

Watercolours with Albert Namatjira

The Arts, Visual Arts, Year 6, Term 1, 2022

In the first term of The Arts, our students will be studying Visual Arts. Visual Arts will give our children an opportunity to grow and develop their creativity in ways that will be different to their regular classroom. They will be better able to create solutions to problems in more creative ways, as well as overcome tough concepts. As a community we will celebrate their bravery and mastery. It will be amazing!

During Term 1, Year 6 Students will explore and respond to the artworks of Albert Namatjira, in contrast with Claude Monet's artwork. Students then create a painting of something that inspires them in nature, using techniques in watercolour.

During class time we will establish good rules and routines around using various art materials, including working together to clean and tidy the Arts room. We will endeavour to establish a comfortable and encouraging environment so that each child at Prince of Peace will be equipped to be their best creative self.
