

*hello
Let's connect!*

We understand how important it is for your child to have a smooth and positive start to their school journey. Settling into routines, making new friends, and feeling safe and supported are all key to building confidence and excitement for learning. At Prince of Peace Lutheran College, we're here to help every step of the way, which is why we've created:

PREP 2026 CONNECTIONS

Prep Connections offers regular play-based activities and learning opportunities on campus for Prep 2026 families from mid 2025. These activities are designed to help your child feel at home, meet other children, and become familiar with the College community before commencement. It's also a great opportunity for you to meet other families and form lasting friendships.

With 2026 just around the corner, we can't wait to help you and your child feel settled and excited for the year ahead!

5 Prep Orientation Morning

Our Prep 2026 Orientation Morning offers an exciting opportunity for your child to experience a day in the life of a Prep student. The morning starts at 9:00am and finishes at 12 noon, providing enough time for your child to become comfortable with our staff and College routines.

Group sizes are deliberately kept small so our teachers can provide individual attention, guiding your child through key steps like arriving at school, unpacking their bag, and getting out their hat, lunchbox, and drink bottle. This hands-on approach helps set them up for a smooth and confident start.

In Term 3, 2025 we will contact you to organise your child's Orientation Morning. Whilst there will be multiple sessions on offer, each child only comes to one session as the sessions are repeated.
