High Expectations

The film *When The Game Stands Tall* chronicles the De La Salle Spartans high school football team which is famous for a 151 game winning streak over 12 years. The film which is based on a true story, captures Coach Ladouceur's concept of perfect effort. He calls for his team to "Give perfect effort from start to finish". 1 Corinthians 15 also captures this sentiment ⁵⁸ Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labour in the Lord is not in vain.

The Teaching and Learning Framework has as one of its underpinning principles – High Expectations. At Prince of Peace, we believe that *High Expectations are important because students learn best when they are expected to realise their full potential. The College has high expectations for all members of our community which include: progress, work ethic, attendance, dress and behaviour. Research suggests that high expectations build esteem, increase confidence and improve academic performance. We want all students to be prepared to put in the "perfect effort", and to be able to make progress.*

At Prince of Peace of Peace Lutheran College we want to work in partnership with parents/caregivers to provide students with sequenced learning opportunities that will provide a solid foundation for each student's future. It is important that with the exception of illness, students attend school every day, that they arrive on time for the educational program, and that disruptions during the school day are minimised so that students have the best opportunity to learn.

We ask for your support as we maintain high expectations in relation to personal appearance. It is our intention that during 2015, we will engage with parents and students to clarify uniform requirements. Prince of Peace students are encouraged to be prepared to stand tall and wear their uniform with pride at all times. If students do not meet, College expectations, they may be asked to rectify incorrect uniform items. We ask for your assistance, as we work together so each member of our community can demonstrate excellence through honour and give themselves fully to their work as a student.

Garth Hunt

Garth Hunt has been an educator for over 35 years, 31 of those in Lutheran schools including St Peter's, Immanuel, Redeemer, LORDS, and Bethania. During that time he has pursued his passion for quality education and his love of rugby. In July 2007, he was appointed as the Principal of Prince of Peace Lutheran School, Rogers Parade West with the responsibility, for the building of the Senior Campus at Henderson Road. Garth was duly appointed the Head of College of the newly named Prince of Peace Lutheran College. The secondary campus opened in 2009, and Garth's vision and oversight has influenced the extensive building and natural landscape. In addition, Garth has shaped the educational, pastoral care, student leadership and outdoor education programs. Garth has been responsible for developing strong community ties, and has established powerful partnerships both locally (Prince of Peace Church Community and Moreton Bay Regional Council in relation to the Water Management project) and internationally (SMA Kirsten Terang Bangsa in Semarang). Garth's legacy and impact on the Prince of Peace community has been immense. We thank Garth and Melindie for their faithful service and sense of vocation and tireless dedication. It is our hope that he quickly returns to good health. We wish Garth and Melindie God's richest blessings for the next chapter.

Michelle Nisbet and Katrina Valencia.

2015 HIGH EXPECTATIONS

Through the collaborative work of teachers across campuses last year we decided on 5 principles which would see improvements in the culture, teaching and learning at Prince of Peace in 2015 and beyond. The first principle focuses on **High Expectations**. Our college staff would like to see high expectations fostered in many aspects of schooling such as how we dress, how we speak, how we interact with one another and what we expect of ourselves in learning.

High Expectations can be achieved if students know clearly what is expected of them and know why it's important and relevant to them. We encourage children to wear a uniform they are proud of, to produce work that is set out well and something they share with a sense of pride.

We align ourselves with the Growth Mindset research of Dr Carol Dweck. Over the year we will be offering various links which we find interesting. This link outlines her research and talks about the importance of praising effort not talent. <https://www.youtube.com/watch?v=NWv1VdDeoRY>

I invite you this year to join with us in our focus on standards and high expectations which has life-long benefits for our children.

Katrina Valencia Head of Campus P-6

KINDY CAR PARK: Please remember that only Kindy Parents are permitted to park in this area and please do not to park behind others restricting those who may need to leave.

Is your brother or sister coming to POP next year?

Under our Sibling Policy, siblings of all current students are automatically accepted into the College. However, they do still need to be enrolled. If you haven't enrolled your younger children for entry in 2016 or beyond, please contact Donna Cook, Enrolments Officer, on 3872 5710 or via email on dcook@princeofpeace.qld.edu.au for an Application Form. You can also print it off from our website and send them in to Reception with your application fee of \$110 for one child or \$175 for two more.

Chess Club News February 2015

Senior Chess Club will start in Week 3 on Thursday 12 February. Senior Chess Club is for players who have played chess previously and all abilities are welcome. Chess Club meets in Mr Russell's room (6R) on Thursday afternoons from 3.00pm – 4.00pm. Please collect a registration form from reception or from Mr Russell and return it before attending.

See you on Thursday afternoon, Week 3!

SENIOR CAMPUS Y7-12

Excellence through honour - we want every student to pursue personal excellence; to honour each other, their God given potential and to give of their best.

