Prince Of Peace Communications Observations Reminders and News

PRINCE
of PEACE
LUTHERAN
COLLEGE

From the Acting Heads of College

We hope that you received the documentation sent home via email in relation to the P-12 Agile Digital Strategy – Unlocking the Potential. The strategy outlines the College commitment to prepare our students to become lifelong learners who are creative, critical thinkers, collaborators and communicators; who understand that learning extends beyond the classroom and is ongoing.

In keeping with The *Melbourne Declaration on the Educational Goals for Young Australians* (MCEETYA 2008), the strategy recognises that young people need to be highly skilled in the use of digital technologies, adapting to new ways of doing things as technologies evolve and limiting the risks to themselves and others in a digital environment. We are living in a world that has a growing reliance on technology for every aspect of our lives and so it is critical that we provide our students with the types of skills and capabilities that prepare them for their future.

As part of the strategy, in Term 2, a Pilot Bring Your Own Device (BYOD) Program will be conducted in 3G, 5S, 6R and Year 10. Students in these classes are invited to use a personal device at school if they are able. The pilot program is the first step in testing the College infrastructure ready for the introduction of voluntary BYOD in 2016 and compulsory BYOD in 2017.

As part of our P-12 Agile Digital Strategy, we are committed to partnering with our parents and carers as they embrace these changes. An important part of the strategy, is developing in students an understanding of what it means to be a global digital citizen. Students will learn to practice respect and responsibility for themselves and others.

Our P-12 Agile Digital Strategy – Unlocking the Potential will transform the ways that students think and learn and give them greater control over how, where and when they learn. We look forward to exploring this strategy with you in the coming months.

Michelle Nisbet and Katrina Valencia Co-Acting Heads of College

Review of Sibling Discount structure

Prince of Peace Lutheran College Council, after listening to the concerns of families, have decided to review the College's Sibling Discount Policy. The review will assess the viability of introducing a 2nd child discount and increasing the 3rd and 4th child discounts.

While we believe this review will take approximately 6-9 months, the College Council has voted to increase the 4th Child Sibling Discount from Term 2, 2015 to 100%. This means families with four children attending the College concurrently will receive a 100% discount on tuition for the 4th child as of Term 2, 2015.

The review has been implemented in recognition of increased financial pressures on families and a desire to provide an affordable Lutheran education for your children. It is hoped that the full Sibling Discount Policy review will be completed before the 2016 Fee Schedule is released.

Staffing News

It is with much sadness that I announce today that Mrs Sandra Odger and Mrs Luisa Grayson will be leaving our College community at the end of this term.

Mrs Odger has served Prince of Peace in the Learning Enrichment Department, leading our Gifted and Talented Education arm. Mrs Odger has developed our College program significantly during the past years with a strong focus on the learning engagement of our gifted students. Mrs Odger has also reinvigorated the debating culture of our Junior Campus over the past two years. Mrs Odger has accepted a new position closer to home which we know will enrich the lives of her family. She will be sorely missed in our community.

Mrs Grayson joined our community in 2014 after the retirement of Mrs Avonne Kearney. As you would all appreciate, these were significant shoes to fill and Mrs Grayson has done a tremendous job in this area. Mrs Grayson has been responsible for the continued development of our Learning Enrichment program particularly in the area of the Senior School. She has brought a wealth of knowledge and experience to our Learning Enrichment team and has been an immense support to Mrs Swift. Mrs Grayson and her family will be relocating to NSW and we wish them every blessing for the road ahead.

Mrs Odger and Mrs Grayson, we will miss your enthusiasm, your amazing ideas and your love for children. We pray God's richest blessings on you both in your future endeavours and hope that when you are able, you will come back for a visit. With gratitude, the staff, students and parents of Prince of Peace!

Katrina Valencia Head of Campus P-6

POP stand up and be noticed!

Mrs Libby Farmer and myself have been invited to 'tell our story' at the International Restorative Practice Conference in Tasmania next week. Sometimes we can take for granted what we actually have and what we have achieved in our College when we're always in it. We have had people from different arenas comment on the way we have created our 'Honouring Relationships' policy, its culture and the strong links to our Teaching and Learning Framework. It has been called exciting, innovative and truly complimentary to our Christian philosophy. The journey to this point is a colourful one, yet one that God has had His hand on continually. We are honoured to represent our College to an international audience from various industries and celebrate all that we are and the amazing people that make this family work, yes I mean you!

Loving Our Kids on Purpose

This powerful Christian-based parenting program is jointly presented by both the Church and College for all College members and families to attend. This 6 week course will begin in Week 3 of Term 2. Please [click the link](#) for further details and contact either Chris Mills or Pastor David for any questions or to RSVP.

