

¡Hola y Feliz Año Nuevo!

Languages, Spanish Year 5 -Term 1, 2022

Hola familias and welcome back!

I am so excited for another year of Spanish at Prince of Peace. In Year 5, we will continue to build on students' knowledge of the Spanish language and practice it through different activities. By now, students are expecting to participate more confidently in the Spanish class and demonstrate their knowledge by giving answers, asking questions and speaking in Spanish as much as possible.

In Term 1, students will learn about how to seek permission and ask for help in Spanish. They will be able to use questions to ask permission with accurate vocabulary and prepositions. Students will also learn to request help using statements.

In Term 1, students continue to expand their number practice and knowledge of the calendar.

The lesson will comprise of three parts:

- Calendar practice
- Development of targeted vocabulary through various activities
- Goodbye words

Skills

- Interact with teacher and peers to greet and farewell others and drill new vocabulary
- Participate in guided group activities
- Recognise and reproduce the sounds and rhythms of simple spoken Spanish
- Recognise and respond to classroom interactions