Class of 2014 Results

Congratulations to the Year 12 class of 2014 who achieved pleasing academic results. 32.4% of OP eligible students received an OP of between 1-6 compared to the state average of 25.8%. Additionally, 62.2%, were awarded an OP between 1 and 12.

90% of the cohort were OP-eligible, compared to the State, where less than 55% of students are OP-eligible. The significance of this statistic is that we actively encourage a large percentage of students to sit the QCS test and to be OP eligible. We are committed to offer a pathway to Tertiary Entrance for as many students as possible. Additionally, Prince of Peace offers alternative pathways to encourage as many students to gain a qualification. In 2014, 88% gained a qualification. This commitment to enable students to achieve excellence through honour, learning with purpose and growth through challenge will continue as we transition to a new system in the near future.

We celebrate with the class of 2014 on their fine results, wish them continued success in the future, and look forward to hearing about where life takes them as they as they pursue their dreams.

Thank you also to our dedicated teachers for their passion and high quality of instruction that has played such an important part in helping our young people achieve these results.

Semester 2 Academic Awards

Each student was encouraged to seek opportunities for learning and growth in 2015. I acknowledged that each member of our community, is a work in progress and it is only through challenge, failing and trying again that we can keep progressing. To ensure that students can achieve growth through challenge, students will engage in a process to set goals and strategies to achieve them. While not every student was acknowledged formally, all the students who achieved their personal best in 2014 are to be congratulated. Assembly was a chance to acknowledge all those students who achieved Academic Excellence and Academic Honours. The following students reached the standards:

Congratulations to all students who pursued personal excellence in 2014.

Year 7 Camp

In more than one way the Year 7 camp is a leap of faith. Students are asked to depart on a two day camp on the first day of school. in an attempt to develop positive relationships and create connections. Parents are asked to trust the College and send their children off with staff who are unfamiliar, our first step in the development of a powerful partnership. The camp is also a leap of faith due to the activities like the giant swing, rock wall, raft building as students must challenge themselves and each other to experience success.

I had the pleasure of sharing dinner with the Year 7s on Wednesday night, and heard stories of fellowship, laughter, and challenge. The camp is a wonderful opportunity to develop connections and memories, and by all accounts has been a success. See below for some highlights shared by the students:

The Giant Swing was my favourite because of the height. When you release the rope you get an adrenaline rush. Nicholas Anderson

I enjoyed how there was always something to do. The rock wall was hard but I enjoyed it- I got to the top! Samantha Keal

I liked all the activities. It helped me make new friends. The red rock wall was really hard but I felt good when I got to the top. Caitlyn Flynn

Joel broke the Richter scale 11-7 when he screamed on the Giant Swing, we could hear him from the other side of the oval. William Rattray

Ubuntu Calling Ceremony

Last night saw Year 9 students and their parents gather to commence their Ubuntu journey. A year long program in Year 9 marks the important transition from childhood to adulthood. The program aims to provide experiences that will help students navigate the confusing time of adolescence and encourages them to take on greater independence and responsibility with an open mind that is willing to listen and learn, and an open heart that recognises we all need love and respect to grow. The spirit of Ubuntu is found through community. Community is created when you find unity of purpose with others. Students, parents and teachers made a pledge to commit to the journey, and support each other. As part of the ceremony, students were asked to introduce their parents to another student's parents in an attempt to develop some new connections. The student's Ubuntu journey will be marked by excellence through honour, learning with purpose and growth through challenge. We look forward to sharing this important rite of passage.

Michelle Nisbet Head of Campus 7-12

FOUND: A City Beach bag belonging to a PoP student has been found at the bus stop Arbour Street at Ferny Grove State High School. There is a white Moonlee Tae Kwon Do Uniform and a blue belt in it. It was handed in on the morning of the Senior Campus swimming carnival on 4 February. It can be collected from the Ferny Grove State High School office.

MUSIC NOTES

Music Supporters Group (MSG). The first meeting is **TO BE CONFIRMED**. The **MSG** was founded in 2011 to be a parent body that supports our co-curricular music program in three ways:

- ♫ **Creating fellowship opportunities-** for parents of PoP music students
- ♫ **Fundraising-** to assist in providing equipment, music and services for our co-curricular program
- ♫ **Supporting-** music staff during the running and organising of music concerts

There is usually one meeting per term. If you are unable to attend regular meetings, but would like to be kept in the loop with the goings on of the group and called upon when needed for assistance, please send though your intention to do so via email.