Lunchtime Beats

We are the POP Performing Arts Committee and our bill for this semester is called Lunchtime Beats. Our goal is to play enjoyable and fun music, while being appropriate in the amphitheatre.

Tuesday will be Years 1-3 request days and Friday will be Years 4-6 turn. This activity will start Week 9, 24 March and will continue into Term 2. There is a fun, colourful box in the library for your song requests. Remember to put the name of your song, your name and your class. Also make sure that the song you choose is appropriate for general listening.

We hope you all come and enjoy this free, fun lunchtime music activity.

Holly Tanner and Cara Fraser for the PoP Performing Arts Committee

Writing Competitions

There are currently 2 writing competitions open for our students.

Firstly the Gaythorne RSL have their annual writing competition for ANZAC Day due on 10 April (we are posting pieces on last day of term).

The subject is **'What ANZAC Day means to me'**. This is only open to Years 4 and up. Information can be found at:

<http://subbranch.gaythornersl.com.au/commemorations/events-2015/anzac-writing-competition/>

The Moreton Bay Region Libraries are running **'Everyday Heroes'** which is due 21 April of 200 words. This is open for all year levels. <https://www.moretonbay.qld.gov.au/subsite.aspx?id=85923>.

Entry forms available at student reception or Writers' Club next week.

Writers' Club Week

I am running a Writers' Club next week if your child would like to join other students for inspiration, motivation and hot tips for awesome writing. The focus will be around the two competitions currently running with the Gaythorne RSL and the Moreton Bay Region libraries. The first session is compulsory after school next Monday in the library 3-4pm with a further three sessions afterschool and at lunchtimes to polish off the entries to perfection! Please complete your registration and return to Junior Campus reception by Monday morning 23 March.

New Format to Parent Teacher Night ; Folio Perusal Opportunity

There has been a change in the way we communicate progress at Prince of Peace Junior Campus with the introduction of the **Teachers folio** of your child. This folio contains both diagnostic data as well as final assessment pieces for reporting. As some of the pieces contained in the folio are designed for use by teachers and is vital to their teaching and planning at school, we will not be sending these home. We would however like to make the contents of your child's folio available which can be subsequently discussed at your scheduled interview time. If possible **please arrive 20 mins prior to the scheduled time** to enable a smooth changeover and provide you with the opportunity to view their information. If this isn't convenient in Week 10 please be aware that you are welcome to peruse your child's folio at any time throughout the year by contacting your teacher.

Later in the year we will be inviting parents and carers to enjoy a celebration of learning through our Open Classroom afternoons. This is a wonderful opportunity to view performances, workbooks, models and other learning artefacts that don't always travel neatly in folders. I look forward to announcing these dates next term.

Calling for Testimonials for our new website

Early next term we will be launching our new Website. In addition to our general schooling information, this website will also include short videos, photographs of our students in action and testimonials.

If you would like to provide a testimonial for the website, we would love to hear from you. Testimonials can be about the College in general, about a specific teacher or event, things your child has experienced, relationships you have built, why you chose POP etc. Even students are welcome to submit a testimonial.

Please note, the testimonials will have a first name listed but not a surname. The testimonials may also be used on other publications (such as on brochures, in the Year Book etc).

To submit your testimonial, or request further information, please contact Donna Cook, Marketing and Enrolments Officer, via dcook@princeofpeace.qld.edu.au.

Class Social Reps

We still need CSRs for the following classes: **6S, 6W, 6R, 4W, 4HS, 2T, and 2G**. If you have a small amount of time to help keep our college community growing I would love to hear from you. Further information about this position was sent out by email last week or please email choar@princeofpeace.qld.edu.au.

Caitlyn Brindley (3E) has been selected as a member of her dance company to tour the USA at the end of this month. As part of the tour they are participating in workshops and performing at Disney-world, Universal Studios and on a cruise! She is the youngest member of the team. What an awesome experience. Best wishes Caitlyn and we're looking forward to hearing all about it on your return.

SENIOR CAMPUS Y7-12

Parent Teacher Student Conferences

On 24 March, parents and students have the opportunity to meet with teachers to discuss progress. Appointments can be made online via the College website. Students are encouraged to attend the conference with their parents.

