Prince Of Peace Communications Observations Reminders and News

PRINCE of PEACE LUTHERAN COLLEGE

From the Head of College

"Trust in the LORD with all your heart, and lean not on your own understanding; in all your ways acknowledge him, and he shall direct your path" (Proverbs 3:5-6)

Upon my arrival to Prince of Peace Lutheran College I have experienced a very warm welcoming community (despite the unusual cold weather Qld experienced last week). My daughters Harriet and Sorcha have settled into their new school routines with ease, and it was great to witness the coordinated efforts of various members of the POP community rallying around them to ensure a smooth transition into their classes. As a family we have been humbled by the care and grace shown to us from the local community.

I would particularly like to thank Michelle Nisbet and Katrina Valencia for overseeing the leadership of the college over the last three terms. They work tirelessly in their service to the College and I am grateful for the passion and professionalism they both bring to their respective roles.

It has been inspiring to see how both the staff and students have commenced Term Three and there has already been much to celebrate within the community. On Sunday we saw nine Prince of Peace students receive their first communion at our church. Whilst listening to their video messages, I felt privileged to be able to understand and become part of their ongoing faith journey. Both campuses have been a hive of activity and I have witnessed band practice, students living out the gift of compassion through raising money for charity, invited into games of handball and made to feel most welcome within the college. As the College develops its Agile Digital Strategy it was exciting to see the staff collaborate during the first few days of term and this was a real celebration as staff came together, learnt new skills and shared their professional knowledge with one another.

As plans are made for my installation as the Head of College, I am mindful that this is a new chapter in the life of the College and this time allows us to recognise the traditions and heritage that Prince of Peace has been built upon. During the term I will be taking opportunities to meet with as many people as possible, taking time to listen to their stories and learn how they contribute to our community. This will be an opportunity for me to gain an understanding of the College and allow people to have an input in how we shape our community going forward into the future.

It is an honour to be called to serve the Prince of Peace community as your Head of College and I truly look forward to meeting you all. I wish all our families God's blessings as we begin a new term.

Welcome!
What a wonderful start to Term 3. The Junior Campus staff, students and families warmly welcome Mr Philip Hulland as our new Head of College. It was wonderful to be able to pray for you at our opening Whole School Chapel. We continue to keep you in our prayers as we move forward in this journey together.

Building Update
During the holidays several matters have progressed further with our Year 4 and LOTE classrooms. The insurance claims for our building, contents and landscaping have all now been finalised which is tremendous news. Work began in earnest over the holiday period with the stripping of carpets and heavy duty cleaning of the slab and walls. After a period of drying, the building works have commenced. We look forward to watching the building progress and further information will be forthcoming as the days move ahead. I will keep you all updated on the time frames as more information is available.

Installation Service, Sunday 26 July – Parking considerations
This Sunday we are expecting larger than normal attendance at our Sunday 9am service due to the installation of our new Head of College Mr Hulland. There are a couple of requests the College has in relation to parking. Parents and visitors are asked to use the hard court and Prep car parks as much as possible to allow our elderly community members both from the Church and College to park on the same level as the Church main entrance for ease of movement. Morning Tea will be served in the Year ½ undercover area near the Junior Campus kitchen. Families and visitors are encouraged to fill the Church seats first and further seating will be allocated in the foyer. Senior Choir students will be required to meet Mrs Cudney before the service and will wait together either in the foyer (space permitting) or outside the Chapel between the Church and the Church Offices. All students attending the service are requested to wear formal school uniform for this special occasion.

Teaching and Learning Improvements
It's been a great start to the semester with teachers unpacking the agile digital learning in classrooms during student free days along with team meetings around curriculum for the semester ahead. As a teaching staff we will also be continuing our focus around spelling.

With the rising use of digital devices, some hold the belief that correct spelling knowledge is less important due to the 'spell check' facility available, however, professional and educational institutions around the developed world would argue that spelling knowledge is a crucial skill to have; 'spell check' tools are not always available in every context that written language is used, e.g. information needs to be handwritten in a timely way.

Formal writing, with or without a computer, demands the knowledge of how homophones are used e.g. *to*, *two* and *too*. Correct spelling continues to be an iconic characteristic of an educated and competent writer. The more fluent our students are in this capacity, the more fluent they will be in generating their ideas in writing.

