As we reflect on the year that was 2020, we move our sights towards what 2021 will bring. We wish every blessing on you and your families, and we look forward to journeying with you all throughout this new year.

WELCOME TO 2021!

ANOTHER YEAR AT POPOSHC

Welcome back to Prince of Peace OSHC in 2021.

We wish all the new Grade 7's a smooth transition into high school, and plenty of opportunities for learning, growth, and fun!

We want to welcome all the new families to Prince of Peace OSHC, including all the new Preps! Time certainly does fly by, and we hope they enjoy their new classrooms!

Here at PoPOSHC we are committed to supporting the growth of each child while assisting them in their transitions between home and the classroom. Please let us know the best ways we can support you and your child.

VACATION CARE

Summer Vacation Care kept us all occupied over the Christmas holidays! There was a petting zoo, visit from the museum, RAW art clay creations, and a rock wall! And amongst all this, plenty of activities and fun for everyone! We hope everyone had fun creating new memories, and building on our friendships here at POPOSHC.

We are starting to put together some ideas for the Easter break (yes already!) and would love to hear some things that you and your families enjoy doing throughout the holidays!

REENROLMENT FORMS AND BOOKINGS

A reminder that we require updated forms for the new school year, along with confirmations to all Term bookings.

Vacancies are filling up fast, so get yours in as soon as possible!

If you have any questions, please do not hesitate to contact our office.

GOODBYE

This year we are saying goodbye to a Mr Gian, Miss Hannah, and Miss Ally.

We wish them the best in their journeys in 2021 and beyond!

THOUGHT OF THE DAY

What lies behind us
And what lies before us

Are small matters
compared to what
lies within us

RECYCLEABLE CRAFT

Have you got bottles, boxes, lids, or jars piling up? Here we like to re-use what we can in our craft and decorations! Feel free to drop off any recyclable materials for the kids to use with their imaginations!

YOUR THOUGHTS AND IDEAS

We would love to hear your thoughts about the runnings of Prince of Peace OSHC, and any ideas you have in regards to our programs and displays!

There are evaluation and feedback forms available, or you can simply send us through an e-mail!

As we move into 2021, we would love to work together with you all to provide the best care to your and your families!
