If you are a Prince of Peace Lutheran College Facebook follower you will have observed during Term one a deliberate attempt to share our College with you. Some of our posts that have provided insight into what is happening on Campus have reached over a thousand people. Our new video celebrating all that we do at Prince of Peace has hit over eleven thousand people. (If you have not seen it you – it will warm your heart). What is on Facebook or you see in the Newsletter is just a small glimpse of what has been achieved in Term 1.

During the Lenten preparation for Easter, our community has had the opportunity for growth, in keeping with our theme, Inspire Learn Grow. Lent is a communal journey, and we are reminded that we always journey together. We share our experience so that we can enjoy and share the support and environment that allows grace to flourish. Thank you for sharing the Prince of Peace journey in Term 1. Thank you for your support and prayers.

Each campus will celebrate the end of Term 1 and Holy Week with worship at:

- Thursday 8.25am on the Junior Campus
- Thursday 2.15pm on the Senior Campus

May God’s peace and grace envelop you as you walk through these Easter days, and remember God’s all-giving love. We hope the break provides the opportunity for capturing the Easter message and recharging.

**Easter Prayer**

God our Father, by raising Christ your Son you conquered the power of death and opened for us the way to eternal life. Let our celebration today raise us up and renew our lives by the Spirit that is within us. Grant this through our Lord Jesus Christ, your Son, who lives and reigns with you and Holy Spirit, one God, for ever and ever.

**Holiday Wishes**

I would like to wish all of our families a safe and blessed Easter. This is a wonderful time of the year to reflect, restore and reset after a busy start to 2015. I pray that during this time you also have opportunity to reflect on the most precious gift we received at this time, the forgiveness of our sins through Christ’s death and resurrection on the cross. May God richly bless you all and bring you safely back to our community ready for a wonderful Term 2.

**With Gratitude**

As I pause and reflect on the 10 weeks that have passed I feel incredibly grateful. I am surrounded by wonderful, compassionate and strong people. To our students, who greet me warmly with enthusiasm and endless smiles, our staff who continue to amaze me with their energy, innovation and humour, our parents who support our work both at school and home and our Church community who have kept us firmly in their prayers, I thank you. I thank God that he has brought this incredible mix of people together to learn from each other and grow stronger together each day.

**Parking**

As we draw this term to a close can I please ask parents and visitors to be very mindful when driving through our carpark areas. We need to remain highly vigilant of our students and staff moving through these areas but also of each other. Please ensure that you are using our approved parking spaces and are careful not to block other cars in. Thank you for your assistance with this.

Footloose

On 7, 8 and 9 May, Prince of Peace Lutheran College is performing _Footloose the Musical_. The show involves cast from Years 7-12 and will be performed in the Mitchelton State High School auditorium. Tickets are on sale now at: [http://www.trybooking.com/Booking/BookingEventSummary.aspx?eid=122379](http://www.trybooking.com/Booking/BookingEventSummary.aspx?eid=122379)

Staff and students have been busy preparing scenes, songs and dances and each week we will introduce more of our cast.

This week we will feature **Georgia Murray**, who will be playing Ariel Moore, the female lead and **Oscar Schmidt**, who will be playing Ren, the male lead.

**Georgia** is in Year 12 and says: “I like to sing and dance because I get to become a different character.”

Georgia was in the College’s performance of _Disney’s High School Musical On stage_ in 2013 and takes part in _Shake and Stir’s_ holiday workshops. She has also been in the ensemble of RMT’s _Wizard of Oz_ and sung at Burpengary’s _Christmas Spectacular_.

Her inspiration is Lucy Durack as she is “extremely bubbly and infectious on stage, incredibly confident and amazingly relaxed”. Her dream roles are Dorothy from _Wizard of Oz_, Rizzo from _Grease_ and Elphaba from _Wicked_.

**Oscar** is also in Year 12 and was also in the College musical in 2013. Oscar likes to perform to entertain people and he certainly does that in this production! In later life, he would love to play in an orchestra or become a musical director.