The program we have developed has two strands; one which addresses the spelling features (rules) as identified in the Australian Curriculum and the second attends to the high frequency words students use regularly in their writing. Students will work through the various levels, mastering one list after the other. 'No Excuse Words' for our students emphasise that accurate spelling is not just about 'getting it right on a Friday test' but that mastering these words needs to carry into our everyday writing. Our ideas can reach our readers when we communicate with accurate spelling. Partnering with parents, particularly over the next semester as we roll out this new program, will mean that we can help our students reach their potential in this way.

Semester 1 Academic Awards

At assembly on Tuesday we acknowledged those students who have reached a set academic standard. While a number of students from each year level will receive an award, there are also many other students who have achieved excellence through honour. We celebrate all those students who have committed to learning and continuous improvement in order to discover and achieve their personal best-whatever that might be. In the words of Larry Bird, each student had the opportunity to recognise their God-given talents, work their tails off to develop them into skills to use them to achieve their goals. Each student has had the opportunity to stretch during Semester 1 and grow to reach their maximum potential. Excellence through honour is not just about those receiving Academic Awards, it also refers to those individuals who have made progress this semester, who have pursued a higher grade overall or in a particular subject or who have put in their best effort or those who tried harder in Semester 1. Congratulations to all those students who have achieved excellence through honour this semester. These awards are based on Semester 1 Summary Report.

Year 12 Formal

I would like to congratulate the Class of 2015 on how they celebrated their coming of age. It was a night to remember, with plenty of photos and reminiscing. The highlight was the dancing, where our young adults engaged in a progressive rhythm foxtrot. It certainly made my heart sing to see our young people engaged in conversation as they changed partners. Thanks to Mrs Rhonda McKenzie for all her work in making the evening a milestone event.

POP In

28 August will be POP In. On this afternoon parents and friends are invited to POP In and share in our students' learning. If you could mark this date in your diaries, as in the coming weeks, students will be invited to participate in this important showcase.

Senior School Leadership Installation

On Monday, 27 July our Year 11 leaders for 2015/2016 will be installed at College worship. In addition, Lighthouse Honours will be bestowed on a number of Year 12 students. Parents are warmly invited to attend.

Senior Campus

Welcome to Term 3. I have listed below performance times for students at the college fete, Saturday August 1. As has been the case in previous years, the demountable building next to the rides area will be open for students to place their gear in throughout the day. The performance space is the main stage on the Junior Campus Oval.

I will be at the performance space from about 10:30am, available to assist students and answer any questions on the day. Please ensure your child is wearing **formal college uniform** with ties for boys and blazers for the Seniors.

Thank you in advance for your support of the Winter Fete. It's a wonderful opportunity for our ensembles to perform and be appreciated for all the hard work they do in rehearsals. Please see times for each group's performance below. It will be necessary for students to be in attendance at the performance location at the Junior Campus by half an hour before their scheduled performance time so tutors can tune their instruments.

We look forward to fantastic performances by all groups at the Fete. To this end, rehearsals over the next few weeks are very important for consolidating repertoire and polishing the pieces to be performed. We hope you will enjoy this performance experience for your child.

MUSIC

MUSIC NOTES CONTINUED

The Inter-Lutheran Band Camp was fantastic for the students who represented our College. The arena of the St. Peter's Performing Arts Complex was awesome for them to play in, and the array of percussion instruments on hand was amazing. The students had choral and body percussion sessions, and performed pieces from both these workshops at the concert. They also had sectionals just for their instrument with very qualified tutors. The three days culminated in a fantastic concert on the final evening –parents of all our students attended and were delighted with the end result. They all thanked the College for providing the experience. Our students shone and received lots of compliments from the staff of other schools.

3-6 Athletics Carnival

We were blessed with a magnificent day for the Yr3-6 athletics carnival last term, blessed with wonderful participation, performances and behaviour from our students and blessed with brilliant support from staff, parents, friends and helpers of the school.

The competition was intense but very good natured, with results including the sensational and the surprising. Records were bettered; places gained; effort expended; distances or times set, then surpassed, then reset. Mostly with a smile and happy acknowledgement of the wonderful efforts of all participants.

Our revamped format seemed to run well (and more or less to time) with all participants able to contribute to the overall position and standing of their respective houses - a magnificent effort by one and all.

Of special note was the support and assistance offered by the newly commissioned Senior House Leaders who so ably supported each child and every activity throughout the day.

After all results were recorded and tallied, the final results stand as follows:

Overall: 1st Jackson; 2nd Fraser; 3rd Bradman; 4th Laver.