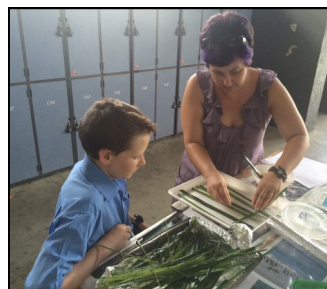

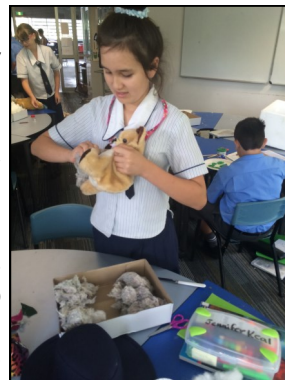

Students Engaged in Learning

If you have visited the Senior Campus, you might have noticed some maths calculations completed in chalk on the forecourt. This is part of the Year 10 agile mathematics program, where students are challenged to make choices about their learning.

The Year 8 are busy preparing for their Medieval Day next Thursday. Costumes are being finalised. We look forward to the opportunity to joust and throw sponges at the stocks.

Year 7 students had the opportunity to engage in some hands on funerary practices. Students had the opportunity to mummify a teddy bear, learning how to extract organs, how to prepare a person for eternity, following rituals.

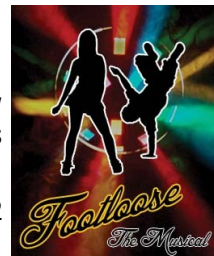

Senior drama had the opportunity to work with a company member from world renowned Zen Zen Zo Physical Theatre Company this week. Students have been working with artist-in-resident Billy to develop their assessment tasks which involve transforming a classic Greek Tragedy into Physical Theatre for a modern audience. Experimenting with conventions such as spatial relationship, expressive gesture, facial expression and vocal viewpoints has extended and enlightened the students.

Footloose

The College musical Footloose is in rehearsal. Each week, students are learning new songs and dances ready for performances in May. We thank Mr Von Hoff, Miss Croucher and Mrs Edwards and the cast for their commitment to this project.

Michelle Nisbet Head of Campus 7-12

Great rehearsals make for great choirs. Don't forget we start at 7:45am sharp. As it gets colder and darker it's going to get harder to get out of bed. I totally understand! But let's make the last few weeks of Term 1 positive.

The Senior Choir have been asked to sing at the Gaythorne RSL Anzac Day Ceremony on April 25. More information will be coming out this week.

SPORT SCORE

[Junior Rep Sport](#)[Senior Rep Sport](#)**Inter School Sport (Gala Days)**

Year 4, 5 and 6 have started training for next terms inter-school sports spectacular, known as Gala Days. We will be participating in netball, hockey, soccer, basketball, volleyball and AFL competitions against 9 or 10 other schools from our district. During the Gala Days (1 May, 22 May and 5 June) the various sports will be played at venues including Southpine Sports Complex, Brendale; Eatons Hill SS, Eatons Hill; Bradbury Park, Chermside; Teralba Park, Mitchelton and O'Callaghan Park, Zillmere.

Please remember that hats and drink bottles are compulsory for all students every week, mouth guards are compulsory for hockey players, but we strongly recommend them for all sports (except volleyball). Each team will be allocated appropriate protective equipment, although all students are encouraged to bring their own as/if available (head gear, shin pads, etc)

If any parents or friends of the school are available and interested in helping us out by fulfilling roles such as team managers, assistant coaches, water carriers or cheer leaders, please contact Mr Wooding (bwooding@princeofpeace.qld.edu.au) and give him an "I"; give him an "AM", give him an "AVAILABLE", give him a "TO", and, give him a "HELP!!"

Inter Lutheran Swimming

A wonderful day at Morayfield last Friday saw 32 of our outstanding young swimmers participate in the annual Inter Lutheran Swimming Carnival.

Fantastic performances by all saw us finish in 4th place overall, a wonderful reward for the effort put in. We had numerous podium finishes, a plethora of 4th places and an equal number of personal bests, first ever's and "wow, did you see that's". Jack Tully and Ellie Hastings were rewarded with School Champion medals as our outstanding swimmers on the day, and all competitors receive a congratulatory ribbon for representing our school so admirably.

District Sport

Our latest district basketball reps, Cooper Bailey and Harry Jones took to the courts at Boondal this week to display their talents in the Regional Basketball Championships. North District has a very proud record in this tournament and the boys certainly added to that history with tremendous displays of court coverage and ball movement. Congratulations boys on a great performance.

Inter-house Cricket and Tennis

The cricket grand final concluded in a most dramatic and improbable tie. Both Jackson and Fraser could not be separated after the initial 20 balls each, and in an unprecedented twist, a further 9 ball shootout resulted in both teams recording exactly the same score again. Thus both were crowned joint champions.

This year's edition of the challenge was easily the best in the five year history of the tournament, mostly due to the sterling efforts of the House Captains in selecting, coordinating and encouraging their teams.

