Mesh and fabric sports shoes do not provide adequate protection in the workshop. Students must wear a full leather formal or sports shoe to protect feet from injury.

**End of Year Purchases:** We recommend uniforms should then be put aside “as new” (unwashed and unlabeled) until the week before school commences and checked for final fit at that time. If your child has grown considerably and items are no longer a suitable fit, then they can be brought with your receipt, to be exchanged. If you are satisfied with the fit then they should be washed to remove starch/sizing, and labeled before wear on the first day. To maintain optimum appearance and durability please follow the care instructions on uniforms for washing. Socks should be cleaned with a colour safe soaker to preserve the stripe colour.

**Spare Buttons:** Junior Shirt Buttons and Junior Dress Buttons are available separately. All other uniform items should have spare buttons included on the garment – please check side seams for the Junior Sport Shirts, bottom of the placket for Middle School Formal Shirts, centre front lining for the Middle School Blouse and bottom of the pockets (outside seam) for the Middle School Skirts and Dresses, and near the inside chest pocket for the Senior Blazers.
