Further information regarding the exact location of bus stops and their timings for pick up and drop off can be found on our website under Services/ Bus Services.

Pick Up and Drop Off bus runs can be utilised by Year 1 – 12 students on a permanent or casual basis. Prep students are not permitted to use the buses before or after school, however, they can use them during the day for excursions.

PEACE OF MIND FOR PARENTS

Prince of Peace has implemented a GPS-based app, BusMinder, which allows parents to track their child's school bus journey using their smart phone. Students swipe a personal electronic card (linked to their parents' BusMinder account) whenever they board or alight from a Prince of Peace bus.

Through BusMinder, parents can view the real-time location of the bus on Google maps and receive notifications when their child boards and leaves the bus.