JUNIOR CAMPUS

What a great start to the year we've had. Choirs are working hard and sounding great even after 1 week. It's still not too late to join. Rehearsal times are as follows:

Day	Group	Time	Place
Monday:	Primary Choir (Y4-6 girls & boys)	7:45am	Music Room
Wednesday:	PoP Junior Voices (Y2-3 girls & boys)	7:45am	Music Room

Instrumental lessons have commenced this week. Ensemble will start at the discretion of the tutors. If you wish to be part of the band, strings or percussion ensemble, but learn an instrument outside of school, please contact me for details. Lesson timetables should have been emailed to students and will be placed on the College Website.

Should you have any questions about the instrumental, choral or classroom music program on the **Junior Campus**, please don't hesitate to contact me.

Class music lessons: A reminder that students in Years 4-6 will need a recorder. I have quite a number of spares that are cleaned every day should your child forget, however it's best to have their own. There are also a few left here from last year if you've misplaced it.

There will be an opportunity for Year 6 students to apply for **Music Captain** this year. Those students wishing to apply should see Mrs. Cudney for a nomination form. Forms are due back Monday 9 February.

SENIOR CAMPUS

Music Lessons and Ensembles have commenced. **Concert Band** will officially commence on **11 February**.

Regarding lessons, you will be receiving parent handbooks and student timetables shortly from both myself and tutors. These will be placed on the music board outside of reception to be viewed by students as well. If you have not received lesson information or would still like to enrol, please contact me at ccroucher@princofpeace.qld.edu.au and I will send information to you directly.

KINDY CORNER

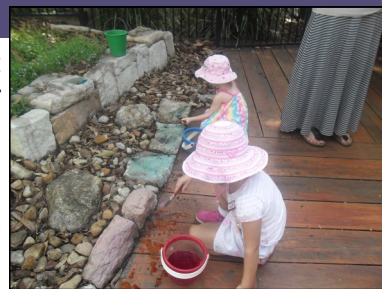

Kindy has started with a great new crew of children eager to see what there is to offer. Our play based program allows loads of time for children to explore, discover and have fun in our beautiful bushland area. Our program this term is focused around "getting to know, and getting along" and this is a time for staff to get to know children and parents and vice versa. To add to this we closely follow the children's interests and already we are exploring the topics of transportation and machines.

If you are considering putting your child in kindy, we would love for you to give us a call and drop up for a visit. Miss Lyn and Miss Julie would love to show you around our lovely facility.

Here's to a great 2015.

SPORT SCORE

[Junior Rep Sport](#)[Senior Rep Sport](#)**School Sport**

Our first lunchtime inter house challenge begins next week. Cricket is the game and it is open to players from Years 2 to 6 (10 players each team). The newly elected House Captains and Vice Captains will be eagerly seeking players for their teams so sign up announcements will be made during the rest of this week.

District Sport

23 of our best and brightest swimming stars will take to the water next week during the district swimming carnival at Somerset Hills State School. Events kick off on Tuesday afternoon (4-6.30pm) and again on Thursday during the same times. Everyone is welcome to attend, free entry and a canteen with hot food will be available.

We wish all swimmers the best and trust that they will represent themselves, their families and our school with distinction. Our squad consists of: Kaitlyn Vidler, Anya and Lara Wadham, Tyla Proctor, Ellie Hastings, Ella Lane, Claudia Tully, Ella Torrens, Maya Pingel, Heidi Noon, Yubo Hahn, Sasha Mee, Jordan Edwards, Gerald Freislich, Oscar Bojcic, Mattias and Jonas Forbes Schutz, Oliver King, Isaac Kyle Little, Liam Jamison; and, Sam, Will and Riley Peterson.

Trials for the district Basketball teams will be held in 2 weeks. Girls on Tuesday 17 February at Albany Creek State High School and boys on Thursday 19 February at Albany Hills State School. Both trials start about 3.30pm. For full details and requirements please see Mr Wooding. Don't forget to check the link on the top of this page to see which other sports are coming up soon.

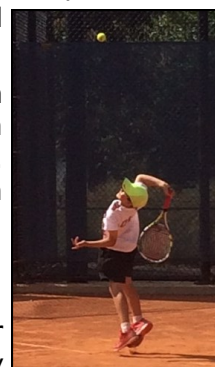

Brad Wooding Junior Campus HPE Teacher

CONGRATULATIONS:

Ethan Chilton (6W) was busy with soccer over the school holidays, starting with trials where he earned himself a place in the Brisbane City U11's Academy team, then his team placed second in a Futsal competition (they were undefeated until the Grand Final and were beaten by one goal), then he had three days in England training with the Aston Villa Football Academy. Now he's back on the field in Australia, pre-season training and games have already started for the Academy team. Good luck Ethan for the Met North trials in March.

Our tennis ace Ethan Takac (6R) and his team mates made it through to the finals after great wins on hardcourt and clay. The final (QLD vs NSW) was an outstanding battle that ultimately NSW won, placing QLD second in the Nationals. Ethan also had the experience of being the coin toss boy for the Murray vs Berdich semi final game.