Percentage: 1st Fraser; 2nd Bradman; 3rd Jackson; 4th Laver.

War Cries: 1st Bradman; Equal 2nd Laver, Fraser and Jackson.

Congratulations to all, and a huge thanks to all staff, parents and supporters who made the day such a success. District nominations have been made, with those children selected heading off to McPherson Park, Bracken Ridge at the beginning of Week 3.

Senior Campus Athletics Carnival

On Wednesday 24 June, the POP senior campus was transferred to Leslie Patrick Park, Arana Hills for the 2015 7-12 inter-house track & field carnival. All events were contested with vigour and enthusiasm by all participants, and it is a credit to all students that the day was filled with great fun, friendly competition and such a positive energy. The 4 x 100m divisional relays which were the final competitive events of the day proved to be a highlight, as was the staff v students relay which was run in great spirit (never mind the result!). Our wonderful Sport Supporters Group provided a Sausage Sizzle/Drink Stall fundraiser for staff and students to enjoy during the lunch break which was very well patronised and much appreciated.

At the conclusion of all events, Fraser House was awarded the perpetual shield for Champion House, closely followed by Laver who have pushed Fraser all the way in each of the "Big 3" carnivals in 2015. Congratulations to them, and also to all students who contributed wonderful house spirit and made the day such a success. Special thanks to Arana Hills Little Athletics who provided such a wonderful facility, and also to all POP staff for their tireless efforts before, during and after the carnival. We now look forward to the North West District Secondary Schools Track & Field Championships which are scheduled to run 5-6 August at the University of QLD grounds. Information for all eligible students is to be distributed at the end of Week 2.

The official results and age champions for the 2015 inter-house athletics carnival are as follows:

Woolworths Earn and Learn

The College is once again participating in the Woolworths Earn and Learn promotion for 2015. The Woolworths Earn & Learn program will help our college earn valuable learning resources. The promotion concludes on Tuesday 8 September 2015

It's simple to participate.

When anyone from our college community - staff, parents, friends shop at Woolworths, they can collect stickers to place on sticker sheets they have been provided. They'll receive one sticker for every $10 they spend. Once completed, sticker sheets can then be placed in a collection box at either campus reception.

Through Woolworths partnership with Modern Teaching Aides, the college will have the opportunity to receive resources at the conclusion of this promotion.

New Psychologist coming to Prince of Peace - Sioban Laffey B. Psych (Hons)

It is our pleasure to introduce Sioban Laffey a highly recommended psychologist with experience in supporting children and teens and adults.

In recent years Sioban developed Thrive Clubs - an emotional resilience program for primary school children - and facilitated this in three schools. Sioban is extremely passionate about the emotional/ psychological and spiritual wellbeing of children and young people. We met with Sioban during the break and are very excited to introduce to her you as part of Prince of Peace's extended Pastoral Care Team to support your family.

If you would like know more please contact the Leader of Pastoral Care & Wellbeing on your child's campus: Chris Mills or Libby Farmer. cmills@princeofpeace.qld.edu.au and lfarmer@princeofpeace.qld.edu.au

Mandatory Participation in the Nationally Consistent Collection of Data on Schools Students with Disability (NCCD – SWD, 2015)

From 2015, all government and non-government schools in Australia are required to participate in the annual Nationally Consistent Collection of Data on School Students with Disability.

This national data collection is aimed at providing all Australian schools, education authorities and the community with a clear picture of the number of students with disability in schools and the adjustments they require to enable them to participate in education on the same basis as other students. The national data collection is being phased in over a three year period before full national implementation occurs in all schools in 2015.

At Prince of Peace we were fortunate to participate in the 2013 and 2014 data collection. Therefore for us at Prince of Peace we will be continuing to provide the information as required and hopefully will be an easier task.

Further information regarding this collection is available at: Department of Education/NCCD website http://education.gov.au/nationally-consistent-collection-data-school-students-disability.

If you have any questions about the 2015 national data collection please contact Reception at either campus.

Fireworks Sponser

Thank-you to Ray White for offering to be the major sponsor at this year's Winter Fete. Ray White will be sponsoring our wonderful fireworks display which kicks off with a bang at 6pm sharp. In recognition of their support, Ray White banners will be flying on the Junior Campus until the fete.