Our second challenge of the year kicks off this week with the Inter-house tennis challenge. All children are welcome to come to the upper oval on Tuesday, Wednesday and Thursday lunch times this week and next.

Brad Wooding Junior Campus HPE Teacher

Inter-school sport is in full-swing in the Middle School with all students in Year 7-9 competing against schools within the North West District on Wednesday (Y7/8) and Thursday (Y9). PoP have dedicated teams in basketball, volleyball, netball & touch football, all of whom have competed to the very best of their abilities (in some very hot conditions!) and represented the College with great enthusiasm. Some great results have also been achieved, and thanks must go to not only the students competing, but all staff and coaches who have provided valuable assistance and expertise during matches. Good luck to all teams for the remainder of the season.

UPCOMING DISTRICT SPORT TRIALS

12yrs & Under Rugby League: Wednesday 25 March

12yrs & Under Football (Soccer): Thursday 19 March

Congratulations to our first ever, Futsal team who took out the U13/U14 Futsal competition at Brendale last week. The team consisting of Charlie Brennan, Joel Burrows, Lawson Caitens, Brendan Fraser, Thomas Ralston and Cooper Schmidt led the competition all season. Thursday, saw the boys compete in the semi-final and grand final. The boys won the grand final 5:3. Thanks to Tony Fraser and Richard Caitens for support of the team.

Continued over....

At the conclusion of the Metropolitan North Regional Swimming Trials held at Lawnton Aquatic Centre on the 25/26 February, Henry Franklin (Y7) was selected to attend the Queensland Schools Swimming Championships to be held at Chandler on the 26 March. This is a fantastic achievement for Henry and promises to be a great experience for him, as he competes amongst the very best young swimmers from all over the State. Congratulations Henry and we all wish you the very best of luck on behalf of the PoP community.

Congratulations to the Intermediate Boys, Senior Boys and Senior Girls Touch Football teams who represented PoP extremely well in the Brisbane Christian Schools Championships at Fairfield last Friday.

RESULTS: Sam Luff (7.2) had a great experience at the Australian Junior Athletics Championships in Sydney. Being the only 11 year old in the U14 competition brought out personal best performances earning Sam 4th in the Hammer Throw, 5th in the Shot Put and 6th in both the Discus and Javelin.

Grant Carlson 7-12 Sport Coordinator

HPE week 2-6 March 2015 at POP

Two weeks ago Prince of Peace Lutheran College participated in National HPE week on both campuses. Over at the Senior Campus we celebrated with activities each day during first break and sharing some interesting facts about physical activity and health on our student notices.

Some of the activities given to us by ACHPER to compete in were the; Keep it Up with QLD Ultimate Disc, the wall sit and circle catching crossfire (cricket world cup inspired challenge), along with our own challenge of the half court shots. Each year students challenge themselves in the half court shots on the hard court, a tradition that the graduating class of 2013 started. But this year's highlight of the week was the Soccer cross bar challenge designed and ran by two of our soccer crazed Year 8 boys, Charlie Brennan and Brendan Fraser. The two boys along with their assistant Joel Burrows designed a soccer inspired obstacle course that students had to dribble a soccer ball around and then aim for the soccer goal crossbar. Students were given 3 attempts to hit the crossbar with only one student being able to achieve this - Korban Howard-van Beek. Congratulations Korban who will be acknowledged at assembly this week along with all the student helpers over the week; Lachlan McLean, Jade Mitra, Michael Salanitiri, Joel Reader, Tyler Bailey, Charlie Brennan and Brendan Fraser.

Great stuff and fun for all!

Samantha Davids Curriculum Leader Health & Physical Education

WEEKLY DEVOTION

I still feel emotional when I hear the recordings of Dorothy (played by Judy Garland) singing 'Somewhere over the Rainbow'. What child has not been inspired by this epic journey, in which a straw man realises he has a heart, a cowardly lion finally finds courage and a tin man discovers his brain?

For Dorothy it was all just a dream. Well, that's how MGM chose to picture it. But it was not so originally. L. Frank Baum, the author of *The Wonderful Wizard of Oz* in 1900, saw it otherwise. In his mind, this is a story of a real journey and the real whirlwinds of life that pick us up and throw us into an entirely new place. He believed that there was a parallel universe- a spiritual world- and that our journey here has a spiritual dimension. I agree.

Real life is full of dangers, and more often than not we do not respond with heart or courage or a good mind, given the challenges we face. It takes a journey into the ambiguities of our own failures and fears to face this truth. It takes being stripped of all the safe comforts we build around ourselves to protect ourselves from vulnerability. The journey we are all on is to recognise what we are missing is actually here with us.