Dear Prince of Peace parents/caregivers and members of the wider PoP community,

My name is Grant Carlson and I am the new Sport Coordinator for Prince of Peace Lutheran College 7-12 campus from 2015. My family and I have recently relocated from Cairns, FNQ where I was the HPE teacher & Sport Coordinator at Peace Lutheran College. I am very excited to not only continue the great work that has been established already within the PoP Sport community but also assist with establishing new initiatives and pathways which can offer our students opportunities to furthering themselves in whichever sporting pursuit they choose.

My role primarily consists of coordinating and convening the "Big 3" inter-house carnivals within the Senior Campus (swimming/cross country/track & field) plus the organisation of inter-school teams, regional and district trials/representation, sport development and always promoting a positive sporting culture within the entire College community. We have very committed and enthusiastic staff members within the Senior Campus who are always willing to lend their expertise towards assisting students with their sporting pursuits and we very much look forward to a continuation of these efforts during 2015. Please don't hesitate to make contact with myself via email if you have any queries about anything sport related at the Senior Campus!

Grant Carlson 7-12 Sport Coordinator

Calling all soccer mad POP Dads, Sons, Friends... POP GUNS and POP STARS need you.

POP Lutheran Church, in conjunction with the College, has two soccer teams in the Open Men's Div 2 and Div 4 soccer competition in the Baptist Football League. Ages 15-90+ years.

Matches are played each Saturday afternoon with no compulsory training during the week. Most games are played at Mitchelton or at the College. Previous experience is not required. Just a willingness to join in, give it a go and meet our POP families. Enquiries: call Bryan Cook on 0418 602 071.

COMMUNITY

During the hot weather **Iceblocks** will be available to Y1-6 students on Thursdays! Iceblocks will be available for purchase for **\$1** each for either milk chocolate or tropical fruit juice. Each child is only allowed to purchase one iceblock for themselves.

Volunteers are also required to help sell the iceblocks at lunchtime. It is a very easy and fun way to help fundraise for the school and it only takes 30 minutes of your day. If you would like to go on the roster please contact Susan at the4freemans@gmail.com.

AUXILIARY

Hello from the POP Auxiliary!

Our group runs a wide variety of activities offering social opportunities while raising funds for the college - from bookclubs to bake sales, skate nights and fashion parades, you'll find a happy band of Auxiliary volunteers behind the scenes, working to make things happen for the students and the school as a whole.

Some of our events take place regularly e.g. special lunches and morning teas, and iceblock sales, while others are annual - Twilight Markets, Mothers & Fathers Day stalls.

Money raised in the past has been spent on readers for Preps, water coolers, RedKat audio systems for classrooms, and outdoor seating at the Senior Campus to name but a few of the projects we've supported.

We are looking for willing helpers and fresh faces to either assist with some of these activities - even just one! - or come along with new ideas for the group. Our first 2015 meeting will be on **Wednesday 11 February, at 8:45am** in the Junior Campus kitchen, under the Year 1 classrooms, with ample tea and coffee provided. Plates of goodies always welcome :-)

WEEKLY DEVOTION

The Blank Canvas

At Chapel on both campuses in this past week the students and staff were presented with the image of a Blank Canvas and asked to reflect upon what this suggested to them about God, about themselves and about others. The answers reflected a depth of thought and creativity that delighted and inspired us all:

- ❖ Father, Son and Holy Spirit are the triangle of legs holding us (the canvas) up.
- ❖ God's heart is pure.
- ❖ When we paint/get something wrong God wipes it clean for us and we can start again.
- ❖ We have been given the power to paint our own life.
- ❖ The canvas doesn't just have to represent us, it could be our whole class or the whole school and the easel is all of the people who support us.
- ❖ Our friends could be the canvas and we can be the easel supporting them with kindness.
- ❖ When we first meet someone they are a blank canvas to us.
- ❖ In art there are no wrong answers and that is how God sees us.
- ❖ We have a chance to help create a part of other people's life story/painting.
- ❖ We are forgiven.

MEALS 4 YOU

We request the assistance of **4** helpers for **Wednesday 11 February from 12.30pm** in the Junior Campus kitchen for set up and also the assistance of at least **17** volunteers for our cooking day, **Thursday 12 February**. Cooking commences at 8am. Any time you are able to give will be greatly appreciated.

To assist with preparations please advise your availability via the email address below.

Should you not be able to attend the cooking day but still wish to assist, we are seeking volunteers to provide the lunch for the workers on Thursday 12 February. This can consist of sandwiches, rolls, pizza, something easy to eat. Catering is usually for about 15 people.

The Meals 4 You quarterly meeting is on **Monday 16 February** at the Everton Park Hotel 6.30pm for a 7pm start. The Agenda will be sent out on 9 February.

I look forward to cooking with you all again and serving our community with a meal of love and hope
