Prince Of Peace Communications Observations Reminders and News

PRINCE  
of PEACE  
LUTHERAN  
COLLEGE

## From the Acting Heads of College

A partnership is often sealed with a handshake. The handshake is a social custom that signifies a mutual respect, a greeting of openness, a blessing. A handshake is symbolic of a commitment. As Acting Heads of College, we would like to reach out and shake each of your hands and demonstrate our willingness to develop a connection with each of you, and our commitment to developing a powerful partnership. At Prince of Peace, we believe that lifelong learners are nurtured, supported, modelled and inspired by the powerful partnerships of home, College, and wider community. We want to develop a powerful partnership with each student and their family.

During Weeks 2 and 3 opportunities to develop powerful partnerships have been evident. We thank all parents who have availed themselves of opportunities to come to school and learn about educational programs. The connection between student, teacher and parent is a very important one, and we thank you for your willingness to commit to developing shared understanding. We also believe it is important that you are able to connect with the parents of other students in your respective cohort, therefore the value of fellowship. At the recent Ubuntu Calling Ceremony, we were very deliberate in asking students to introduce their parents to a family they did not know. We want you to share the journey, to walk beside each other.

Year 12s received their Senior Jerseys on Friday, which symbolising their shared journey and partnership. On Friday, the Year 6 students will commit to their leadership journey, and their willingness to partner with staff and peers to lead the Junior Campus. Year 9 students have

entered into a partnership with their peers, teachers and parents to explore the universal bond of sharing. On Tuesday, Year 7 and Year 12 buddies met for the first time. In the coming weeks, Year 5 and Year 10 students will develop connections through acts of service. Year 4 students have embraced the opportunity to be mentors for our Prep students, and we look forward to seeing these partnerships develop.

Powerful partnerships extend beyond our immediate College community. One of our most powerful partnerships is the connection between Prince of Peace church and the College community. This is a very tangible partnership characterised by both prayerful and practical support. Other examples include The Hills District Chamber of Commerce, and Gaythorne RSL.

Powerful partnerships between teachers, students and parents will positively impact on student learning and growth. We thank you for trusting us with your students educational experience, and we look forward to meaningful ways to enhance these partnerships.

## JUNIOR CAMPUS Prep-Y6

### Powerful Partnerships

#### **Installation of the Junior Campus Leaders**

All parents and visitors are invited to join us for the installation service of our Junior Campus leaders. This is an exciting time for our leaders as they step forward into their new roles as ambassadors for our College community. Please join us for a time of worship, celebration and acknowledgement as we commit these young men and women to Christ for the task ahead.

#### **School Safety**

The following points are some important safety reminders for our students, particularly around the internal and external roads of our school.

- Parents are to adhere to the speed limits within the school grounds.
- Parents and visitors are reminded to access the pedestrian crossings when crossing our internal and external roads.
- Parents using the Stop Kiss and Go zone are asked to move as far forward in the zone as possible to avoid traffic from backing up onto Rogers Parade more than is necessary.
- When collecting students from the Stop Kiss and Go zone, please ensure that the driver does not get out of the car as this can significantly slow the area down. Parents are asked to encourage their children quickly into the car and move out of the line with care and back onto the ring road.
- To assist the teachers on playground duty, please ensure that once you have collected your child/ren from school that you maintain vigilance over their personal safety. Staff on duty are required to ask children to sit quietly while waiting in the after school areas. It is very difficult for the teachers on duty to distinguish between those families who have collected their children and those children still requiring supervision if children are moving freely around the undercover spaces.

#### **Partnering with our Neighbours**

- Please be mindful that our school is nestled in a suburban zone. The surrounding streets and cul-de-sacs have specific parking regulations.
- Out of courtesy to our neighbours please be careful not to double park, block driveways or linger any longer than necessary.
- Always be mindful of where your children are at all times, particularly once they step outside of the school grounds.
- No students are to be left unsupervised outside of the school grounds, particularly in the cul-de-sac across from the Rogers Parade Crossing.
- If students are not going to be collected promptly, they are to wait in the Stop Kiss and Go Zone under staff supervision.

#### **School Uniforms and High Expectations**

- It is expected that all students who are outside of the school grounds in their uniform will be wearing the full and correct uniform at all times.
- Student hair should be kept neat and tidy and in accordance with the College's Uniform Policy.

**Katrina Valencia** Head of Campus P-6

#### **Class Social Reps**

We are looking for volunteers for the positions of Class Social Rep for each of our Junior Campus classes. This position is all about helping to create friendships amongst parents by organising social outings which may be for the whole family, or just parents. We also ask that you help out your teacher/s with finalising Fete Rosters and forwarding on weekly emails that will be sent to you from the CSR Coordinator. If you would like to take on this role- alone or with a friend, please email me at [hoarhouse@aapt.net.au](mailto:hoarhouse@aapt.net.au).

**Carleen Hoar** CSR Coordinator

**LOST** – one black NIKE basketball with purple tick emblem lost from the Year 6 bag racks late last week. Basketball is named on the purple tick. Reward offered for its return. Please return to Mr Russell's classroom.

## SENIOR CAMPUS Y7-12

### Inspire Learn Grow

Over the last couple of weeks, there have been plenty of opportunities to see the theme for 2015 – Inspire Learn Grow in action. When the staff attended the workshop to launch 2015 with Dan Haesler he introduced the concept of Flourish. In many ways Inspire Learn and Grow captures the concept of flourish. We want each student to experience positive emotions, a high level of engagement, positive relationships, and be able to develop meaning in what they are doing and have a sense of accomplishment. In the right conditions, all individuals can flourish, and with Christ at the centre of our endeavours we are well placed.