About _Footloose_, he says “It’s going to be a lot of fun!”
Medieval Times
On Thursday 26 March, Year 8 participated in Medieval Day where we came dressed up in medieval clothing. On the day Rolland and his two other assistants from Living History showed us all a whole new perspective on the Middle Ages. They deliver interactive educational presentations, which meant we had a chance to try on replicas of gear and weapons. The day brought us fun and amazing learning experiences as we learnt and interacted. We then moved out of the rooms into open areas where we performed a ceremonial dance. During our break we put people into the stocks and ‘punished’ them by throwing water balloons at the ‘offender’. Just after break we moved on to split into two groups and fought with foam swords, a foam shield and leather helmet to replicate how hard it is to see. To finish off the day we did archery and aiming at a shield, few hit the target proving archery can be difficult. Overall, the Year 8s had a blast with Rolland and his crew.

Alister Duncan and Taylah Merrell (8.1)

Legal Studies Excursion
Last Friday, the Year 10 Legal Studies class visited the Queensland Supreme and District Courthouse in Brisbane. This was a fascinating experience for everyone, and with a range of cases to visit, we had an insight into how the court handles law breakers as well as civil disputes. It was quite interesting because we were able to sit in the public gallery inside the courtrooms and watch the proceedings such as a civil case surrounding a business which went into receivership. However the case we found especially fascinating was a sentencing of a drug dealer where we not only observed how the Judge decides the punishment for the accused, but we were able to watch the defendant’s lawyer provide an understanding on the life circumstances which led to the offence and how this was taken into account during the sentencing. Overall, this excursion was a great day with an insightful view into the inside workings of an Australian court.

CARE Australia comes to PoP
Year 11 and 12 Senior Geography students had the opportunity to listen to Elianor Gerrard from CARE Australia who came up from Melbourne to help raise awareness about the Millennium Development Goals (MDGs) which have now transitioned to become the Sustainable Development Goals (SDGs) to guide development from 2015 to 2030. Students were given an update on key areas of progress towards achieving the MDGs and introduced to what is planned to make the world a better, more equitable place to live in by following a sustainable development process. She also had the opportunity to talk with all the Year 9s about the massive threat of food insecurity that affects many developing countries which often leads to extreme poverty. They also found out about the work that CARE does at home and around the world. Pictured below are the wonderful Year 12 geographers with Elianor after the presentation.

Ayo mari kita makan!
Last Friday our Year 11 Indonesian students were treated to a lunch at the Sendok Garpu Restaurant Indooroopilly as a thank you for their assistance in developing the language and tutorials provided for junior students. Sendok Garpu is a popular destination for many Indonesian students studying at UQ as it offers a range of home style dishes not available elsewhere in Brisbane. The treat was preceded by a traditional Indoku so students were under pressure to score over 20 or miss out on lunch! Canda, just joking. Our students savoured the delights of Mie Goreng, Laksa Betwai, Sate Ayam, Gado-Gado and Ayam Kalasan. Before lunch we nibbled on the traditional snack of Nastar Nenas (pineapple cookie) and Es Teh Manis. Students were able to practise their language skills with their waitress and thankfully everyone was brave enough to try sambal with their meals. Hopefully the students now have the confidence to try not only hotter and spicier (tastier) meals next time, but also they will be able to bayar bonnya!

Inter-house Sport

A wonderful tennis challenge saw Fraser emerge as the champion house for 2015. In a dramatic and exceedingly close tussle, Fraser just piped Laver for the crown with Bradman coming in 3rd and Jackson finishing 4th.

After our first two inter-house events, cricket and tennis, Fraser (8 pts) are the overall leaders, closely followed by Jackson (5 pts), then Bradman and Laver (both on 4 points).

The next competition is the Term 2 Fitness Challenge with events including the triple threat - push-up-a-thon, the beep test challenge, the plank hold extravaganza and mega-team-cone-relay spread throughout the second half of the term.

