.

Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards, and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students. The school’s Code of Conduct for staff outlines the behavioural expectations in this regard.

Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to:-

- The Director of Wellbeing (Years 7 -12)
- The Deputy Head of Junior Campus (Prep to Year 6)

Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the Principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school’s governing body. Reports will be dealt with under the school’s Dispute Resolution/Complaints Handling Policy and/or Procedures.

Reporting Sexual Abuse

Section 366 of the Education (General Provisions) Act 2006 states that if a staff member becomes aware, or reasonably suspects in the course of their employment at the school, that any of the following has been sexually abused by another person:

- a student under 18 years attending the school;
- a pre-preparatory aged child registered in a pre-preparatory learning program at the school;
- a person with a disability who:-
  - under section 420(2) of the Education (General Provisions) Act 2006 is being provided with special education at the school; and
  - is not enrolled in the preparatory year at the school;

then the staff member must give a written report about the abuse or suspected abuse to the Principal or to a director of the school’s governing body immediately.

The school’s Principal or the director of the school’s governing body must immediately give a copy of the report to a police officer.

If the first person who becomes aware or reasonably suspects sexual abuse is the school’s Principal, the Principal must give a written report about the abuse, or suspected abuse to a police officer immediately and must also give a copy of the report to a director of the school’s governing body.

A report under this section must include the following particulars:-

a) the name of the person giving the report (the first person);
b) the student’s name and sex;
c) details of the basis for the first person becoming aware, or reasonably suspecting, that the student has been sexually abused by another person;

a) a student under 18 years attending the school;
b) a pre-preparatory aged child registered in a pre-preparatory learning program at the school;
c) a person with a disability who:-
   i. under section 420(2) of the *Education (General Provisions) Act* 2006 is being provided with special education at the school; and
   ii. is not enrolled in the preparatory year at the school

then the staff member must give a written report about the suspicion to the Principal or to a director of the school’s governing body immediately.

The school’s Principal or the director of the school’s governing body must immediately give a copy of the report to a police officer.

7 *Education (General Provisions) Regulation 2006 (Qld) s.68*
8 *Education (Accreditation of Non-State Schools) Regulation 2001 (Qld) s.10(5)(a)*

A report under this section must include the following particulars:

a) the name of the person giving the report (the first person);

The reporting form attached as Appendix 1 is consistent with these requirements.

**Reporting Physical and Sexual Abuse where the child may not have a parent able and willing to protect them from the harm.**

Under Section 13E (3) of the *Child Protection Act 1999*, if a doctor, a registered nurse or a teacher forms a ‘reportable suspicion’ about a child in the course of their engagement in their profession, they must make a written report.

A reportable suspicion about a child is a reasonable suspicion that the child:

a) has suffered, is suffering, or is at unacceptable risk of suffering, significant harm caused by physical or sexual abuse; and
b) may not have a parent able and willing to protect the child from the harm.

The doctor, nurse or teacher must give a written report to the Chief Executive of the Department of Communities, Child Safety and Disability Services (or other department administering the *Child Protection Act 1999*). The doctor, nurse or teacher should then give a copy of the report to the Principal.

A report under this section must include the following particulars:

a) state the basis on which the person has formed the reportable suspicion; and
b) include the information prescribed by regulation, to the extent of the person’s knowledge.
