

# 2016 ACADEMIC ACHIEVEMENTS AND STUDENT ACCOMPLISHMENTS

## P-12 Student achieves OP1

2016 saw the graduation of our fifth Year 12 class. Our graduates achieved outstanding academic results in 2016, with 28.5% achieving an OP1-5. Our two OP1 students have journeyed from the Junior Campus, with Alexandra being a student of Prince of Peace since Prep.

As well as achieving academic excellence, our 2016 graduates also demonstrated significant personal growth, dedication and enthusiasm inside and outside the classroom. They spent part of their last week at school volunteering at Operation Christmas Child.

We could not have asked for a graduating class that better exemplifies our aim of developing graduates who are equipped for success beyond school as confident, compassionate and caring individuals. We recognise the supportive families and the dedicated Prince of Peace staff members who have contributed to and enriched each student's school journey.

**12%** of students achieved an OP1-3

### OP RESULTS

OP Range	POP %	State Avg. %
OP1	5	2.8
OP1-3	12	11
OP1-5	28.5	21