District Sport

The last few weeks have seen an explosion of district trials, with no less than 6 different sports being trialed in order to select the representative team. Four of our budding stars have had their wonderful form rewarded with selection in the relevant teams. Ethan Chilton and Trent Millard stood out amongst (literally) a cast of thousands to make the District Boys Soccer team while a few days later, Ethan Takac blitzed all comers to be declared the district’s number 1 tennis player and leader of the District Tennis Team. Jackson Fletcher then followed these feats with a great performance of his own to secure a place in the district Rugby League team.

All 4 boys will now be involved in the regional championships for their respective sports, to be held during Term 2. Excellent performances at these championships can then result in selection to attend the Queensland Championships as part of the Metropolitan North Team. We wish all the boys a wonderful experience and the best opportunities to develop their games.

State Basketball

Cooper Bailey is going to Townsville for the BQ State Championships over the Easter holidays, representing Northside Wizards and competing against all associations in Queensland. It’s on over four days with several games each day. We wish Cooper a great experience and look forward to hearing all about the adventure.

Brad Wooding Junior Campus HPE Teacher

At the 2015 Arana Little Athletics Presentation night, Madaline Finney (6R) received the most improved trophy for achieving the most personal bests for the U11 girls for the season, and Callum Finney (4W) received the encouragement award for the U9 boys age group.

Tyla Proctor (6S) completed her Little Athletics season with an array of medals and trophies. She recently placed 2nd in the Qld Pentathlon and followed that up with a 2nd place in the 60m Hurdles at the Queensland Titles. She placed in the top six for the 100m, 200m, Long Jump, Shot Put. Her club rewarded her with the Best and Fairest award and she also achieved the Club’s Overall Girl Champion. Congratulations to you all.

Cooper Schmidt (8.2) has been selected in the Little Athletics State team, to compete in the National competition in Perth on April 26. He will be competing in 80m Hurdles, Triple Jump and the Relay Team. Good Luck!

Thank you so much for all of the generous donations made for the cyclone victims in Vanuatu. I can no longer accept any further donations, please locate another collection point for who can take them.

Television used to show Strongest Man competitions. It was ‘inspirational’ as blokes built like buffalo, carried rocks, pulled buses, and threw pylons, all to see ‘who was the strongest’. Maybe it’s a boy thing, but sometimes us blokes feel the need to prove ourselves!

This week, students at the college have considered ‘the cross’ as an inspirational object. But when you stop and think about it, it should not really be that inspirational. In ancient Roman times, it was a symbol of execution – and a painful way to die at that. It was used for political prisoners and the most extreme of criminals. There is nothing overly inspirational about it!

Unless….

Unless you are an innocent man who chooses to take a punishment for the sake of people you deeply love. Then it becomes inspirational. Like sacrificial stories of Gallipoli warriors, when people risk, or even give up their lives for another – that is the story of legends, they are the stories that live on!

But in Jesus, it was more than just a story! And it was more than a person sacrificing himself for his mates. It is the story of a person who gave up everything, his divinity, life itself, for the sake of people who didn’t really like him.

While Jesus says, "There is no greater love than to lay down one’s life for one’s friends” (John 15:13, NLT), the apostle Paul points to a greater reality… “But God showed his great love for us by sending Christ to die for us while we were still sinners” (Romans 5:8, NLT).

We all carry loads... but Jesus’ load was uplifted through love – his love for us.

May you encounter his grace this Easter. And may the resurrection enable you to fly as on wings of eagles.

Pastor David

**WINTER FETE**

The Fete urgently requires teams of people to pull together the following stalls: Trash’n’Treasure; auctions; sweets. These have traditionally been some of our most profitable stalls. Without people to pull them together and make them their own, they won't be able to be run this year.

I’m also looking for additional helpers for the food court, side show alley, a site manager and someone to assist me with pulling the whole thing together.

If you can form a team, or would just like to jump in and take on a stall, contact Cath at [popfete@hotmail.com](mailto:popfete@hotmail.com).