WINTER FETE 1 AUGUST

Cake Stall - Please write or print your labels for the cakes for the cake stall. If you're able to assist with preparing for the big day, please contact Debbie at debbie.gibbings@rfq.com.au

Baking Ingredients - we have plain and self raising flour, caster and brown sugar. Cooking chocolate, choc bits, choc melts, coconut and a few tins of condensed milk available to assist anyone baking for the fete. If you would like any ingredients, they can be collected from the Junior Campus reception.

Ride Armbands – $30 until 4pm Friday 31 July. Can be purchased either via www.flexischools.com.au or from either campus reception. Price for armbands on the day will be $35 or $5 per ride.

Soft Drink Bottles – Thank you everyone who donated as part of the donation challenge. Unfortunately we have come up approximately 300 bottles of soft drink short of what we require.

If anyone is able to donate a bottle of 1.25l soft drink, it will be gratefully accepted.

Please take to either campus reception and place in the marked boxes.

Side Show Alley – This year we are running side show alley differently to past years. This year, everyone can take part in the fun activities by purchasing tickets on fete day. Tickets will be on sale at the Ride and Side Show Ticketing booth. Prizes will also be through a ticketing system with people able to increase their prize by collecting more prize tickets. There will be a prize collection point where tickets can be converted to prizes throughout the day. The side show alley games and activities that are included in the tickets this year are:

* Splat the Rat * Chuck the Chicken* Knock Em's *Arches* Stik-Tac-Toe* Ping Pong Pringles* Ducks

There will also be Face Painting, Photobooth, Lucky Dips, Sand Art and Novelty stalls for all to enjoy.

DEVOTION

MEALS 4 YOU

CHURCH

DEVOTION

Some years ago while living in Europe I had the great joy of attending Carnival in Germany. Carnival is a huge celebration that happens in the week leading up to Lent. It is a kind of living it up, "last drinks" before the fasting that traditionally happens in the 40 days leading up to Easter. From small villages to the biggest cities for days you come upon parades of clowns, knights and other colourfully dressed folks playing music, laughing and dancing, and doling out wine, beer and lollies to the gathered crowd. The joy is palpable.

Away from the parade though I happened upon an old, tired clown who sat all on his own away from the crowd looking a little worse for wear. The quintessential "sad clown." That image has stayed with me ever since. It was such a poignant image of the duality of life. Joy is without a doubt one of the best of the "Fruit of the Spirit", but sometimes it is just a mask we are showing to the world. Are you putting on joy like a costume to convince the world that you are keeping up with the party called life? You may fool the world, and perhaps even yourself, but God sees you as you really are. God sees the tiredness, the brokenness, the wrinkles, the "little worse for wear-ness," and he loves you just the same. If you manage to wrap your head around such complete love and acceptance, you cannot but help overflow with a deep joy that bubbles up from your very soul. That is God's desire for you. God wants you to know that you are loved and to feel joy and peace even in the midst of your tiredness and brokenness. I pray that you may glimpse that deep grounding love, joy and peace in your life today.

Margaret Muller Chaplain

MEALS 4 YOU

Meals 4 You were recently awarded a grant of $542.87 from the Lord Mayor's Suburban Initiative Fund. The money will be used to purchase food containers. This donation will be used to support the regular donations of food and time generously offered by members of our College and our Church. Thank-you Councillor Norm Wyndham and the fund coordinators for including this worthwhile cause.

Extra Volunteers are needed for our next cooking day tomorrow, Thursday 23 July, I hope to see you there. For more details contact Christine Bunn @ meals4you@princeofpeace.qld.edu.au.

SQUASH AUSTRALIA'S NATIONAL ENTRY POINT PARTICIPATION PROGRAM FOR KIDS AGED 5 – 12 YEARS OF AGE

8 Week Program Every Friday

Afternoon 4 – 5pm

24 July to 11th September

Address: Stafford Squash Club Kitchener Rd, 244 Kitchener Rd, Stafford Heights QLD

Do you have a child with a chronic illness? How are their brothers and sisters going? Researchers from the University of Queensland are seeking parents with at least one child with any chronic illness (for example; Asthma, Diabetes, Eczema, Epilepsy, and Cystic Fibrosis) and at least one well child (without any chronic illnesses, aged 6 – 12 years). The researcher will be conducting home visits and performing interviews with one parent and one sibling of the child who has the chronic illness. Total duration will be less than 60 minutes. Topics of discussion will be based around the impact of the chronic illness on the well children within the family home. The findings of this study will help inform future parenting interventions for children and siblings living within a home with chronic illness. Participants will go into a draw for a chance to win one of two $50 *Coles Group and Myer* gift cards.