A few examples of how I have been inspired or witnessed growth in the last couple of weeks:

- Every time I walk past the Year 7s and Year 11s playing table tennis at the break my heart sings.
- The way the Year 7s and Year 12s made meaningful connections on Tuesday when buddies were announced.
- The students who challenged themselves to compete in events at the swimming carnival.
- The Year 9s making their Ubuntu commitment.
- The parents who came along to Parent Information Evening wanting to develop connections, and sharing their child's learning journey.
- The Year 11s as they have navigated the challenges and opportunities of a personal device.
- The Year 10s as they have engaged with learning Mathematics in a different way.
- The Year 8s have started to immerse themselves in Medieval History

There will be many more examples during 2015 and look forward to sharing how the students of the Senior Campus are flourishing.

### Senior Jersey

Last week Year 12 received their Senior Jerseys. It was a very exciting experience and was followed by many photos.

Georgia Murray says, "The jersey is really comfortable and it really feels like we're in Year 12 now."

The Year 12s are now ready to leap in 2015!

**Destiny Marshall 12.1**

**Congratulations** to Cooper Schmidt (8.2) who achieved the following results: 1<sup>st</sup> High Jump, 1<sup>st</sup> 80m Hurdles, 2<sup>nd</sup> Long Jump, 2<sup>nd</sup> Triple Jump, 2<sup>nd</sup> 200m Hurdles at Little Athletics. Cooper will proceed to state championships next month. We wish him well at this next stage.

### Sporting Opportunities at the Junior Campus

There are a number of opportunities for our children in Years 3-6 to be involved in competitive sport at the Junior Campus, although the different competitions, formats and levels can be quite confusing. Please see the [attached outline](#) for a full explanation of what is currently available and the requirements.

For those children in Prep, Year 1 and 2 there are also a number of opportunities to become involved in our sporting programs. Cross Country (Term 2) and Athletic Carnivals (Term 3) are the big events, lunchtime sport is up and running while there are also numerous opportunities to join in with community programs being offered at our campus - Tennis, Auskick (AFL) and Rookies to Reds (Rugby). We will seek to add to these in the coming weeks and months.

### District Swimming

As reported last week, 23 of our finest swimmers are midway through the district Carnival at Somerset Hills SS. Many had their first taste of the competition last evening with the remainder looking forward to the second and final night of action tomorrow (Thursday night). Congratulations to all swimmers and huge thanks to their parents for affording them the opportunity to represent themselves and our school with such distinction.

### Interhouse Cricket

Our annual 20/20 cricket competition has commenced with Bradman upstaging Laver in the first match. The second game between defending champions Jackson, and Fraser will be played today (Wednesday), with games continuing on Mondays and Wednesdays for the next three weeks. ### Senior Campus 2015 Inter-house Swimming Carnival

On Wednesday 4 February, the Senior Campus was transferred to Albany Creek Leisure Centre for the 2015 inter-house swimming carnival. As well as the traditional competitive strokes, novelty events were included and proved to be a highlight particularly with our Year 7 students who were experiencing a Senior Campus carnival for the first time.

At the conclusion of all events, Fraser House was awarded the perpetual shield for Champion House. Congratulations to them, and also to all students who contributed wonderful house spirit and made the day such a success. Special thanks to Albany Creek Leisure Centre who provided such a wonderful facility, and also to all PoP staff for their tireless efforts before, during and after the carnival. On behalf of the Executive Committee of the POP Parents and Friends Association, welcome to 2015!

After a successful 2014 where the P&FA funded a number of requirements within the Junior and Senior Campuses we are looking forward to a bigger and better 2015. You will see a number of changes from the P&FA this year including more communication, providing an opportunity for more feedback from you and looking for new and innovative ways to add value to the college.

In November last year the P&FA held its annual AGM where the following people have kindly donated their time and support in the following manner:

President – Brad Scott

Vice President – Damian Gray

Secretary – Derrick Vickers

Treasurer – Billy Govan

Grants Manager – Robyn Bailey

Fete Convenor – Cath Watson

Our first P&FA meeting for the year will be held on Wednesday 25 February 2015 at 7pm in the Junior Campus Library. In addition, we are seeking support from those parents who have a passion for Music and Sports to assist the Music Supporters Group or the Sports Supporters Group.

## WEEKLY DEVOTION

### Seeing the Hidden God

Last week, the students looked at 'impossible images' as part of our 'Inspirational Objects' focus for chapels and classroom devotions. There were some great responses including;

- God can always get things to happen
- Nothing is impossible for God
- Never give up on yourself.
- Believe in yourself and you can do anything.
- People see things in different ways

For me, the most amazing response came from one student on the Junior Campus who said, **"Sometimes we can keep looking for God and not see him. Then suddenly, when we do, we can't not see him."**

There are times when God can be hard to see. Like an impossible image, we can look and look, and wonder where he is. And that can lead to all sorts of doubts and self-doubts.

But what if there were some good reasons why God, at times, chooses to remain hidden.

**Hidden for our protection.** In the Old Testament, seeing God often led to death. Maybe, God hides from us as a sign of grace and mercy... sort of like a parent deliberately staying distant when a child does the wrong thing, so that the child can discover more about him or herself.

**Hidden for the sake of relationship.** Rules that are obeyed because someone is watching us don't change us. Real change occurs as we do things from the heart, rather than out of fear. Maybe, God remains hidden, at times, so that we can learn to love from the heart, rather than because we have to.

**Hidden to be seen.** The bible says that all who seek the Lord will find him. Maybe, God remains hidden, at times, so that we can look with great intent; like looking at the inkspot picture... there can be great joy when the image becomes clear.

Pastor David
